REPORT OF INDEPENDENT AUDITORS

Board of Directors
Adult & Child Mental Health Center, Inc.
d/b/a Adult & Child Health
Indianapolis, Indiana

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of Adult & Child Mental Health Center, Inc. d/b/a Adult & Child Health and its subsidiary (the Corporation), which comprise the consolidated statements of financial position as of June 30, 2021 and 2020, and the related consolidated statements of activities and changes in net assets, functional expenses and cash flows for the years then ended, and the related notes to the consolidated financial statements.

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and *the Uniform Compliance Guidelines for Examination of Entities Receiving Financial Assistance from Governmental Sources*, issued by the Indiana State Board of Accounts. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

Adult & Child Mental Health Center, Inc.
d/b/a Adult & Child Health
Indianapolis, Indiana

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Corporation's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Corporation's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of the Corporation as of June 30, 2021 and 2020, and its changes in net assets and cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative requirements, Cost Principles, and Audit Requirements for Federal Awards*, and the accompanying schedule of expenditures of state and local awards are presented for purposes of additional analysis and are not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audits of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the consolidated financial statements as a whole.

Adult & Child Mental Health Center, Inc.
d/b/a Adult & Child Health
Indianapolis, Indiana

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated November 29, 2021 on our consideration of the Corporation's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Corporation's internal control over financial reporting and compliance.

ADULT & CHILD MENTAL HEALTH CENTER, INC.
D/B/A ADULT & CHILD HEALTH

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
JUNE 30, 2021 AND 2020

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization

Adult & Child Mental Health Center, Inc. d/b/a Adult & Child Health (the Corporation) was incorporated in accordance with the Indiana Not-For-Profit Act of 1971. The Corporation's primary objective is to provide a comprehensive network of preventative, diagnostic, therapeutic and rehabilitative mental health services.

Adult & Child Residential Properties, LLC (Adult & Child Residential) is a wholly owned subsidiary of Adult & Child Health incorporated on November 13, 2015. Adult & Child Residential provides residential housing services.

Principles of Consolidation

The consolidated financial statements include the accounts of the Corporation and Adult & Child Residential. Any intercompany balances and activity have been eliminated in consolidation as of and for the years ended June 30, 2021 and 2020. These consolidated entities are collectively referred to as the Corporation.

Adult & Child Residential is the .0075% general partner of Ellis Apartments, L.P. and Helen Louise Apartments, L.P., and the .5% general partner of Priscilla Apartments, L.P. (collectively referred to as "the L.P.s"). The L.P.s were formed to construct and operate housing unit complexes to provide rental housing for low-income individuals. The limited partners, with ownership ranging from 99% to 99.99% in each L.P., maintain substantive participation rights in the L.P.s. Therefore, the activities of the L.P.s are not consolidated with Adult & Child Residential and ultimately not consolidated with the Corporation.

Use of Estimates

The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the consolidated financial statements. Estimates also affect the reported amounts of revenues and expenses during the reporting period. Areas where significant estimates that are sensitive to change in the near term are used in the accompanying consolidated financial statements include allowance for uncollectible accounts, derivative asset/liability, estimated third party settlements and contractual adjustments, and self-funded medical claims incurred but unpaid. Actual results could differ from those estimates.

ADULT & CHILD MENTAL HEALTH CENTER, INC.
D/B/A ADULT & CHILD HEALTH

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
JUNE 30, 2021 AND 2020

Cash and Cash Equivalents

The Corporation considers highly liquid investments available for operating purposes with an original maturity of 90 days or less to be cash and cash equivalents. The Corporation maintains its cash in bank deposit accounts, which, at times may exceed federally insured limits. The Corporation has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on cash and cash equivalents.

Investments and Investment Income

Investments consist of cash and mutual funds. Investments are generally reported at fair value.

Investment return, net includes interest, dividends, investment expenses, and realized gains (losses) and is reported as non-operating gains in the consolidated statements of activities and changes in net assets. Dividends are recorded in the ex-dividend date. Investment return, net is recorded on the accrual basis. Changes in the fair value of investments are reported as a separate line item below the operating indicator in the consolidated statements of activities and changes in net assets.

Patient Accounts Receivable

Patient accounts receivable are recorded at the net realizable value based on certain assumptions determined by each payor. For third-party payors including Medicare, Medicaid, commercial and managed care, the net realizable value is based on the estimated contractual reimbursement percentage, which is based on current contract prices or historical paid claims data by payor. For self-pay accounts receivable, which includes patients who are uninsured and the patient responsibility portion for patients with insurance, the net realizable value is determined using estimates of historical collection experience without regard to aging category. These estimates are adjusted for estimated conversions of patient responsibility portions, expected recoveries and any anticipated changes in trends.

Patient accounts receivable can be impacted by the effectiveness of Corporation's collection efforts. Additionally, significant changes in payor mix, business office operations, economic conditions, or trends in federal and state governmental healthcare coverage could affect the net realizable value of accounts receivable. The Corporation also continually reviews the net realizable value of accounts receivable by monitoring historical cash collections as a percentage of trailing net operating revenues, as well as by analyzing current period net revenue and admissions by payor classification, aged accounts receivable by payor, days revenue outstanding, the composition of self-pay receivables between pure self-pay patients and the patient responsibility portion of third-party insured receivables. Revenue under third-party agreements is subject to audit and retroactive adjustment. The ultimate legal and financial liability of Corporation with respect to future audits by third-party payors cannot be estimated with any certainty. The net patient accounts receivable as of July 1, 2019 approximated \$2,951,000.

ADULT & CHILD MENTAL HEALTH CENTER, INC.
D/B/A ADULT & CHILD HEALTH

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
JUNE 30, 2021 AND 2020

Given the current regulatory and reimbursement environment, there can be no assurances that adequate reimbursement levels will continue to be available for the services provided by the Corporation. Significant limits on the scope of services reimbursed and on reimbursement rates and fees could have a material adverse effect on the Corporation's liquidity, financial position, results of operations and cash flows.

Patient Service Revenue

Patient service revenue is reported at the amount that reflects the consideration to which the Corporation expects to be entitled in exchange for providing patient care. These amounts are due from patients, third-party payors (including health insurers and government payors), and others and includes variable consideration for retroactive revenue adjustments due to settlement of audits, reviews, and investigations. Generally, the Corporation bills the patients and third-party payors several days after the services are performed. Revenue is recognized as the performance obligations are satisfied.

Performance obligations are determined based on the nature of the services provided by the Corporation. Revenue for performance obligations satisfied over time is recognized based on actual charges incurred in relation to total expected (or actual) charges. The Corporation believes that this method provides a faithful depiction of the transfer of services over the term of the performance obligation based on the inputs needed to satisfy the obligation. Generally, performance obligations satisfied over time relate to patients receiving services in outpatient centers or other locations. The Corporation measures the performance obligation from the commencement of an outpatient service, to the point when it is no longer required to provide services to that patient, which is generally at the time completion of the outpatient services. The method of reimbursement for the Corporation is fee for service. The timing of revenue and recognition for healthcare services is transferred over time.

The Corporation determines the transaction price based on standard charges for goods and services provided, reduced by contractual adjustments provided to third-party payors, discounts provided to uninsured patients in accordance with the Corporation's policy, or implied price concessions provided to uninsured patients. The Corporation determines its estimates of contractual adjustments and discounts based on contractual agreements, its discount policies, and historical experience. The Corporation determines its estimate of implied price concessions based on its historical collection experience with this class of patients.

ADULT & CHILD MENTAL HEALTH CENTER, INC.
D/B/A ADULT & CHILD HEALTH

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
JUNE 30, 2021 AND 2020

Agreements with third-party payors provide for payments at amounts less than established charges. A summary of the payment arrangements with major third-party payors follows:

- Medicare - Certain services are paid based on cost reimbursement methodologies subject to certain limits. Outpatient services are paid using prospectively determined rates.
- Medicaid and Medicaid Rehabilitation Option (MRO) - Reimbursements for Medicaid services are generally paid at prospectively determined rates per occasion of service or per covered member.
- Other - Payment agreements with certain commercial insurance carriers, health maintenance organizations, and preferred provider organizations provide for payment using prospectively determined rates per discounts from established charges and prospectively determined daily rates.

Laws and regulations governing the Medicare and Medicaid programs are extremely complex and subject to interpretation. As a result of investigations by governmental agencies, various health care entities have received requests for information and notices regarding alleged noncompliance with those laws and regulations, which, in some instances, have resulted in providers entering into significant settlement agreements. Compliance with such laws and regulations may also be subject to future government review and interpretation as well as significant regulatory action, including fines, penalties, and potential exclusion from the related programs. There can be no assurance that regulatory authorities will not challenge the Corporation's compliance with these laws and regulations, and it is not possible to determine the impact (if any) such claims or penalties would have upon the Corporation. In addition, the contracts the Corporation has with commercial payors also provide for retroactive audit and review of claims.

Settlements with third-party payors for retroactive revenue adjustments due to audits, reviews or investigations are considered variable consideration and are included in the determination of the estimated transaction price for providing patient care. These settlements are estimated based on the terms of the payment agreement with the payor, correspondence from the payor and the Corporation's historical settlement activity, including an assessment to ensure that it is probable that a significant reversal in the amount of cumulative revenue recognized will not occur when the uncertainty associated with the retroactive adjustment is subsequently resolved. Estimated settlements are adjusted in future periods as adjustments become known (that is, new information becomes available), or as years are settled or are no longer subject to such audits, reviews, and investigations.

ADULT & CHILD MENTAL HEALTH CENTER, INC.
D/B/A ADULT & CHILD HEALTH

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
JUNE 30, 2021 AND 2020

Consistent with the Corporation's mission, care is provided to patients regardless of their ability to pay. Therefore, the Corporation has determined it has provided implied price concessions to uninsured patients and other uninsured balances (for example, copays and deductibles). The implied price concessions included in estimating the transaction price represents the difference between amounts billed to patients and the amounts the Corporation expects to collect based on its collection history with those patients. Patients who meet the Corporation's criteria for charity care are provided care without charge or at amounts less than established rates. Such amounts determined to qualify as charity care are not reported as revenue.

Generally, patients who are covered by third-party payors are responsible for related deductibles and coinsurance, which vary in amount. The Corporation also provides services to uninsured patients and offers those uninsured patients a discount, either by policy or law, from standard charges. The Corporation estimates the transaction price for patients with deductibles and coinsurance and from those who are uninsured based on historical experience and current market conditions. The initial estimate of the transaction price is determined by reducing the standard charge by any contractual adjustments, discounts, and implied price concessions based on historical collection experience. Subsequent changes to the estimate of the transaction price are generally recorded as adjustments to patient service revenue in the period of the change. Subsequent changes that are determined to be the result of an adverse change in the patient's ability to pay are recorded as bad debt expense.

The Corporation has determined that the nature, amount, timing, and uncertainty of revenue and cash flows are affected by the following factors:

- Payors (for example, Medicare, Medicaid, managed care, or other insurance, patient) have different reimbursement and payment methodologies
- Length of patient's service or episode of care
- Geography of the service location
- Method of reimbursement (fee for service or capitation)
- The Corporation's line of business that provided the service (for example, crisis intervention, outpatient counseling, substance abuse programs, consultative services, and so on)

For 2021 and 2020, all of the Corporation's revenues were from goods and services that transfer to the patient over time.

Public Support

The Corporation receives revenue from cost-reimbursable federal and state contracts and grants, which are conditioned upon certain performance requirements and/or the incurrence of allowable qualifying expenses regarding the service programs mentioned above. The Corporation considers these revenues as non-exchange transactions. Receipt of these funds is subject to the fulfillment of certain obligations by the Corporation as prescribed by these programs and funds may be subject to repayment upon a determination of noncompliance made by a funding agency.

ADULT & CHILD MENTAL HEALTH CENTER, INC.
D/B/A ADULT & CHILD HEALTH

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
JUNE 30, 2021 AND 2020

Indiana state law stipulates that the counties served by comprehensive community mental health centers provide the centers a minimum designated amount per the county assessed value growth quotient determined by Department of Local Government Finance. Tax receipts are designated to be remitted to the centers by June and December of each year. The Corporation recognizes the county tax receipts as income in the period the funds are due from the counties. Accordingly, amounts are recorded as county property tax receivable or deferred revenue in the consolidated statements of financial position based upon the timing of the actual receipts.

The Corporation has a contract with the State of Indiana Division of Mental Health and Addiction (the Division) to provide community mental health services. The Division has a case rate reimbursement system. Under this program, the Corporation is paid a specific dollar amount for each client enrolled up to a fixed number of eligible clients not already enrolled in another state program.

The Corporation derives a significant portion of its revenue from third-party payors and federal and state funding programs. The receipt of future revenues by the Corporation is subject to among other factors, Federal and state policies affecting the health care industry, economic conditions that may include an inability to control expenses in periods of inflation, increased competition, market pressures on premium rates and other conditions, which are impossible to predict.

Under Indiana State law, the Corporation received approximately \$2,775,000 and \$2,243,000 for the years ended June 30, 2021 and 2020, respectively, as designated amounts per the assessed value of taxable property from Marion and Johnson counties. Approximately \$77,000 is recorded within other receivables as of June 30, 2021.

Other Receivables

Other receivables consist of public support receivables, which includes federal, state, and local funding programs. The receivables are stated at net realizable value and are classified as current as they are expected to be realized during the next fiscal year. Receipt of these funds is subject to the fulfillment of certain obligations by the Corporation as prescribed by these programs and funds may be subject to repayment upon determination of noncompliance made by a funding agency. Amounts received prior to incurring qualifying expenditures are reported as refundable advances in the consolidated statement of financial position. The Corporation did not have refundable advances as of June 30, 2021 and 2020.

Charity Care

The Corporation provides care to patients who meet certain criteria under its charity care policy without charge or at amounts less than its established rates. Because the Corporation does not pursue collection of amounts deemed to be charity care, they are not reported as revenue. Amounts recognized as charity care as of June 30, 2021 and 2020 are approximately \$139,000 and \$147,000, respectively.

ADULT & CHILD MENTAL HEALTH CENTER, INC.
D/B/A ADULT & CHILD HEALTH

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
JUNE 30, 2021 AND 2020

Of the Corporation's total operating expense reported, an estimated cost of \$132,000 and \$133,000 arose from providing services to charity patients during the years ended June 30, 2021 and 2020, respectively.

The estimated costs of providing charity services are based on a calculation which applies a ratio of costs to charges to the gross uncompensated charges associated with providing care to charity patients. The ratio of cost to charges is calculated based on the Corporation's total expenses divided by gross patient service revenue.

Property and Equipment and Depreciation

Property and equipment are stated at cost, or if donated, at fair market value at the date of donation, and include expenditures for new additions and repairs which substantially increase the useful lives of existing property and equipment. Maintenance, repairs, and minor renewals are expensed as incurred. When properties are retired or otherwise disposed of, the related cost and accumulated depreciation are removed from the accounts and any resulting gain or loss for the period is recognized.

Depreciation is provided over the estimated useful life of each class of depreciable asset ranging from 3 to 30 years and is computed using the straight-line method. The Corporation has a capitalization policy that states that all purchased property, buildings, and equipment in excess of \$2,500 are to be capitalized and depreciated.

Deferred Compensation

The Corporation has a 457(b) eligible deferred compensation plan eligible for a select group of management. Contributions to this plan are made up of elected employee payroll withholdings. Withholdings are automatically fully vested.

Estimated Third Party Settlements

Estimated third party settlements for Medicare, Medicaid, MRO, grants and other programs reflect the difference between interim reimbursement and reimbursement as determined by contractual agreements and third party audits. Estimated third party liabilities for these programs reflect any estimated year-end contract settlements.

ADULT & CHILD MENTAL HEALTH CENTER, INC.
D/B/A ADULT & CHILD HEALTH

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
JUNE 30, 2021 AND 2020

Medicaid Funds Recovery

The Corporation participates in the Medicaid Funds Recovery Program. Funding for the Medicaid Funds Recovery Program is available through the Medicaid Program for certain administrative activities. Funding under the Medicaid Funds Recovery Program is available only to those providers who are certified as Managed Care Providers or Community Mental Health Centers by the Division of Mental Health and Addiction as it relates to mental health services in the State of Indiana. Revenues are reported as mental health funds recovery in the consolidated statements of activities and changes in net assets.

Contributions

Unconditional promises to give cash and other assets to the Corporation are reported at fair value at the date the promise is received. Conditional promises to give and indications of intentions to give are reported at fair value at the date the gift is received. The gifts are reported as with donor restrictions if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, with donor restricted net assets are reclassified as without donor restricted net assets and reported in the consolidated statements of activities and changes in net assets as net assets released from restrictions. Donor-restricted contributions whose restrictions are met within the same year as received are included in nonoperating gains (losses) in the accompanying consolidated financial statements. The Corporation also evaluates whether a contribution is unconditional or conditional based on the absence or presence of barriers and any right of return provisions.

Contract Revenue

The Corporation recognizes revenue for services provided to other companies who desire to either lease certified behavioral health professionals employed by the Corporation or contract with the Corporation to oversee its behavioral health program.

Performance obligations are determined based on the nature of the services provided by the Corporation. Revenue for performance obligations satisfied over time is recognized based on actual charges incurred in relation to total expected (or actual) charges. The Corporation believes that this method provides a faithful depiction of the transfer of services over the term of the performance obligation based on the inputs needed to satisfy the obligation. The Corporation measures the performance obligation from the commencement of the contracted service, to the point when it is no longer required to provide services to the companies, which is generally at the time completion of the underlying contracted service. The method of reimbursement for the Corporation is fee for service. The timing of revenue and recognition for healthcare services is transferred over time.

ADULT & CHILD MENTAL HEALTH CENTER, INC.
D/B/A ADULT & CHILD HEALTH

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
JUNE 30, 2021 AND 2020

Because all of its performance obligations relate to contracts with a duration of less than one year, the Corporation has elected to apply the optional exemption provided in the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 606-10-50-14a and, therefore, is not required to disclose the aggregate amount of the transaction price allocated to performance obligations that are unsatisfied or partially unsatisfied at the end of the reporting period.

The Corporation determines the transaction price based on standard charges for goods and services provided.

340B Pharmacy Revenue

The Corporation is a participant in the 340B Drug Discount Program (the Program) which enables qualifying health care providers to purchase drugs from pharmaceutical suppliers at a substantial discount. The Program is managed by the Health Resource and Services Administration Office of Pharmacy Affairs. The Corporation earns revenue under the Program through a network of participating pharmacies that dispense the pharmaceuticals to its patients under a contractual arrangement with the Corporation. As the Corporation is considered an agent in the Program, the expenses related to the Program including drug costs, dispensing and other administrative fees are netted in revenue for financial reporting. During 2021 and 2020, the Corporation recognized net revenue related to the Program of approximately \$2,330,000 and \$2,603,000, respectively, reflected in the consolidated statements of activities and changes in net assets, which included related expenses of approximately \$2,277,000 and \$2,899,000, respectively.

Operating Indicator and Performance Indicator

The consolidated statements of activities and changes in net assets include a performance indicator, excess of revenues over expenses. Consistent with industry practice, the performance indicator does not include certain changes in net assets without donor restrictions such as unrealized gains (losses) on investments on other than trading securities, contributions of long-lived assets, and certain other items. The consolidated statements of activities and changes in net assets also include an operating indicator, operating income, which excludes investment return, net, gains (losses) on disposals of property and equipment, and unrealized gain (loss) on derivatives, net.

ADULT & CHILD MENTAL HEALTH CENTER, INC.
D/B/A ADULT & CHILD HEALTH

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
JUNE 30, 2021 AND 2020

Functional Allocation of Expenses

The Corporation provides a full range of services to individuals with behavioral and primary healthcare needs. The costs of providing various programs and support activities have been summarized on functional basis in the consolidated statement of functional expenses. Salaries and wages and employee benefits are allocated based upon time spent by the Corporation's personnel. Other expenses including depreciation, insurance, rental, repairs and maintenance, utilities, interest, and other expenses have been allocated among program services and general and administrative expenses based on estimates of square footage utilized. Purchased services, mileage, supplies, and professional fees are allocated based on actual direct expenditures and cost allocations. Allocations have been applied to all functional categories for the consolidated statement of functional expenses for the year ended June 30, 2021 and 2020. Although the methods used were appropriate, alternative methods may provide different results.

Income Taxes

The Corporation is organized as a not-for-profit corporation under Section 501(c) (3) of the United States Internal Revenue Code. As such, the Corporation is generally exempt from income taxes. However, the Corporation is required to file Federal Form 990 – Return of Organization Exempt from Income Tax which is an informational return only.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Corporation and recognize a tax liability if the Corporation has taken an uncertain position that more likely than not would not be sustained upon examination by various federal and state taxing authorities. Management has analyzed the tax positions taken by the Corporation, and has concluded that as of June 30, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the accompanying consolidated financial statements. The Corporation is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

The Corporation filed its federal and state income tax returns for periods through June 30, 2020. These income tax returns are generally open to examination by the relevant taxing authorities for a period of three years from the later of the date the return was filed or its due date (including approved extensions).

