It is the intent of IDOA to solicit responses to this Request for Proposals (RFP) in accordance with the statement of work, proposal preparation section, and specifications contained in this document. This RFP is being posted to the IDOA website (<http://www.IN.gov/idoa/2354.htm>) for downloading. A nominal fee will be charged for providing hard copies. Neither this RFP nor any response (proposal) submitted hereto are to be construed as a legal offer.

1.2 DEFINITIONS AND ABBREVIATIONS

Following are explanations of terms and abbreviations appearing throughout this RFP. Other special terms may be used in the RFP, but they are more localized and defined where they appear, rather than in the following list.

IC	Indiana Code
Contract Award	The acceptance of IDOA's Award Recommendation by the agency being supported in conjunction with the public posting of the Award Recommendation.
VSC	Valuable Scope Contribution – A business function that supports the scope of this solicitation
Full Time Equivalent (FTE)	The State defines FTE as a measurement of an employee's productivity when executing the scope of work in this RFP for a specific project or contract. An FTE of 1 would mean that there is one worker fully engaged on a project. If there are two employees each spending 1/2 of their working time on a project that would also equal 1 FTE
Implementation	The successful implementation of Food Warehousing and Distribution as specified in the contract resulting from this RFP
Installation	The delivery and physical setup of products or services requested in this RFP

Other Governmental Body	An agency, a board, a branch, a bureau, a commission, a council, a department, an institution, an office, or another establishment of any of the following: 1) The judicial branch 2) The legislative branch 3) A political subdivision (includes towns, cities, local governments, etc.) 4) A State educational institution

State	The State of Indiana
State Agency	As defined in IC 4-13-1, “State Agency” means an authority, board, branch, commission, committee, department, division, or other instrumentality of the executive, including the administrative, department of State government

Vendor	Any entity or person who does business with the State and is registered as same.

1.3 PURPOSE OF THE RFP

The purpose of this RFP is to select a respondent that can satisfy the State’s need for Food Warehouse and Distribution services. It is the intent of IDOE to contract with a respondent that provides quality Food Warehouse and Distribution services for National School Lunch, Summer Food Service, and Food Distribution Programs.

1.4 SUMMARY SCOPE OF WORK

Foods allocated to Indiana are shipped FOB destination to specified contract warehouses by USDA. Received foods are stored until delivery by contractor to Indiana public and private schools and

other eligible Recipient Agencies. State Agency pays contractors monthly for handling, storage, and delivery of commodities, based on invoices submitted by contractor. The State intends to award to no more than three vendors. Please refer to the technical proposal to respond to this requirement.

Please see Attachment I for the complete Scope of Work.

These figures are only an estimate and are not to be construed as an amount to be offered under this RFP. However, when completing **Minority and Women's Business Enterprises Participation Plan Form (Attachment A)**, the **Indiana Economic Impact Form (Attachment C)** and **Indiana Veterans' Participation Plan Form (Attachment A1)** please use the total bid amount from the **Cost Proposal (Attachment D)**.

IMPORTANT NOTE: Each Respondent must submit separate MWBE and IVOSB Subcontractor forms (Attachment A and Attachment A1) for **EACH REGION** included in Respondent's proposal. The information reported by the Respondent within the MWBE and IVOSB Subcontract Commitment forms should be exclusive to each specified region's MWBE/IVOSB Subcontractor Commitment. Respondents should indicate at the top of the MWBE/IVOSB Commitment forms which region each form pertains to, as well verifying each Subcontractor Commitment Letter from the subcontractor contains that information as well.

When submitting the response, please create a separate electronic folder for each region included in your proposal. Your proposal may be deemed as non-responsive if these instructions are not followed.

Respondents are reminded that no answers issued verbally at the conference are binding on the State and any information provided at the conference, unless it is later issued in writing, also is not binding on the State.

1.7 QUESTION/INQUIRY PROCESS

All questions/inquiries regarding this RFP must be submitted by the date and time outlined in Section 1.24 Summary of Milestones. Questions/Inquiries may be submitted in Attachment G, Q&A Template, via email to rfp@idoa.IN.gov and must be received by the time and date indicated above.

The question/inquiry and answer link will become active after responses to all questions have been compiled. Only answers posted on the IDOA website will be considered official and valid by the State. No Respondent shall rely upon, take any action, or make any decision based upon any verbal communication with any State employee.

Inquiries are not to be directed to any staff member of the Indiana Department of Education, or any other participating agency. Such action may disqualify Respondent from further consideration for a contract resulting from this RFP.

If it becomes necessary to revise any part of this RFP, or if additional information is necessary for a clearer interpretation of provisions of this RFP prior to the due date for proposals, an addendum will be posted on the IDOA website. If such addenda issuance is necessary, the Procurement Division may extend the due date and time of proposals to accommodate such additional information requirements, if required.

1.10 PRICING

Pricing on this RFP must be firm and remain open for a period of not less than 180 days from the proposal due date. Any attempt to manipulate the format of the document, attach caveats to pricing, or submit pricing that deviates from the current format will put your proposal at risk.

Please refer to the Cost Proposal sub-section under Section 2 for a detailed discussion of the proposal pricing format and requirements.

1.11 PROPOSAL CLARIFICATIONS AND DISCUSSIONS, AND CONTRACT DISCUSSIONS

The State reserves the right to request clarifications on proposals submitted to the State. The State also reserves the right to conduct proposal discussions, either oral or written, with Respondents. These discussions could include request for additional information, request for cost or technical proposal revision, etc. Additionally, in conducting discussions, the State may use information derived from proposals submitted by competing respondents only if the identity of the respondent providing the information is not disclosed to others. The State will provide equivalent information to all respondents which have been chosen for discussions. Discussions, along with negotiations with responsible respondents may be conducted for any appropriate purpose.

The Procurement Division will schedule all discussions. Any information gathered through oral discussions must be confirmed in writing.

A sample contract is provided in Attachment B. Any requested changes to the sample contract must be submitted with your response (See Section 2.3.5 for details). The State reserves the right to reject any of these requested changes. It is the State's expectation that any material elements of the contract will be substantially finalized prior to contract award.

1.12 BEST AND FINAL OFFER

The State may request best and final offers from those Respondents determined by the State to be reasonably viable for contract award. However, the State reserves the right to award a contract on the basis of initial proposals received. Therefore, each proposal should contain the Respondent's best terms from a price and technical standpoint.

Following evaluation of the best and final offers, the State may select for final contract negotiations/execution the offers that are most advantageous to the State, considering cost and the evaluation criteria in this RFP.

1.13 REFERENCE SITE VISITS

The State may request a site visit to a Respondent's working support center to aid in the evaluation of the Respondent's proposal. Site visits, if required will be discussed in the technical proposal.

1.14 TYPE AND TERM OF CONTRACT

The State intends to sign a contract with one or more Respondent(s) to fulfill the requirements in this RFP.

The term of the contract shall be for a period of 1 (one) year from the date of contract execution. There may be 3 (three) one-year renewals for a total of 4 (four) years at the State's option.

1.15 CONFIDENTIAL INFORMATION

Respondents are advised that materials contained in proposals are subject to the Access to Public Records Act (APRA), IC 5-14-3 *et seq.*, and, after the contract award, the entire RFP file will be posted on the IDOA website and may be viewed and copied by any member of the public, including news agencies and competitors. The responses are deemed to be "public records" unless a specific provision of IC 5-14-3 protects it from disclosure. Respondents claiming a statutory exception to the APRA **must indicate so in the Transmittal Letter** which specific provision applies to which specific part of the response. Confidential Information must also be clearly marked in a separate folder on any included CD-ROM / USB Thumb Drive. Please note citing "Confidential" on an entire section is not sufficient. The Public Access Counselor (PAC) provides guidance on APRA. Respondents are encouraged to read guidance from the PAC on this topic as this is the guidance IDOA follows:

- [18-INF-06; Redaction of Public Procurement Documents Informal Inquiry](#)

If the Respondent does not identify the statutory exception, the Procurement Division will not consider the submission confidential. The State also reserves the right to seek the opinion of the PAC for guidance if the State has doubts the cited exception is applicable.

Proposals should not include any tax from which the State is exempt.

1.17 PROCUREMENT DIVISION REGISTRATION

If awarded the contract, the Respondent will be required to register, and be in good standing, with the Secretary of State. The registration requirement is applicable to all limited liability partnerships, limited partnerships, corporations, S-corporations, nonprofit corporations and limited liability companies. 1.19 COMPLIANCE CERTIFICATION

The Respondent also certifies that neither it nor its principals are presently in arrears in payment of its taxes, permit fees or other statutory, regulatory or judicially required payments to the State. The Respondent agrees that the State may confirm, at any time, that no such liabilities exist, and, if such liabilities are discovered, that State may bar the Respondent from contracting with the State, cancel existing contracts, withhold payments to setoff such obligations, and withhold further payments or purchases until the entity is current in its payments on its liability to the State and has submitted proof of such payment to the State.

1.20 EQUAL OPPORTUNITY COMMITMENT

Pursuant to IC 4-13-16.5 and in accordance with 25 IAC 5, Executive Order 13-04 and IC 5-22-14-3.5, it has been determined that there is a reasonable expectation of minority, woman, and Indiana veteran business enterprises subcontracting opportunities on a contract awarded under this RFP. Therefore a contract goal of 8% for Minority Business Enterprises, 8% for Woman Business Enterprises, and 3% for Indiana Veteran Owned Small Businesses have been established and all respondents will be expected to comply with the regulation set forth in 25 IAC 5, Executive Order 13-04 and IC 5-22-14-3.5.

Failure to address these requirements may impact the evaluation of your proposal.

1.21 MINORITY & WOMEN'S BUSINESS ENTERPRISES RFP SUBCONTRACTOR COMMITMENT (MWBE)

In accordance with 25 IAC 5-5, the Respondent is expected to submit with its proposal a Minority & Women's Business Enterprises RFP Subcontractor Commitment Form. The Form must show that there are, participating in the proposed contract, Minority Business Enterprises (MBE) and Women Business Enterprises (WBE) listed in the Minority and Women's Business Enterprises Division (MWBED) directory of certified firms located at <http://www.in.gov/idoa/2352.htm>.

If participation is met through use of respondents who supply products and/or services directly to the Respondent, the Respondent must provide a description of products and/or services provided that are directly related to this proposal and the cost of direct supplies for this proposal.

Respondents must complete the Subcontractor Commitment Form in its entirety. The amount entered in "**TOTAL BID AMOUNT**" should match the amount entered in the Attachment D, Cost Proposal Template.

Failure to meet these goals will affect the evaluation of your Proposal. The Department reserves the right to verify all information included on the MWBE Subcontractor Commitment Form.

Prime Contractors must ensure that the proposed subcontractors meet the following criteria:

- A Prime Contractor who is an MBE or WBE must meet subcontractor goals by using other listed certified firms. Certified Prime Contractors cannot count their own workforce or companies to meet this requirement.
- **Must serve a Valuable Scope Contribution (VSC). The firm must serve a value-added purpose on the engagement, as confirmed by the State.**
- Must provide goods or service only in the industry area for which it is certified as listed in the directory at <http://www.in.gov/idoa/2352.htm>

- National Diversity Plans are generally not acceptable

MINORITY & WOMEN'S BUSINESS ENTERPRISES RFP SUBCONTRACTOR LETTER OF COMMITMENT (MWBE)

A signed letter(s), on company letterhead, from the MBE and/or WBE must accompany the MWBE Subcontractor Commitment Form. The MBE and/or WBE subcontract amount and subcontractor percentage is only based on the initial term of the contract, unless the products and/or services are needed beyond the initial term. Any products and/or services desired after the initial term will require

separate negotiations between the prime contractor and subcontractor. The State may deny evaluation points if the letter(s) is not attached, not on company letterhead, not signed and/or does not reference and match the subcontract amount, subcontract amount as a percentage of the **“TOTAL BID AMOUNT”** and the anticipated period that the Subcontractor will perform work for this solicitation.

By submission of the Proposal, the Respondent acknowledges and agrees to be bound by the regulatory processes involving the State’s M/WBE Program. Questions involving the regulations governing the MWBE Subcontractor Commitment Form should be directed to: Minority and Women’s Business Enterprises Division at (317) 232-3061 or <http://www.in.gov/idoa/2352.htm>.

MINORITY & WOMEN’S BUSINESS COMPLIANCE (MWBE)

If awarded the contract with MWBE subcontractor participation, the Respondent is will be required to report payments made to MWBE Division subcontractors under the Contract on a monthly basis using the online audit tool, commonly referred to as “Pay Audit.” The Contractor should also notify subcontractors that they must confirm payments received from Contractor in Pay Audit. The Pay Audit system can be accessed on the IDOA webpage at: www.in.gov/idoa/mwbe/payaudit.htm

Further, a copy of each subcontractor agreement must be submitted to IDOA’s MWBE Division within thirty (30) days of the effective date of this Contract. The contracts may be uploaded into Pay Audit, emailed to MWBECompliance@idoa.IN.gov; or mailed to MWBE Compliance 402 W. Washington Street, Indianapolis IN 46204. Failure to provide a copy of any subcontractor agreement or failure to meet these commitments could be considered a material breach of this Contract and result in sanctions per 25 IAC 5.

In accordance with Executive Order 13-04 and IC 5-22-14-3.5, it has been determined that there is a reasonable expectation of Indiana Veteran Owned Small Business subcontracting opportunities on a contract awarded under this RFP. The IVOSB Subcontractor Commitment Form is to be submitted alongside the Respondent’s proposal. The Form must show that they are participating in the proposed contract and IVOSB firms that meet the requirements listed at the Veteran’s Business Program website (<http://www.in.gov/idoa/2862.htm>).

If participation is met through use of respondents who supply products and/or services directly to the Respondent, the Respondent must provide a description of products and/or services provided that are directly related to this proposal and the cost of direct supplies for this proposal. Respondents must complete the Subcontractor Commitment Form in its entirety. The amount entered in **“TOTAL BID AMOUNT”** should match the amount entered in the Attachment D, Cost Proposal Template.

If the Respondent to the RFP is an IVOSB certified entity, the letter confirming same should be submitted with their response. IDOA will verify the certification but will not check for it. Therefore

the Respondent has the responsibility to alert IDOA of their certification. The IVOSB Respondent will receive the total points for the IVOSB evaluation criteria per section 3.2.7. Additional IVOSB subcontractors must be included if the IVOSB Respondent is seeking the additional bonus point.

The IVOSB Respondent must list their **company contact information only** on the IVOSB Subcontractor Commitment Form.

Failure to address these goals may impact the evaluation of your Proposal. The Department reserves the right to verify all information included on the IVOSB Subcontractor Commitment Form.

The State’s procurement protest policy can be found in the State’s [Procurement Protest Policy](#). Per the policy, there are two periods of protest allowable for the RFP:

- Specifications Protest - written letter of protest regarding inadequate, unduly restrictive, or ambiguous requirements or specifications must be received by IDOA by the close of business not less than ten (10) business days (as defined by the State work calendar) prior to the proposal due date.
- Award Recommendation Letter Protest - written letter of protest regarding the procurement methods and/or procedures used during the procurement process must be received by IDOA by the close of business within five (5) business days (as defined by the State work calendar) after the date of the Award Recommendation Letter.

Additional details as to the required content in the letter and the steps involved in a protest can be found in the [Procurement Protest Policy](#).

SECTION TWO PROPOSAL PREPARATION INSTRUCTIONS

2.1 GENERAL

To facilitate the timely evaluation of proposals, a standard format for proposal submission has been developed and is described in this section. All Respondents are required to format their proposals in a manner consistent with the guidelines described below:

- Each item must be addressed in the Respondent's proposal.
- The Transmittal Letter must be in the form of a letter. The business and technical proposals must be organized under the specific section titles as listed below.
- The electronic copies of the proposal submitted via CD-ROM / USB Thumb Drive should be organized to mirror the sections below and the attachments.
- Each item, i.e. Transmittal Letter, Business Proposal, Technical Proposal, Cost Proposal, etc., must be separate standalone electronic files on the CD-ROM / USB Thumb Drive. Please do not submit your proposal as one large file.
- Whenever possible, please submit all attachments in their original format.
- Confidential Information must also be clearly marked in a separate folder/file on any included CD-ROM / USB Thumb Drive.

2.2 TRANSMITTAL LETTER

The Transmittal Letter must address the following topics except those specifically identified as "optional."

2.2.1 Agreement with Requirement listed in Section 1

The Respondent must explicitly acknowledge understanding of the general information presented in Section 1 and agreement with any requirements/conditions listed in Section 1.

2.2.2 Summary of Ability and Desire to Supply the Required Products or Services

The Transmittal Letter must briefly summarize the Respondent's ability to supply the requested products and/or services that meet the requirements defined in Section 2.4 of this RFP. The letter must also contain a statement indicating the Respondent's willingness to provide the requested products and/or services subject to the terms and conditions set forth in the RFP including, but not limited to, the State's mandatory contract clauses.

2.2.3 Signature of Authorized Representative

A person authorized to commit the Respondent to its representations and who can certify that the information offered in the proposal meets all general conditions including the information requested in Section 2.3.4, must sign the Transmittal Letter. **In the Transmittal Letter, please indicate the principal contact for the proposal along with an address, telephone and fax number as well as an e-**

mail address, if that contact is different than the individual authorized for signature.

2.2.4 Respondent Notification

Unless otherwise indicated in the Transmittal Letter, Respondents will be notified via e-mail.

It is the Respondent's obligation to notify the Procurement Division of any changes in any address that may have occurred since the origination of this solicitation. The Procurement Division will not be held responsible for incorrect vendor/contractor/respondent addresses.

2.2.5 Confidential Information

Respondents are advised that materials contained in proposals are subject to the Access to Public Records Act (APRA), IC 5-14-3 et seq. (see section 1.15).

Provide the following information:

- Provide a description explaining the manner in which the statutory exception to the APRA applies for each document or section of the document.
- Provide a separate redacted (for public release) version of the document.

2.2.6 Other Information

This item is optional. Any other information the Respondent may wish to briefly summarize will be acceptable.

2.3 BUSINESS PROPOSAL

The Business Proposal must address the following topics except those specifically identified as "optional." **The Business Proposal Template is Attachment E.**

2.3.1 General (optional)

This section of the business proposal may be used to introduce or summarize any information the Respondent deems relevant or important to the State's successful acquisition of the products and/or services requested in this RFP.

2.3.2 Respondent's Company Structure

The legal form of the Respondent's business organization, the state in which formed (accompanied by a certificate of authority), the types of business ventures in which

the organization is involved, and a chart of the organization are to be included in this section. If the organization includes more than one product division, the division responsible for the development and marketing of the requested products and/or services in the United States must be described in more detail than other components of the organization.

2.3.3 Company Financial Information

This section must include documents to demonstrate the Respondent's financial stability. Examples of acceptable documents include: most recent Dunn & Bradstreet Business Report (preferred) or audited financial statements for the two (2) most recently completed fiscal years. If neither of these can be provided, explain why and include an income statement and balance sheet, for each of the two most recently completed fiscal years.

If the documents being provided by the Respondent are those of a parent or holding company, additional information should be provided for the entity/organization directly responding to this RFP. That additional information should explain the business relationship between the entities and demonstrate the financial stability of the entity/organization which is directly responding to this RFP.

2.3.4 Integrity of Company Structure and Financial Reporting

This section must include a statement indicating that the CEO and/or CFO, of the responding entity/organization, has taken personal responsibility for the thoroughness and correctness of any/all financial information supplied with this proposal. The particular areas of interest to the State in considering corporate responsibility include the following items: separation of audit functions from corporate boards and board members, if any, the manner in which the organization assures board integrity, and the separation of audit functions and consulting services. The State will consider the information offered in this section to determine the responsibility of the Respondent under IC 5-22-16-1(d).

2.3.5 Contract Terms/Clauses

A sample contract that the State expects to execute with the successful Respondent(s) is provided in Attachment B. This contract contains both mandatory and non-mandatory clauses. Mandatory clauses are listed below and are non-negotiable. Other clauses are highly desirable. It is the State's expectation that the final contract will be substantially similar to the sample contract provided in Attachment B.

In your Transmittal Letter please indicate acceptance of these mandatory contract terms (see section 2.2.2). In this section please review the rest of the contract and indicate your acceptance of the non-mandatory contract clauses. If a non-mandatory clause is not acceptable as worded, suggest specific alternative wording to address issues raised by the specific clause. If you require additional contract terms please include them in this section. To reiterate it's the State's strong desire to not deviate

from the contract provided in the attachment and as such the State reserves the right to reject any and all of these requested changes.

The mandatory contract terms are as follows:

- Non-Collusion and Acceptance

Any or all portions of this RFP and any or all portions of the Respondents response may be incorporated as part of the final contract

2.3.6 References

Reference information is captured on Attachment H. Respondent should complete the reference information portion of the Attachment H which includes the name, address, and telephone number of the client facility and the name, title, and phone/fax numbers of a person who may be contacted for further information if the State elects to do so. The rest of Attachment H should be completed by the reference and either mailed or emailed DIRECTLY to the State. The State should receive three (3) Attachment H's from clients for whom the Respondent has provided products and/or services that are the same or similar to those products and/or services requested in this RFP. Attachment H should be submitted to idoareferences@idoa.in.gov or mailed to the address listed in section 1.8 of the RFP. Attachment H should be submitted no more than ten (10) business days after the proposal submission due date listed in Section 1.24 of the RFP. Please provide the customer information for each reference.

