SPECIAL INSTRUCTIONS	
VENDOR/PRINTER MUST COMPARE SPECIFICATIONS AND SAMPLE BEFORE PRINTING. IF THERE IS ANY DISCREPANCY, CONTACT THE SPECIFICATION WRITER BELOW.	
** Warrant is 8.5" x 11" pressure seal cut sheet - Z fold. Self-mailer cohesive printed on 24# Conservator FF white paper or approved alternate that is compatible with Kodak HD150 laser printer. Pressure sealed compatible with Formax FD2054 Pressure Sealer. The center or check portion of the form has iridescent printing of red, white, and blue with drop-out State Seal background, genuine watermark, SECLipse or approved functional equivalent, VOID pantograph, and 3/2 (hidden word, black, iridescent printing, PMS192 on face; black and docusafe blue on back). Must meet all Federal Reserve Bank Regulation CC, which includes the following: micro-printing, check security screen, warming band, genuine watermark, colored background, chemical sensitization, chemical protection paper, and heat sensitive ink. Black ink for the text on the warrant. The top portion of the form is for remittance information. The bottom third is for address and postage as a mailer. Face of warrant has micro-printed border lines. Form has red bleed-through (penetrating ink for numbering) consecutive document control numbers on front and back of top portion and on the face of the warrant. 2 red numbers on face, 10 digits max (includes alpha prefix). The control number is alpha-numeric that starts with constant letter "C" plus nine digits. Blue thermochromic ink security feature in endorsement area. Backer of form has dark gray laid lines security features for the top portion. Backer of form has Authorization for Direct Deposit form on the bottom. Backer of form has stub removal instruction on top portion only. The reverse side of the check portion has endorsement area and "ORIGINAL DOCUMENT" on gray screen reverse printing or approved alternate.	
*** Form has two vertical perforations, .5" from both sides for tear off, and six horizontal perforations. See construction diagram.	
**** Control document first and last number to be provided by agency after bidding and when job is granted to the vendor.	
Check <u>must</u> meet ANSI standards.	
Recycled Paper Required: <input type="checkbox"/> Yes, content % <input type="checkbox"/> No
