

Attachment G1 - Staffing Table Template  
RFP #22-68345

**Instructions:** In the below chart, please provide a detailed staffing table to clarify the breakdown in headcount by employer (i.e. both prime contractor and subcontractors), and by position, for each year (i.e. years 1 through 4) of the base contract. If multiple employers will provide the same resource, please delineate how many resources (or what percent of the total) each employer will provide in the "Notes" column (Column H). If the Respondent proposes additional staffing roles aside from the roles mentioned in Attachment C - Scope of Work, they may insert them below the pre-populated position titles. Completion of this table is required as part of your Technical Proposal response.