2.3.7 Registration to do Business

Secretary of State

If awarded the contract, the Respondent will be required to be registered, and be in good standing, with the Secretary of State. The registration requirement is applicable to all limited liability partnerships, limited partnerships, corporations, S-corporations,

nonprofit corporations and limited liability companies. The Respondent must indicate the status of registration, if applicable, in this section of the proposal.

Department of Administration, Procurement Division

Additionally, respondents must be registered with the IDOA. This can be accomplished on-line at <http://www.in.gov/idoa/2464.htm>.

The IDOA Procurement Division maintains two databases of vendor information. The Bidder registration database is set up for vendors to register if you are interested in selling a product or service to the State of Indiana. Respondents may register on-line at no cost to become a Bidder with the State of Indiana. To complete the on-line Bidder registration, go to <http://www.in.gov/idoa/2464.htm>. The Bidder registration offers email notification of upcoming solicitation opportunities, corresponding to the Bidder's area(s) of interest, selected during the registration process. Respondents do need to be registered to bid on and receive email notifications. Completion of the Bidder registration will result in your name being added to the Bidder's Database, for email notification. The Bidder registration requires some general business information, an indication of the types of goods and services you can offer the State of Indiana, and locations(s) within the State that you can supply or service. There is no fee to be placed in Procurement Division's Bidder Database. To receive an award, you must be registered as a bidder. Problems or questions concerning the registration process or the registration form can be e-mailed to Amey Redding, Vendor Registration Coordinator, aredding@idoa.in.gov, or you may reach her by phone at (317) 234-3542.

IVOSB entities (whether a prime or subcontractor) must have a bidder ID. If registered with IDOA, this should have already been provided (as with MWBEs). IVOSBs that are only registered with the Federal Center for Veterans Business Enterprise will need to ensure that they also have a Bidder ID provided by IDOA.

2.3.8 Authorizing Document

Respondent personnel signing the Transmittal Letter of the proposal must be legally authorized by the organization to commit the organization contractually. This section shall contain proof of such authority. A copy of corporate bylaws or a corporate resolution adopted by the board of directors indicating this authority will fulfill this requirement.

2.3.9 Subcontractors

The Respondent is responsible for the performance of any obligations that may result from this RFP and shall not be relieved by the non-performance of any subcontractor. Any Respondent's proposal must identify all subcontractors and describe the contractual relationship between the Respondent and each subcontractor. Either a copy of the executed subcontract or a letter of agreement over the official signature of the firms involved must accompany each proposal.

Any subcontracts entered into by the Respondent must be in compliance with all State statutes, and will be subject to the provisions thereof. For each portion of the proposed products or services to be provided by a subcontractor, the technical proposal must include the identification of the functions to be provided by the subcontractor and the subcontractor's related qualifications and experience.

The combined qualifications and experience of the Respondent and any or all subcontractors will be considered in the State's evaluation. The Respondent must furnish information to the State as to the amount of the subcontract, the qualifications of the subcontractor for guaranteeing performance, and any other data that may be required by the State. All subcontracts held by the Respondent must be made available upon request for inspection and examination by appropriate State officials, and such relationships must meet with the approval of the State.

The Respondent must list any subcontractor's name, address and the state in which formed that are proposed to be used in providing the required products or services. The subcontractor's responsibilities under the proposal, anticipated dollar amount for subcontract, the subcontractor's form of organization, and an indication from the subcontractor of a willingness to carry out these responsibilities are to be included for each subcontractor. This assurance in no way relieves the Respondent of any responsibilities in responding to this RFP or in completing the commitments documented in the proposal. The Respondent must indicate which, if any, subcontractors qualify as a Minority, Women, or Veteran Owned Business under IC 4-13-16.5-1 and Executive Order 13-04 and IC 5-22-14-3.5. See Sections 1.21, 1.22 and Attachments A/A1 for Minority, Women, and Veteran Business information.

IVOSB entities (whether a prime or subcontractor) must have a bidder ID. If registered with IDOA, this should have already been provided (as with MWBEs). IVOSBs that are only registered with the Federal Center for Veterans Business Enterprise will need to ensure that they also have a Bidder ID provided by IDOA (please see section 2.3.7, Department of Administration, Procurement Division for details).

2.3.10 Evidence of Financial Responsibility – Removed.

2.3.11 General Information

Each Respondent must enter your company's general information including contact information.

2.3.12 Experience Serving State Governments

Each Respondent is asked to please provide a brief description of your company's experience in serving state governments and/or quasi-governmental accounts.

2.3.13 Experience Serving Similar Clients

Each Respondent is asked to please describe your company's experience in serving clients of a similar size to the State that also had a similar scope. Please provide specific clients and detailed examples.

2.3.14 Indiana Preferences

Pursuant to IC 5-22-15-7, Respondent may claim only one (1) preference. For the purposes of this RFP, this limitation to claiming one (1) preference applies to Respondent's ability to claim eligibility for Buy Indiana points. **Respondent must clearly indicate which preference(s) they intend to claim. Additionally, the Respondent's Buy Indiana status must be finalized when the RFP response is submitted to the State.**

Buy Indiana

Refer to Section 2.7 for additional information.

