This is a Quantity Purchase Agreement (QPA) with John Deere for Grounds Maintenance Equipment. This has been awarded by a participating addendum of John Deere's master contract with Sourcewell; previously National Joint Powers Alliance (NJPA). The master contract number is 031121-DAC.

This QPA is available for state agencies and local government entities. Interested buyers may obtain a quote from and order through any listed John Deere dealer located in the State of Indiana. Quotes are valid for 30 days.

The QPA offers agencies discounts off MSRP for certain new equipment and attachments related to ground maintenance. Operational training on all purchased equipment is available, at no additional cost, at the request of the purchasing agency.

Parts and service are not eligible purchases through this QPA. Only new equipment purchases are eligible. For more information, including locating a dealer, MSRP discounts and volume discounts, copy and paste the following link into your browser:
