

Cost Assumptions Conditions and Constraints

*The respondent should list and describe as part of its Cost Proposal any special cost assumptions, conditions, and/or constraints relative to, or which impact, the prices presented on the Cost Schedules. It is of particular importance to describe any assumptions made by the respondent in the development of the respondent's Technical Proposal that have a material impact on price. It is in the best interest of the respondent to make explicit the assumptions, conditions, and/or constraints that underlie the values presented on the Cost Schedules. Assumptions, conditions or constraints that conflict with the RFP requirements are not acceptable. **Please compose and return this document in a PDF format, labeled as "Cost Assumptions, Conditions and Constraints".***

IHG has not made any special cost assumptions, conditions, and/or constraints relative to, or which impact, the prices presented on the Cost Schedules. IHG pricing, for all line items, is fully compliant with all specifications and requirements. All pricing presented herewith is all inclusive. IHG believes that the pricing offered presents significant value and savings to the State of Indiana and would welcome the opportunity to further discuss with the State. Thank you for your consideration.