Adult & Child Residential is a limited liability company with the Corporation serving as the sole member and is regarded as a pass-through entity.

ADULT & CHILD MENTAL HEALTH CENTER, INC.
D/B/A ADULT & CHILD HEALTH

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
JUNE 30, 2021 AND 2020

Going Concern Evaluation

Management evaluates whether there are conditions or events that raise substantial doubt about the Corporation's ability to continue as a going concern for a period of one year from the date the consolidated financial statements were available to be issued.

Reclassification

Certain balances were reclassified to conform to the current year presentation. The reclassifications have no impact on previously reported net assets or changes in net assets.

Subsequent Events

The Corporation has evaluated events or transactions occurring subsequent to the financial position date for recognition and disclosure in the accompanying consolidated financial statements through the date the consolidated financial statements were available to be issued, which is November 29, 2021.

Recently Issued Accounting Standards

In February 2016, the FASB issued Accounting Standards Update (ASU) No. 2016-02, *Leases (Topic 842)*. The Corporation is not required to adopt this ASU until its fiscal year ending June 30, 2023. The ASU is intended to improve financial reporting about leasing transactions by requiring entities that lease assets to recognize on their balance sheet the assets and liabilities for the rights and obligations created by those leases, and to provide additional disclosures regarding the leases. Leases with terms (as defined in the ASU) of twelve months or less are not required to be reflected on an entity's balance sheet.

In September 2020, the FASB issued ASU No. 2020-07 *Not-for-Profit Entities (Topic 958): Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets*. This standard is intended to increase transparency around contributed nonfinancial assets (also known as "gifts-in-kind") received by not-for-profit (NFP) organizations, including information on how those assets are used and how they are valued. This standard requires that an NFP present contributed nonfinancial assets as a separate line item in the consolidated statement of activities and changes in net assets, apart from contributions of cash or other financial assets. In addition, there are expanded disclosure requirements. The Corporation will be required to adopt this new standard in its year ending June 30, 2022.

The Corporation is presently evaluating the effects that these ASUs will have on its future financial statements, including related disclosures.

ADULT & CHILD MENTAL HEALTH CENTER, INC.
D/B/A ADULT & CHILD HEALTH

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
JUNE 30, 2021 AND 2020

2. INVESTMENTS

The fair value of investments are as follows:

	2021	2020
Cash	\$ 8,085	\$ 13,218
Mutual funds	360,459	285,286
Total investments	<u>\$ 368,544</u>	<u>\$ 298,504</u>

3. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are described as follows:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Corporation has the ability to access.
- Level 2: Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of June 30, 2021 and 2020.

ADULT & CHILD MENTAL HEALTH CENTER, INC.
D/B/A ADULT & CHILD HEALTH

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
JUNE 30, 2021 AND 2020

- *Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Corporation are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and transact at that price. The mutual funds held by the Corporation are deemed to be actively traded.
- *Interest accumulation fund:* Valued at fair value by the insurance company by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the creditworthiness of the issuer. Since the funds transact at contract value, fair value is determined annually for financial statement reporting purposes only.

Certain unobservable inputs are assessed through review of contract terms (for example, duration or payout date) while others are substantiated utilizing available market data (for example, swap curve rate).

- *Interest rate swap agreements:* Valued using bid and ask prices that can be observed. Bid prices reflect the highest price that a party is willing to pay for an asset or liability. Ask prices represent the lowest price that a party is willing to accept for an asset or liability. For interest rate swaps whose inputs are based on a bid-ask range, the Corporation's accounting policy allows for the use of the price within the bid-ask spread as the most representative of fair value, or the mid-market pricing as an alternative practical expedient for fair value measurements within a bid-ask spread.

ADULT & CHILD MENTAL HEALTH CENTER, INC.
D/B/A ADULT & CHILD HEALTH

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
JUNE 30, 2021 AND 2020

ADULT & CHILD MENTAL HEALTH CENTER, INC.
D/B/A ADULT & CHILD HEALTH

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
JUNE 30, 2021 AND 2020

The Corporation holds investments which are exposed to various risks such as interest rate, market, and credit. Due to the level of risk associated with these securities and the level of uncertainty related to changes in the value, it is at least reasonably possible that changes in the various risk factors will occur in the near term that could materially affect the amounts reported in the accompanying consolidated financial statements.

4. PROPERTY AND EQUIPMENT

A summary of property and equipment as of June 30, 2021 and 2020 follows:

	2021	2020
Land	\$ 3,021,492	\$ 2,999,553
Land improvements	165,016	165,016
Buildings and improvements	19,611,903	19,397,680
Equipment	9,485,655	9,306,810
Construction in progress	1,648,443	14,121
	<u>33,932,509</u>	<u>31,883,180</u>
Less accumulated depreciation	18,239,174	16,979,773
Property and equipment, net	<u>\$ 15,693,335</u>	<u>\$ 14,903,407</u>

There were construction commitments related to an electronic health record of approximately \$794,000 as of June 30, 2021.

