Douglas Landfill
Mishawaka, IN

To Whom this may concern:

This letter serves as acknowledgement that US Lawns of South Bend is partnering with Patriot Engineering and Environmental, Inc. (Patriot) on the Douglas Road Landfill in Mishawaka, Indiana. US Lawns of South Bend will be responsible for all lawn care needs including but not limited to mowing of the of the entire landfill cap/cover, landfill perimeter areas, landfill drainage ditches, entrance road and the perimeter of the wetland treatment area, perform vegetative control for the landfill cap/cover, landfill perimeter areas, landfill drainage ditches, entrance road and the perimeter of the wetland treatment area, and vegetative control and removal in and around the perimeter fence. Vegetative control could include manual removal or a chemical treatment of nuisance plants. Additionally, US Lawns will be responsible for repairing the access road by installing more number 53 gravel with powder to a depth of 4 inches and leveling the road.

\$ 950.25
US Lawns will mow/brush hog the landfill for no more than \$4,500.00, perform vegetative growth control for ~~\$900.00~~, and perform perimeter vegetative growth for no more than \$2,129.00. The access road repairs will cost no more than ~~\$27,612.00~~. Over the 2-year contract, US Lawns total is \$51,670.00 for lawn care and access road repairs, which is 32% of the total contract.

\$ 69,670.00
\$ 33,270.00 31%
The subcontractor amount and subcontractor percentage is only based on the initial term of the contract, unless the products and/or services are needed beyond the initial term. Any product and/or services desired after the initial term will require separate negotiations between the prime contractor and subcontractor.

This Letter of Consent hereby indicates Pace National's willingness to carry out the responsibilities outlined by Patriot.
