

Motorcycle Rider Training of Indiana is a group of MSF certified coaches who specialize in instructing motorcycle safety. We have worked with Ride Safe Indiana which is the State of Indiana's approved motorcycle safety program within the Bureau of Motor Vehicles since and the Motorcycle Safety Foundation since 2014.

The mission of our curriculum is to make motorcycling safer and more enjoyable by ensuring access to lifelong quality education and training for current and prospective riders, and by advocating a safer riding environment.

Paired with a team of rider coaches of a multitude of backgrounds, we pride ourselves in preparing individuals for the open road.

We look forward to our continued relationship with RSI as we build a better future of riders.

Kind Regards,