5. NOTES RECEIVABLE AND OTHER ASSETS

The Corporation received an Affordable Housing Program (AHP) grant from the Federal Home Loan Bank in the original amount of \$400,000 and recorded a note payable. At the end of a 15-year compliance period and upon the satisfaction of the grant regulations, this amount will be reclassified to grant revenue on the consolidated statements of activities and changes in net assets of the Corporation. See Note 6 for the related long-term debt.

The AHP grant funds were subsequently transferred to Ellis Apartments, L.P. as a note receivable, in order to fund a portion of the low income housing project construction costs. No interest accrues during this period. Interest for the other receivables (approximately .5%) is accrued with payments of accrued interest and the balloon payment of the entire principal balance due at the end of the established term of the loans. The loan is due 25 years from issue, maturing in 2043.

ADULT & CHILD MENTAL HEALTH CENTER, INC.
D/B/A ADULT & CHILD HEALTH

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
JUNE 30, 2021 AND 2020

Included in notes receivable and other assets are two additional notes receivable initiated for continuity of the L.P.'s residential facility service line. These notes exist as a result of the Corporation selling land and buildings to the L.P.s at net book value during 2018. Interest for the notes receivable (approximately 5%) is accrued with payments of accrued interest and the balloon payment of the entire principal balance due at the end of the established term of the loans. The loans are due 25 years from issue maturing in 2043. Although the Corporation anticipates repayment of the notes once the L.P.s obtain permanent financing, the timing is unknown and the notes are classified as long-term in the consolidated statements of financial position.

As of June 30, 2021 and 2020, notes receivable and other assets consisted of the following:

	Ellis Apartments, L.P.	Helen Louise Apartments, L.P.	The Corporation	Totals
AHP	\$ 400,000	\$ -0-	\$ -0-	\$ 400,000
Notes receivable	386,000	760,000	-0-	1,146,000
Other assets	-0-	-0-	120,000	120,000
Total	<u>\$ 786,000</u>	<u>\$ 760,000</u>	<u>\$ 120,000</u>	<u>\$ 1,666,000</u>

ADULT & CHILD MENTAL HEALTH CENTER, INC.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
JUNE 30, 2021 AND 2020

6. LONG-TERM DEBT

The following is a summary of long-term debt for the Corporation as of June 30, 2021 and 2020:

	2021	2020
Note payable to bank dated August 25, 2020 due August 25, 2025, with monthly payments of \$12,037 including principal and variable interest of 3.64% as of June 30, 2021. Interest is determined by 3.28% + Treasury Rate Index of .36% at June 30, 2021. Secured by real property with a net book value of approximately \$1,393,000 and \$1,477,000 as of June 30, 2021 and 2020, respectively. A balloon payment is required at maturity of approximately \$671,000.	\$ 1,122,840	\$ 1,235,864
Note payable to Federal Home Loan Bank Affordable Housing Program (AHP) for \$400,000. Due in full in 2043; noninterest bearing.	400,000	400,000
Indiana Finance Authority Health Facilities Revenue Bonds Series 2016 dated February 25, 2016, maturing to mandatory redemption through September 2036, with monthly principal payments of \$28,479 and effective interest rate of 2.61% as of June 30, 2021. Secured by real property with a net book value of approximately \$6,061,000 and \$6,170,000 as of June 30, 2021 and 2020, respectively. Bonds were paid off subsequent to June 30, 2021.	5,211,687	5,553,437
Capital lease obligation in monthly installments of \$10,083 through September 2023	41,281	78,048
Total long-term debt	6,775,808	7,267,349
Less current portion	482,474	458,775
Long-term debt, net of current portion	\$ 6,293,334	\$ 6,808,574

During fiscal year 2016, the Corporation issued Indiana Finance Authority Revenue Bonds Series 2016 (Series 2016 bonds) in the amount of \$6,835,000, which were fully drawn as of June 30, 2017. These funds were used to purchase buildings. Principal payments on the Series 2016 bonds commenced October 2016, and would have continued monthly until September 2036. The variable interest rate on bonds was calculated using the 1 month US Dollar (USD) London Inter Bank Offered Rate (LIBOR) interest rate, plus 2%, times a .7 multiplier. These series 2016 bonds were paid off subsequent to June 30, 2021.

ADULT & CHILD MENTAL HEALTH CENTER, INC.
D/B/A ADULT & CHILD HEALTH

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
JUNE 30, 2021 AND 2020

The AHP notes are expected to be forgiven as long as the property remains in compliance with the guideline of Internal Revenue Code Section 42 for the entire fifteen year compliance period. However, the Corporation shall repay that portion of the notes that as a result of the Corporation's actions or omissions, is not used in compliance with the terms of the application or the requirements of the AHP regulations, unless such non-compliance is cured by the Corporation within a reasonable period of time or the circumstances of such non-compliance are eliminated through a modification of the application, as approved in writing by the Federal Home Loan Bank of Indianapolis, pursuant to AHP regulations.

The Corporation had entered into an interest swap agreement related to the 2016 Series bonds (Note 7).

There were no covenants in place the date these consolidated financial states were to be issued as First Financial Bank's first measurement period is December 31, 2021, and the Series 2016 bonds were refinanced as of issuance date indicated by Note 17. The Series 2016 bonds were subject to various financial and negative loan covenants as of June 30, 2020, and management believes the Corporation was in violation of one covenant at June 30, 2020. A waiver was obtained by the bank prior to the issuance of the June 30, 2020 consolidated financial statement audit.

