

Appendix W – Cost Proposal Narrative

The Respondent should provide a brief narrative (not longer than two pages) in support of each Cost Proposal item. The narrative should be focused on clarifying how the proposed prices correspond directly to the Respondent's Technical Proposal.

Geographic Solutions’ cost proposal is based on upgrading the existing Indiana Career Connect system to Version 22 of our core, proprietary Modifiable Off-the-Shelf (MOTS) software components known as *VOS Sapphire*. [REDACTED]
