

**Indiana WIC Program  
Indiana State Department of Health**

**Frequency of Benefits Issuance**

**Policy**

Tri-monthly issuance will be the standard benefit issuance frequency. Exception to a tri-monthly issuance is appropriate for growth or weight gain issues that place the client at risk and require further CPA assessment.

**Authority**

7 CFR 246.12 (r)(5)

**Procedure**

- I. Exceptions to tri-monthly issuance are at the discretion of the CPA and may include but are not limited to clients who need follow-up for:
  - A. underweight
  - B. risk factor 134 (Failure to Thrive)
  - C. risk factor 135 (Inadequate Growth)
  - D. poor weight gain
  - E. formula tolerance or use
  - F. women with delayed bloodwork
  - G. hospital certifications
  - H. lack of prenatal care after the first trimester