Aggregate future maturities of long-term debt for the years ending June 30 are listed below. These maturities include the subsequent refinancing disclosed in Note 17.

Year Ending June 30,	
2022	\$ 436,403
2023	508,976
2024	416,105
2025	1,107,954
2026	321,540
Thereafter	3,868,252
	<u>\$ 6,659,230</u>

Cost and accumulated depreciation of the assets under capital lease as of June 30, 2021 and 2020, are as follows:

	2021	2020
Cost	\$ 388,397	\$ 388,397
Less accumulated depreciation	267,867	262,079
	<u>\$ 120,530</u>	<u>\$ 126,318</u>

ADULT & CHILD MENTAL HEALTH CENTER, INC.
D/B/A ADULT & CHILD HEALTH

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
JUNE 30, 2021 AND 2020

The following is a schedule by year of future minimum lease payments under capital leases as of June 30, 2021, that have initial or remaining lease terms in excess of one year.

Year Ending June 30,	
2022	\$ 35,629
2023	5,652
	<u>\$ 41,281</u>

7. DERIVATIVE INSTRUMENTS – INTEREST RATE SWAPS

Objectives and Strategies for Using Derivatives

The Corporation makes limited use of derivative financial instruments for the purpose of managing interest rate risk. In particular, forward interest rate swaps (which are designated as cash flow hedges) are used to manage the risk associated with interest rates on variable rate borrowing and to lower its overall borrowing costs. At June 30, 2021, the Corporation had an outstanding interest rate swap agreement with a commercial bank, with a notional amount of approximately \$5,212,000.

This swap agreement was associated with the Series 2016 Bonds. As of June 30, 2021 and 2020, the derivative liability was approximately \$146,400 and \$284,500, respectively.

The agreement effectively changed the Corporation's interest rate exposure on \$5,553,000 (aggregate principal amount) of the variable rate revenue bonds to a fixed 2.61%.

The derivative is not designated as a hedging instrument and is marked-to-market on the consolidated statements of financial position using mid-market value at the end of each period. The related gains and losses are included in excess expenses over revenues, the performance indicator, for the reporting period. Cash flows from the interest rate swap contract is classified as an operating activity on the consolidated statements of cash flows. The Corporation is exposed to credit loss in the event of nonperformance by the other parties to the interest rate swap agreements.

Subsequent to June 30, 2021, the Corporation settled the swap agreement during refinancing for approximately \$169,000,

8. NET PATIENT SERVICE REVENUE

The Corporation has agreements with third-party payors including Medicare, Medicaid and the State of Indiana and other commercial insurance carriers that provide for payments to the Corporation at amounts different from its established rates.

ADULT & CHILD MENTAL HEALTH CENTER, INC.
D/B/A ADULT & CHILD HEALTH

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
JUNE 30, 2021 AND 2020

The following is a schedule of gross service charges by category, charity care, and contractual adjustments.

	2021	2020
Outpatient service revenue	\$ 36,791,870	\$ 41,647,049
Less deductions		
Charity care	138,941	146,797

Implicit price concessions (recoupment)	762	(37,610)
Total deductions	9,559,778	11,363,813
Patient service revenue	27,232,092	30,283,236

9. PROPERTY LEASED TO TENANTS

The Corporation has purchased land and buildings to be used for housing. A portion of the property is used for programs provided by the Corporation and the remaining portion is leased to tenants. Rental revenue derived from cancelable and non-cancelable leases for property leased to tenants totaled approximately \$705,000 and \$710,000 for 2021 and 2020, respectively. Non-cancelable leases expire through 2026.

The following is a summary of the property and equipment being leased as of June 30, 2021 and 2020:

	2021	2020
Land	\$ 2,895,533	\$ 2,895,533
Buildings and improvements	13,453,042	13,453,042
Equipment	1,406,502	1,406,502
	17,755,077	17,755,077
Less accumulated depreciation	8,735,604	7,199,210
Property and equipment, net	\$ 9,019,473	\$ 10,555,867

ADULT & CHILD MENTAL HEALTH CENTER, INC.
D/B/A ADULT & CHILD HEALTH

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
JUNE 30, 2021 AND 2020

The following is a schedule of minimum future rental receipts on non-cancelable leases for which the Corporation is the lessor for subsequent years ending June 30:

Year Ending June 30,	
2022	\$ 641,538
2023	601,042
2024	437,939
2025	442,411
2026	424,225
Total	<u>\$ 2,547,155</u>

10. COMMITMENTS AND CONTINGENCIES

Operating Leases

The Corporation leases office space under various long-term lease agreements. These leases expire in various years through 2024. The Corporation also leases apartments for its semi-independent living services under short-term lease agreements.

The following is a schedule of minimum non-cancelable operating lease payments for subsequent years ending June 30:

Year Ending June 30,	
2022	\$ 308,055
2023	165,336
2024	127,538
	<u>\$ 600,929</u>

Rental expense totaled approximately \$582,000 and \$637,000 for 2021 and 2020, respectively, and has been reported in the consolidated statements of activities and changes in net assets.

