

Pathways to Recovery

Policy: Safe Haven encourages, accepts, and offers access to all pathways of recovery, regardless of personal belief or preference.

Procedure:

- Safe Haven REC offers and accepts all pathways of recovery.
- 12 step/faith based: Safe Haven offers lists of meetings in the area that are 12 step or faith based.
- Recovery Coaching: Safe Haven offers coaching for free to the community
- Inpatient or outpatient therapy based: Safe Haven offers lists of all treatment centers available and assist with securing a bed if needed
- Medication Assisted: Safe Haven offers referrals to local providers offering buprenorphine or naltrexone treatment as well as connection to the closest methadone clinics
- Safe Haven accepts harm reduction pathways by offering assistance in removing barriers for participants even if they are still using substances and offering naloxone and fentanyl test strips for free.
- Safe Haven accepts any other pathway that may come up that is not mentioned.
