Preliminary Notice - Award Recommendation RFP 200-25-83492, Online Module Training and Web-Hosting

December 30, 2025

The Indiana Department of Administration ("IDOA"), on behalf of Indiana Utility Regulatory Commission has identified SafeMetrics LLC as the selected respondent for RFP 200-25-83492, Online Module Training and Web-Hosting.

The State will begin contract negotiations with SafeMetrics LLC in the near future. This award recommendation is conditioned upon successful finalization of a contract between the State and SafeMetrics LLC within forty-five (45) calendar days. If the State and SafeMetrics LLC fail to reach an agreement on contract terms in a timely manner the State may choose to withdraw this award recommendation and may select an alternative respondent.

Once a contract is finalized the State will issue a final Notice of Award. The protest period will begin the day after the Notice of Final Award is publicly posted. Should the State withdraw this award recommendation, further notice will be given to respondents as to next steps.

I.C. 4-13-1-19 states that "[a] bidder or an offeror does not gain a property interest in the award of a contract by the department unless the bidder or offeror is awarded the contract, and the contract is completely executed."
