Re: Executive Summary
Request for Proposal 24-77504
Waste Tire Removal and Disposal Services

Blue River Environmental & Restoration, Inc. (BRER) appreciates the opportunity to submit our proposal regarding the above-referenced project.

BRER is an Indiana-based environmental remediation, industrial services, and property restoration firm that works throughout the contiguous United States. BRER is part of the HIS Management Corporation and was founded with the mission to offer clients all the advantages of a larger remediation company, but with the client focus and cost effectiveness a smaller firm can provide. BRER offers the full range of cleanup and remediation services from demolition to straightforward excavation disposal to disaster response and mitigation to the use of innovative technologies, all with the goal of providing the most cost-effective and sustainable solution for our client. Our team has performed successful project completions for consultants, owners, municipalities, and various governmental agencies.

BRER is confident that our ability to accomplish Tasks A-C will meet the State's requirements. Our experience working in this geographical region and relationship with subcontractors has positioned us as a leader in environmental services and civil construction.

Blue River Environmental and Restoration has the business status of "Active" with the Indiana Secretary of State (business ID: 201704121191094). Additional information:

- Bidder ID: 0000059467
- FEIN: 82-1218096
- Type of Business: Corporation
- NAICS: 562910

I certify that the information provided in our bid response documents is accurate and meets all general conditions.

Sincerely,
Terry Morgan, Jr (TJ), *Chief Executive Officer*
