SUBJECT: Increase in State Mileage Reimbursement Rate

On June 26, 2015, the Indiana Department of Administration and State Budget Office sent out a memo regarding changes in mileage reimbursement rates. In that memo we presented a chart to provide transparency for future adjustments of mileage reimbursement rates.

Based on the last 6 months of average fuel prices for regular unleaded gas, as well as the average cost of the last 6 weeks, mileage reimbursement rate will be increased. Effective August 1st, 2016, the mileage reimbursement rate will move to \$0.38 per mile. Travel departing prior to the effective date will be reimbursed at the previous rate, while travel departing on or after the August 1st effective date will be reimbursed at \$0.38 per mile. We will continue to review fuel prices semi-annually and adjust reimbursement rates accordingly.
