Cost Proposal

RFP-22-67771 - Psychiatric/Psychological Services for Medical Chart Review and Evaluation

Number of Cases Annually
75,000

Number of Cases to be completed annually	Rate per Case	Total for Cases
75,000	36	\$ 2,700,000.00

Please complete the yellow shaded cells on the cost proposal tab. The cost proposal evaluation will be based only on the rate per case. It is the intent of the State to contract with one or more vendors based upon the highest scoring responses with the most competitive rates per case, until the annual number of case load, 75,000, is met. However, the State reserves the right to award to a single respondent. The baseline per case is \$36.00.
