Dear Ms. Bowen:

The Office of Minority & Women Business Development has completed its review of your firm's application for certification as a certified **Women Business Enterprise (WBE)**.

Your company is hereby certified with the City of Indianapolis in the Services trade **Project Management and Construction Equipment Brokerage Services**. This certification is issued pursuant to the City's Minority & Women Business Utilization Plan, part B.

Your certification is valid until **September 30, 2024**, and is subject to revocation if: (1) changes in ownership; managerial or operational control causes your firm to no longer qualify for the City's M/W/V/DOBE Program; or (2) if just cause is determined through established investigative procedures.

M/W/V/DOBE firms *must* inform OMWBD, in the form of an affidavit, of any changes affecting the ability of the Firm or its owners to meet the guidelines of the City's Utilization Plan with regards to ownership, control or the other certification requirements of the City Minority & Women Business Utilization Plan, part B. (Affidavits must be received within thirty (30) days of the change). Additionally, M/W/V/DOBE firms must provide, yearly, to the Office of Minority & Women Business Development a No Change Statement stating that the qualifying owner(s) continue to meet the ownership and control requirements of the City's Utilization Plan. Failure to provide a yearly Statement of Change/No Change may jeopardize your certification status.

Please ensure that your contact information is accurate and stays current. Inaccurate information limits our ability to provide outreach business opportunities. This certification is not necessarily accepted by other States or Agencies and does not verify the ability of your firm to perform the types of work you may indicate.

Please visit the Purchasing Division's website to **update** your business at: www.indy.gov/purch, or call (317) 327-4900 for further instructions.

Sincerely,

Fahad Beg

On September 13, 2010, the Governor's Commission on Supplier Diversity approved the department's effort to streamline its recertification process. Instead of conducting an onsite visit to each company seeking recertification, the department now has the discretion to waive the visit after a thorough review of the company's file and recertification documents. We have approved your recertification and it is valid through **July 31, 2025**. Please note that IDOA continues to reserve the right to conduct a site visit or phone interview at any time with certified companies.

Although your certification is valid for three years, you are required to submit an annual *Affidavit of Continued Eligibility (ACE)* form, located at www.in.gov/idoa/mwbe/files/ACE_Form.pdf. Please remember that you must notify us immediately if any changes occur. Failure to notify us of changes or to provide an ACE form annually will result in the revocation of your certification. Changes include, but are not limited to, changes in location, contact information, ownership, and control.

We encourage you to visit IDOA's procurement website, www.in.gov/idoa/2464.htm, and update your Business Registration Profile. You must review and update your profile regularly, because state purchasing agents and prime contractors may use this information to contact you for business opportunities.

While this letter serves as notification of certification, it does not serve to prove continued eligibility. Please visit <https://www.in.gov/idoa/mwbe/2743.htm> to verify your certification status. Please contact our office at (317) 232-3061 or mwbe@idoa.in.gov if you have any other questions or concerns about your letter.
