

Report Name	Size	Narrative
Hotline County queue Decision Summary Report Daily v3.1	Small	This report uses data collected nightly. If current month was selected, report will show information for the selected month from up to date data for the month as of created date of the report. Report provided information for Central Intake Unit Recommendations and County Decision Summary.
DCS and LCPA Foster Home Availability	Small	this report uses MaGIK live data to display summaries by region and detail by resource of foster family licensed or about to be licensed resources either DCS and/or an LCPA.
Child Data Summary	Medium	this report uses MaGIK daily snapshot data. It shows aggregate info of cases and focus children by caseworker. It also has a drill through detail report showing various key information for each child in the caseworker's caseload.
Federal Monthly Caseworker Contacts Progress Report	Medium	This report uses MaGIK monthly snapshot data. This report is designed to show a running total of the federal standard for caseworker contacts for the year-to-date months within the current federal fiscal year. Please allow up to a minute for the report to load.
PI Absence Repeat Maltreatment for All Regions	Large	this report uses MaGIK monthly snapshot data. The report shows the time period, assessments during time period, victim selection, victims without recurrence within recurrence time period, and percent of absence of maltreatment.
Five Year Trend Open Cases with Historical Comparisons	Large	This report uses MaGIK monthly snapshot data to display data collected over the five year period ending in the report month selected. Included are children counts for IA, CHINS, and CC cases over a five year period by Statewide and Region and also end of the month open cases.