2.3.15 Payment – Removed.

2.4 TECHNICAL PROPOSAL

The Technical Proposal must be divided into the sections as described below. Every point made in each section must be addressed in the order given. The same outline numbers must be used in the response. RFP language should not be repeated within the response. Where appropriate, supporting documentation may be referenced by a page and paragraph number. However, when this is done, the body of the technical proposal must contain a meaningful summary of the referenced material. The referenced document must be included as an appendix to the technical proposal with referenced sections clearly marked. If there are multiple references or multiple documents, these must be listed and organized for ease of use by the State. **The Technical Proposal Template is Attachment F.**

SECTION 2.4.1 – MANDATORY REQUIREMENTS

Respondents must respond with "yes" or "no" to the questions in Section 2.4.1, Mandatory Requirements. If any question under Section 2.4.1 is answered "no" then evaluation of the proposal will end, and the proposal will not receive further consideration for award.

2.4.1.1 - Has your company been in business as a public storage warehouse and/or food distributor for at least three (3) consecutive years prior to the proposal due date?

2.4.1.2 - Please confirm you understand that the State intends to award to no more than three vendors.

SECTION 2.4.2 – GENERAL QUESTIONS

2.4.2.1 - Please define the fields that are recorded on the new shipment logs as they arrive. At a minimum, logs must include date and time of arrival, quantity received, and notations of any overages, shortages, or damage.

2.4.2.2 - Please explain how the respondent will acquire and/or maintain a proper fleet to service the needs of the state as defined in the RFP.

2.4.2.3 - What steps will be taken to ensure proper temperatures are maintained for freezer, cooler, and dry products?

2.4.2.4 - Some smaller schools do not have conventional loading docks. Please explain how the respondent will service the deliveries to such schools.

2.4.2.5 - Please describe in detail the system(s) the respondent has in place to ensure the correct products are picked and loaded onto a truck in the correct quantities.

2.4.2.6 - Please describe in detail the system(s) the respondent has in place to ensure the accuracy of the inventory that resides in the respondent's warehouse.

2.4.2.7 - How often are physical inventory counts performed? Please describe the inventory process.

2.4.2.13 - Please list any other contractual agreements the Respondent holds with any Indiana Public or Private school, Education Service Center, COOP, or third party organization assisting Indiana Schools in the procurement of food products. Please describe any current problems or issues related to any of these accounts.

2.4.2.14 - Delivery orders will be downloaded weekly from our web portal. Please describe how the respondent will ensure receipt and identify any potential issues with the data processing system accepting an import of this data directly.

2.4.2.15 - Please describe the process of modifying the respondent systems to carry the state program's site identifier codes and product/item codes.

2.4.2.16 - Please list the locations of the warehouses proposed for these services.

2.5 COST PROPOSAL

The Cost Proposal Template is Attachment D.

The Cost Proposal is divided into six separate tabs for each of the six regions, as defined in the Scope of Work (Attachment I). For each of the six regions included in a respondent's proposal, costs per case for storage, handling, and delivery fees for the three different commodities must be included (dry units, cooler units, and freezer units). The "Estimated Volume" column of the cost proposal provides estimated units based on historical figures to determine a total estimated cost.

This figure will be evaluated against the baseline evaluation cost, as described in RFP Section 3.2.3, provided for each region within the cost proposal tab. The “High Estimated Volume” figure will be used internally for budgetary considerations only and will not be considered in the evaluation. In the “Delivery Adjustments” tab, respondents may fill in adjustments to be made to the delivery costs provided based on the OPIS fuel index. OPIS pricing will be taken from the rack average of the PADD2 weekly report using the data from around the 15th of each month.

The Cost Proposal Template is Attachment D.

The Cost Proposal must be submitted in the original format. Any attempt to manipulate the format of the Cost Proposal document, attach caveats to pricing, or submit pricing that deviates from the current format will put your proposal at risk.

Cost Proposal Narrative

The Respondent should provide a brief narrative (not longer than two pages) in support of each Cost Proposal item. The narrative should be focused on clarifying how the proposed prices correspond directly to the Respondent's Technical Proposal. For example, evaluators will expect detailed explanation of *Maintenance and Support* to correspond to *Maintenance and Support items* if described in the Technical Proposal. **Please compose and return this document in a PDF format, labeled as “Cost Proposal Narrative”.**

Cost Assumptions, Conditions and Constraints

The respondent should list and describe as part of its Cost Proposal any special cost assumptions, conditions, and/or constraints relative to, or which impact, the prices presented on the Cost Schedules. It is of particular importance to describe any assumptions made by the respondent in the development of the respondent's Technical Proposal that have a material impact on price. It is in the best interest of the respondent to make explicit the assumptions, conditions, and/or constraints that underlie the values presented on the Cost Schedules. Assumptions, conditions or constraints that conflict with the RFP requirements are not acceptable. **Please compose and return this document in a PDF format, labeled as “Cost Assumptions, Conditions and Constraints”.**

2.6 INDIANA ECONOMIC IMPACT

All companies desiring to do business with State Agencies must complete an “Indiana Economic Impact” form (Attachment C). This is not a separate evaluation item scored as set forth in 3.2 but still a required form. The collection and recognition of the information collected with the Indiana Economic Impact form places a strong emphasis on the economic impact a project will have on Indiana and its residents regardless of where a business is located. The collection of this information does not restrict any company or firm from doing business with the State. The amount entered in Line 16 “Total amount of this proposal, bid, or current contract” should match the amount entered in the Attachment D, Cost Proposal Template.

