This credit rating was assigned because of D&B's assessment of the company's creditworthiness. For more information, see the	
<div><div>D&B Rating Key</div><div><div>D&B Rating:--</div></div></div>	
The blank rating symbol should not be interpreted as indicating that credit should be denied. It simply means that the information available to D&B does not permit us to classify the company within our rating key and that further enquiry should be made before reaching a decision. Some reasons for using a "-" symbol include: deficit net worth, bankruptcy proceedings, insufficient payment information, or incomplete history information.

D&B CREDIT LIMIT RECOMMENDATION	
<div><div>Conservative credit Limit: 750</div><div>Aggressive credit Limit: 2,500</div><div>Risk category for this business:MODERATE</div></div>	<div><div>Risk category for this business: : MODERATE</div></div>

The Credit Limit Recommendation (CLR) is intended to serve as a directional benchmark for all businesses within the same line of business or industry, and is not calculated based on any individual business. Thus, the CLR is intended to help guide the credit limit decision, and must be balanced in combination with other elements which reflect the individual company's size, financial strength, payment history, and credit worthiness, all of which can be derived from D&B reports.

Risk is assessed using D&Bs scoring methodology and is one factor used to create the recommended limits. See Help for details.
