

**Indiana WIC Program  
Indiana State Department of Health**

**Physical Accommodations**

**Policy**

Clinic sites must reasonably accommodate individuals with physical impairments and disabilities. If the site is not handicap accessible alternative provisions must be established.

**Authority**

7 CFR Part 15b.18 (Existing Facilities)  
7 CFR Part 15b.19 (New Construction & Alterations)

**Procedure**

- I. The local agency must establish an alternate site in a nearby handicap accessible building.
- II. The local agency may consider allowing services to be provided to disabled individuals in their home.
- III. Notification of alternate provisions must be posted in a public location that is accessible and should include clinic contact information.
