Summary of Changes

The following changes have been made to the following bid documents for RFP 20-025:

- **Q&A Due Date, Section 1.7 (Page 8 of RFP Document)**

1. The original RFP document contained an incorrect due date in Section 1.7, Page 8 of the RFP document as it relates to the date by which questions are due from interested parties. All questions related to the RFP are due by 3:00PM on July 10th. However, the original RFP indicated the due date was July 17th in this section. This has been corrected to July 10th. State responses to the questions will be provided by July 17th.

Please use updated versions of all bid documents referenced in this addendum and disregard all previous versions.
