Teresa Deaton-Reese:

I am pleased to write a letter supporting the bidding proposal submitted by Project.ME FW, Inc. for Request for Services #25-80876 in Solicitation for Regional Recovery Hubs.

As Director of Operations of the Allen County Drug & Alcohol Consortium, I have had the privilege to work alongside Project.ME FW, Inc. on mutual committees, trainings, and referrals for those in need of their services. Project.ME provides to the community a wealth of information and resources that are immeasurable. We greatly value and appreciate the commitment to care that is provided by Project.ME, and Allen County is incredibly fortunate to have them as a resource. They are an incredible asset to any community. I recognize Project.ME FW, Inc. as a pillar of support throughout the communities we collaboratively serve.

The Project.ME FW, Inc. team promotes and advocates for harm reduction and person-centered care and offers various recovery-focused activities that are delivered through certified peers. These efforts eliminate stigma and support individuals across the entire spectrum of substance use and recovery.

I fully endorse Project.ME FW, Inc.'s proposal and mission to expand the inclusive programs and services from their current hub region, to include all counties included within region 10.

Sincerely,

Tanya McKinney
DAC Director of Operations