2.7 BUY INDIANA INITIATIVE/INDIANA COMPANY

It is the Respondent's responsibility to confirm its Buy Indiana status for this portion of the process. If a Respondent has previously registered its business with IDOA, go to <http://www.in.gov/idoa/2464.htm> and click on the link to update this registration. Click the tab titled Buy Indiana. Select the appropriate category for your business. Respondents may only select

one category. Certify this selection by clicking the check box next to the certification paragraph. Once this is complete, save your selection and exit your account.

Respondents that have not previously registered with IDOA must go to <http://www.in.gov/idoa/2464.htm> and click on the link to register. During the registration process, follow the steps outlined in the paragraph above to certify your business' status. The registration process should be complete at the time of proposal submission.

Respondent must clearly indicate which preference(s) they intend to claim in the Business Proposal, Attachment E, section 2.3.14 (Respondent will only be evaluated on the criteria selected/cited from IC 5-22-15-20.5).

Additionally, Respondents that wish to claim the Buy Indiana preference (for any criteria listed below) must have an email confirmation of their Buy Indiana status provided by buyindianainvest@idoa.in.gov included in the proposal response. The email confirmation must have been provided from within one year prior to the proposal due date.

Respondents must also fully complete the Indiana Economic Impact form (Attachment C) and include it with their proposal response.

Defining an Indiana Business:

“Indiana business” refers to any of the following:

- (1) A business whose principal place of business is located in Indiana.
- (2) A business that pays a majority of its payroll (in dollar volume) to residents of Indiana.
- (3) A business that employs Indiana residents as a majority of its employees.
- (4) A business that makes significant capital investments in Indiana.
- (5) A business that has a substantial positive economic impact on Indiana.

Substantial Capital Investment:

Any company that can demonstrate a minimum capital investment in Indiana of \$5 million or more in plant and/or equipment or annual lease payments in Indiana of \$2.5 million or more shall qualify as an Indiana business under I.C.5-22-15-20.5 (b)(4).

Substantial Indiana Economic Impact:

Any company that is in the top 500 companies (adjusted) for one of the following categories: number of employees (DWD), unemployment taxes (DWD), payroll withholding taxes (DOR), or Corporate Income Taxes (DOR); it shall qualify as an Indiana business under I.C. 5-22-15-20.5 (b)(5).

SECTION THREE PROPOSAL EVALUATION

3.1 PROPOSAL EVALUATION PROCEDURE

The State has selected a group of personnel to act as a proposal evaluation team. Subgroups of this team, consisting of one or more team members, will be responsible for evaluating proposals with regard to compliance with RFP requirements. All evaluation personnel will use the evaluation criteria stated in Section 3.2. The Commissioner of IDOA or their designee will, in the exercise of their sole discretion, determine which proposals offer the best means of servicing the interests of the State. The exercise of this discretion will be final.

The procedure for evaluating the proposals against the evaluation criteria will be as follows:

- 3.1.1 Each proposal will be evaluated for adherence to requirements on a pass/fail basis. Proposals that are incomplete or otherwise do not conform to proposal submission requirements may be eliminated from consideration.
- 3.1.2 Each proposal will be evaluated on the basis of the categories included in Section 3.2. A point score has been established for each category.
- 3.1.3 Based on the results of this evaluation, the qualifying proposal determined to be the most advantageous to the State, taking into account all of the evaluation factors, may be selected by IDOA and IDOE for further action, such as contract negotiations. If, however, IDOA and IDOE decide that no proposal is sufficiently advantageous to the State, the State may take whatever further action is deemed necessary to fulfill its needs. If, for any reason, a proposal is selected and it is not possible to consummate a contract with the Respondent, IDOA may begin contract preparation with the next qualified Respondent or determine that no such alternate proposal exists.

3.2 EVALUATION CRITERIA

Proposals will be evaluated based upon the proven ability of the Respondent to satisfy the requirements of the RFP in a cost-effective manner. Each of the evaluation criteria categories is described below with a brief explanation of the basis for evaluation in that category. The points associated with each category are indicated following the category name (total maximum points = 108). Negative points may be assigned in the cost score. Additionally, there is an opportunity for a bonus of five points if certain criteria are met. For further information, please reference Section 3.2.3 below. If any one or more of the listed criteria on which the responses to this RFP will be evaluated are found to be inconsistent or incompatible with applicable federal laws, regulations or policies, the specific criterion or criteria will be disregarded and the responses will be evaluated and scored without taking into account such criterion or criteria.

Summary of Evaluation Criteria:

Criteria	Points
1. Adherence to Mandatory Requirements	Pass/Fail
2. Management Assessment/Quality (Business and Technical Proposal)	45 available points
3. Cost (Cost Proposal)	-35 to +35 available points (5 bonus points available – see section 3.2.3)
4. Buy Indiana	5
5. Minority Business Enterprise Subcontractor Commitment	5 (1 bonus point is available, see Section 3.2.5)
6. Women Business Enterprise Subcontractor Commitment	5 (1 bonus point is available, see Section 3.2.5)
7. Indiana Veteran Owned Small Business Subcontractor Commitment	5 (1 bonus point is available, see Section 3.2.6)
Total	100 (108 if bonus awarded)

All proposals will be evaluated using the following approach.

Step 1

In this step proposals will be evaluated only against Criteria 1 to ensure that they adhere to Mandatory Requirements. Any proposals not meeting the Mandatory Requirements will be disqualified.

