

CERTIFICATE OF REGISTRATION

Information Security Management System
ISO/IEC 27001:2013

ClearStar Inc

A-LIGN Compliance and Security, Inc. certifies that the organization operates an Information Security Management System that conforms to the requirements of ISO/IEC 27001:2013. The scope and boundaries of the ISMS is as follows:

The protection of all information and data assets, including the processing and controlling of PII, for the delivery of ClearStar functions, services and activities – excluding Amazon Web Services, Flexential and Azure. The assets protected are physical locations and their employees, remote employees, hardcopy data, electronic data, ClearStar records, policies and procedures, software and licenses and physical IT hardware. The boundaries of the Information Security Management System and Privacy Information Management System are the physical locations, authorized mobile workers and the endpoints of the organizational network. Supporting technology includes server platforms, network devices and organizational networks within the control of ClearStar.

The statement of applicability additionally includes control objectives from the ISO 27018:2019 framework.

The statement of applicability includes control objectives from the ISO/IEC 27001:2013 and ISO 27701:2019 Annex A (Controller) and Annex B (Processor) framework.
