## *Summary of Changes*

**The following changes have been made to the following bid documents for RFP 20-015:**

- **Request for Proposals Document**

1. In Section 2.4, the original Scope of Work identified the incorrect incumbent contract number and directed interested parties to contact the State Personnel Department via public records request to obtain a copy of the incumbent contract. However, the corrected incumbent contract number has been provided in the Scope of Work section. In addition, a link to view the incumbent contract on the State's Active Contract Portal has been provided in that same section.
2. Section 1.8 has been updated to allow the submission of flash drives in addition to or in lieu of CD submissions.

**Please use updated versions of all RFP documents referenced in this addendum and disregard all previous versions.**