Step 2

The proposals that meet the Mandatory Requirements will then be scored based on Criteria 2 and 3 ONLY. This scoring will have a maximum possible score of 80 points with a potential of 5 bonus points if certain criteria are met. All proposals will be ranked on the basis of their combined scores for Criteria 2 and 3 ONLY. This ranking will be used to create a “short list”. Any proposal not making the “short list” will not be considered for any further evaluation.

Step 2 may include one or more rounds of proposal discussions, oral presentations, clarifications, demonstrations, etc. focused on cost and other proposal elements. Step 2 may include additional “short lists”.

Step 3

The short-listed proposals will then be evaluated based on all the entire evaluation criteria outlined in the table above.

If the State conducts additional rounds of discussions and a BAFO round which lead to changes in either the technical or cost proposal for the short listed Respondents, their scores will be recomputed.

The section below describes the different evaluation criteria.

3.2.1 Adherence to Requirements – Pass/Fail

Respondents passing this category move to Phase 2 and proposal is evaluated for Management Assessment/Quality and Price.

The following 2 categories cannot exceed 80 points.

3.2.2 Management Assessment/Quality

45 available points

3.2.3 Price

-35 to +35 available points

Each regional cost proposal will be evaluated and measured against each of the State's regional baseline costs for this scope of work. The cost that the State is currently paying, or its best estimate will constitute the baseline cost. Cost scoring points will be assigned as follows:

- Respondents who meet the State's current baseline cost will receive zero (0) cost points.
- Respondents who propose a decrease to the State's current costs will receive positive points at the same rate as bid increasing cost.
- Respondents who propose an increase to the State's current cost will receive negative points at the same rate as bid lowering cost.
- Respondents who propose a 10% decrease to the State's current baseline cost will receive all of the available cost points.
- If multiple Respondents decrease costs below 10% of the current baseline, an additional 5

3.2.4 Buy Indiana Initiative – 5 points

Respondents qualifying as an Indiana Company as defined in Section 2.7 will receive 5 points in this category.

3.2.5 Minority (5 points) & Women's Business (5 points) Subcontractor Commitment - (10 points).

The following formula will be used to determine points to be awarded based on the MBE and WBE goals listed in Section 1.20 of this RFP. Scoring is conducted based on an assigned 10-point, plus possible 2 bonus-points, scale (MBE: Possible 5 points + 1 bonus point, WBE: Possible 5 points + 1 bonus Point). Points are assigned for respective MBE participation and WBE participation based upon the BAFO meeting or exceeding the established goals.

If the respondent's commitment percentage is less than the established MBE or WBE goal, the maximum points achieved will be awarded according to the following schedule:

%	1%	2%	3%	4%	5%	6%	7%	8%
Pts.	.625	1.25	1.875	2.5	3.125	3.75	4.375	5.0

NOTE: Fractional percentages will be rounded up or down to the nearest whole percentage. (e.g. 7.49% will be rounded down to 7% = 4.375 pts., 7.50% will be rounded up to 8% = 5.00 pts. Rounding will be calculated based on the Sub-Contract Amount, divided by the Total Bid Amount.)

If the respondent's commitment amount is greater than \$0 but the commitment percentage is rounded down to 0% for MBE or WBE participation the respondent will receive 0 points.

If the respondent's commitment amount is \$0 and thus the commitment percentage is 0% for MBE or WBE participation, a deduction of 1 point will be discounted on the respective MBE or WBE score.

The respondent with the greatest applicable VSC participation which exceeds the stated goal ("exceeds" defined herein as a commitment percentage that is equal to or greater than 9% before rounding) for the respective MBE or WBE category will be awarded 6 points (5 points plus 1 bonus point). In cases where there is a tie for the greatest applicable VSC participation and both firms exceed the goal for the respective MBE/WBE category both firms will receive 6 points.

3.2.6 Indiana Veteran Owned Small Business Subcontractor Commitment - (5 points).

The following formula will be used to determine points to be awarded based on the IVOSB goal listed in Section 1.20 of this RFP. Scoring is conducted based on an assigned 5-point, plus possible 1 bonus-point, scale. Points are assigned for IVOSB participation based upon the BAFO meeting or exceeding the established goals.

If the respondent's commitment percentage is less than the established IVOSB goal, the maximum points achieved will be awarded according to the following schedule:

%	0%	0.6%	1.2%	1.8%	2.4%	3%
Pts.	-1	1	2	3	4	5

NOTE: Fractional points will be awarded based upon a graduated scale between whole points. (e.g. a 0.3% commitment will receive .5 points and a 1.5% commitment will receive 2.5 points)

If the respondent's commitment percentage is 0% for IVOSB participation, a deduction of 1 point will be assessed.

The IVOSB prime respondent commitment will be 3%, and will receive 5 points. Any additional IVOSB subcontractor commitments will be added to the 3%.

The respondent with the greatest applicable VSC participation which exceeds the stated goal for the IVOSB category will be awarded 6 points (5 points plus 1 bonus point). In cases where there is a tie for the greatest applicable VSC participation and both firms exceed the goal for the IVOSB category both firms will receive 6 points.

3.2.7 Qualified State Agency Preference Scoring

When applicable, pursuant to Indiana Code 5-22-13, a qualified State Agency submitting a response to this RFP will be awarded preference points for Minority, Women's, and Indiana Veteran Business Enterprise equal the Respondent awarded the highest combined points awarded for such preferences in the scoring of this RFP.

The Commissioner of IDOA or their designee will, in the exercise of their sole discretion, determine which proposal(s) offer the best means of servicing the interests of the State. The exercise of this discretion will be final.
