Dear Mr. Cohen

As a certified WBE firm in the state of Indiana, Marucco, Stoddard, Ferenbach & Walsh, Inc DBA: MSF&W Consulting is pleased to offer its services to the implementation of a web-based Individualized Education Program (IEP), Service Plan (SP) and Individualized Learning Plan (ILP) Management System for the Indiana Department of Education in partnership with PowerSchool.

MSF&W is the ideal WBE subcontractor to support the implementation of PowerSchools' Special Program's application which will serve as a cloud-based system to support individualized learning plans for students in Indiana.

Headquartered in Springfield, Illinois, MSF&W has an 18-year history of providing technology solutions to state education agencies. Highlights of our past projects include:

- A preschool through twelfth grade education data warehouse that serves as a central repository for mission-critical business processes and reporting data in Illinois.
- A comprehensive special education tracking and reporting system, including a web-based individual education program (IEP) module, that allows school districts and the state to manage their special education program data and to meet federal and state requirements.
- Integration and modernization of the Illinois early childhood data and interfaces into the Illinois statewide student information system.

Our institutional knowledge, including decades of education experience working with special education data, solutions, and stakeholders, will enable MSF&W to make meaningful contributions to the proposed cloud-based solution. At present, MSF&W has a technical staff of 130 consultants who specialize in full-SDLC project support. The total solution bid amount provided by PowerSchool is \$25,790,468. The MSF&W WBE subcontractor percentage will be 11% over the life of the contract. The WBE subcontractor amount for the initial term (year 1) of the contract will be \$440,000.

In partnership with PowerSchool, MSF&W is ready and able to support this important project. Please feel free to contact me with any questions about MSF&W's qualifications.

We look forward to working with you.

Sincerely,

PRESIDENT
