To Whom it may concern:

The following is an executive summary of the willingness and ability of M Y Motorsports of Indiana, LLC to commit and perform the requirements of Solicitation RFP 24-76232.

M Y Motorsports of Indiana, LLC (MYM) is a Indiana Secretary of State registered, Indiana Veteran Owned Small Business with its principal location in Columbus, IN. MYM is a Motorcycle rider education company first established in 2015 as an LLP and subsequently formed as a LLC in 2017, with the goal of increasing the safety of both riders and motorists alike. MYM sells a service and does not sell a product, allowing them to concentrate all efforts to the goal of increasing rider knowledge and safety. Added, M Y Motorsports of Indiana, LLC has successfully completed multiple Indiana State contracts for like services since its inception.

The owners have been teaching motorcycle safety and each have had their Motorcycle Safety Foundation, RiderCoach Certification for over 10 years. Further, the owners have both been trained as Motorcycle Safety Foundation (MSF) RiderCoach Trainers and are both current, active RiderCoaches. This knowledge allows the company to select the best coaches available and to dedicate time to increasing the coaching abilities of their coaches.

M Y Motorsports of Indiana, LLC currently operates three facilities inclusive of five MSF ranges. In 2024 the intent is to add an additional three facilities to mix and reduce costs to the student to allow more, and financially struggling, students to participate in the training and become safer motorcycle enthusiasts. Our goal is to provide the best training and the best price in Indiana.

Finally, this summary also serves as a certification that the attached proposal meets all general conditions including the information requested in Section 2.3.4 of the Request for Proposal 24-76232.

If there are further questions or any further requirements, please contact the undersigned at the email or phone listed above.
