To Whom it may concern,

Connection Cafe aims to serve as the HUB for the Region #8 for DMHA. Our ability to connect and support individuals with resources recognizing all pathways of recovery and in collaboration with community partners is model for community-based peer support. We will continue to showcase our commitment to mental health and wellness in our region. Connection Cafe desires to continue to empower individuals seeking help and by contracting within communities by leveraging local partnerships, Connection Cafe can effectively address unique needs of each one of our communities within region #8
