**Subject:** Executive Summary – American Diving Supply and Our Capabilities

Dear Christina Garcia

American Diving Supply has proudly supported the commercial and public safety diving community since 2011. As an authorized dealer for industry-leading brands such as Interspiro, we specialize in delivering high-quality equipment tailored to meet the critical needs of commercial divers and public safety dive teams.

Our team has extensive experience working with agencies and organizations throughout the United States, ensuring they have reliable, innovative, and compliant gear to perform their vital underwater operations. From surface-supplied air systems to advanced full-face masks and underwater communication equipment, we provide solutions that prioritize safety, functionality, and durability.

Over the years, we've built trusted partnerships with numerous fire departments, law enforcement dive teams, and rescue organizations. By staying at the forefront of the diving industry, we continuously enhance our product offerings and training services to meet the evolving challenges faced by the public safety community.

We would be honored to extend our expertise to assist Indiana's dive teams and public safety agencies with their equipment needs. Please do not hesitate to reach out if we can provide more
