

**Indiana WIC Program  
Indiana State Department of Health**

**Proof of Pregnancy**

**Policy**

The Indiana State WIC Program does **not** allow local agencies to require proof of pregnancy EXCEPT when information is questionable and fraud is suspected.

**Authority**

7 CFR Part 246.7 (c)(2)(ii)

**Procedures**

- I. When the client's information is questionable and fraud is suspected, agencies must allow 60 days, for the participant to provide proof of pregnancy.
  
- II. If a client does not provide proof of pregnancy within the 60 day timeframe, the local agency shall terminate the client and issue the Termination Form.
