

Patriot Engineering

June 18, 2001

6150 E. 75<sup>th</sup> St

Indianapolis, Indiana 46250

To Whom this may concern:

Raimonde Drilling Corporation (Raimonde) is a corporation founded in 1971 in Addison, Illinois and a Women's Business Enterprise (WBE) certified through the Indiana Department of Administration (IDOA). This letter serves as acknowledgment that Raimonde is partnering with Patriot Engineering and Environmental, Inc. (Patriot) on the Douglas Road Landfill in Mishawaka, Indiana. Raimonde will be responsible for the rehabilitation/redevelopment and abandonment up to four monitoring wells as requested by the Indiana Department of Environmental Management (IDEM) project manager during the duration of the contract. Raimonde will be working with Patriot on the commencement of the Douglas Road Landfill for 24 months or until the maximum number of wells have been abandoned or redeveloped. Raimonde will perform the work for \$8,510.00, which is 3.80% of the total contract.

The WBE subcontractor amount and subcontractor percentage is only based on the initial term of the contract, unless the products and/or services are needed beyond the initial term. Any product and/or services desired after the initial term will require separate negotiations between the prime contractor and subcontractor.

This Letter of Consent hereby indicates Raimonde's willingness to carry out the responsibilities outlined by Patriot. Upon Patriot Engineering and Environmental, Inc. being awarded the Douglas Road Landfill contract, Patriot Terms and Conditions shall be sent to Raimonde.