ADULT & CHILD MENTAL HEALTH CENTER, INC.
D/B/A ADULT & CHILD HEALTH

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
JUNE 30, 2021 AND 2020

Medical Malpractice Claims

The Indiana Medical Malpractice Act, IC 34-18 (the Act) provides a maximum recovery of \$1,650,000 for an occurrence of malpractice until June 30, 2019, and \$1,800,000 thereafter. The Act requires the Corporation to maintain medical malpractice liability insurance in the amount of at least \$400,000 per occurrence (\$8,000,000 in the annual aggregate) until June 30, 2019. Starting July 1, 2019, the Act will require the Corporation to maintain medical malpractice liability insurance in the amount of at least \$500,000 per occurrence (\$10,000,000 in the annual aggregate). The Act also requires the Corporation to pay a surcharge to the State Patient's Compensation Fund (the Fund). The Fund is used to pay medical malpractice claims in excess of per occurrence and the annual aggregate amounts as noted above, under certain terms and conditions. No accrual for possible losses attributable to incidents that may have occurred but that have not been identified has been made because the amount, if any, is not reasonably estimable. The Fund is on a claims-made basis and as long as this coverage is continuous or replaced with equivalent insurance, claims based on occurrences during its term but reported subsequently will be insured.

Accounting principles generally accepted in the United States of America require a health care provider to accrue the expense of its share of malpractice claim costs, if any, for any reported and unreported incidents of potential improper professional service occurring during the year by estimating the probable ultimate costs of the incidents. Based upon the Corporation's claim experience, no such accrual has been made. It is reasonably possible that this estimate could change materially in the near term.

Litigation

The Corporation is involved in certain litigation arising in the ordinary course of business. After consultation with legal counsel, it is management's opinion that these matters will be resolved without material adverse effect on the Corporation's consolidated financial position, results of operation and cash flows.

11. COVID-19

During March 2020, the World Health Organization declared COVID-19 a pandemic. The continued spread of COVID-19, or any similar outbreaks in the future, may continue to adversely impact the local, regional, national, and global economies. The extent to which COVID-19 continues to impact the Corporation's operating results is dependent on the breadth and duration of the pandemic and could be affected by other factors management is not currently able to predict. Impacts include, but are not limited to, additional costs for responding to COVID-19, potential shortages of personnel, potential shortages of supplies, loss of, or reduction to, revenue, and investment portfolio declines. Management believes the Corporation is taking appropriate actions to respond to the pandemic. However, the full impact is unknown and cannot be reasonably estimated at the date the financial statements were available to be issued.

ADULT & CHILD MENTAL HEALTH CENTER, INC.
D/B/A ADULT & CHILD HEALTH

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
JUNE 30, 2021 AND 2020

During 2020 and 2021, Provider Relief Fund (PRF) and Coronavirus Relief Fund (CRF) grants authorized under the Coronavirus Aids, Relief, and Economic Security (CARES) Act were distributed to healthcare providers impacted by the outbreak of the COVID-19 pandemic under Catalog of Federal Domestic Assistance (CFDA) #93.498 and #21.019, respectively. The Corporation received approximately \$677,000 and \$58,000 of PRF grants and \$437,000 and \$463,000 of CRF grants from the CARES Act during 2021 and 2020, respectively.

PRF and CRF grants are recognized to the extent the Corporation meets the terms and conditions of the grants and to the extent of expenses incurred specific to responding to the COVID-19 pandemic. Eligible expenses must not be reimbursed from another source and not obligated to be reimbursed from another source. PRF grants that are not fully expended on eligible expenses can then be applied to lost revenues as defined by the guidance issued by the grantor.

The Corporation recognized approximately \$677,000 and \$58,000 of PRF amounts as Federal and state funds within the consolidated statements of activities and changes in net assets during 2021 and 2020, respectively.

The Corporation recognized CRF amounts of approximately \$437,000 and \$463,000 as Federal and state funds within the consolidated statements of activities and changes in net assets during 2021 and 2020, respectively.

Compliance with the terms and conditions as set forth related to qualifying COVID-19 expenses and lost revenues may also be subject to future government review and interpretation as they are emerging and uncertain at the time the financial statements were available to be issued. There can be no assurance that regulatory authorities will not challenge the Corporation's compliance with the terms and conditions as set forth related to qualifying COVID-19 expenses and lost revenues, and it is not possible to determine the impact (if any) such claims would have upon the Corporation's financial position.

12. CONCENTRATIONS OF CREDIT RISK

The Corporation is primarily located in Indianapolis, Indiana. The Corporation grants credit without collateral to its patients, most of who are local residents and are insured under third-party payor agreements.

ADULT & CHILD MENTAL HEALTH CENTER, INC.
D/B/A ADULT & CHILD HEALTH

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
JUNE 30, 2021 AND 2020

Accounts receivable and gross patient service revenue from patients and third-party payors were comprised of the following as of and for the years ended June 30:

	Receivable		Revenue	
	2021	2020	2021	2020
Medicaid	45%	48%	80%	79%
Medicare	4%	4%	3%	3%
Other third party payors	49%	45%	16%	16%
Self pay	2%	3%	1%	2%
	<u>100%</u>	<u>100%</u>	<u>100%</u>	<u>100%</u>

13. RELATED ORGANIZATIONS

InteCare, Inc.

The Corporation is a 1/4 member of InteCare, Inc. This Indiana nonprofit corporation was formed to coordinate and manage an integrated behavioral health system. InteCare, Inc. primarily remits public support funds to the Corporation. As of June 30, 2021 and 2020, the Corporation recorded a receivable from InteCare, Inc. for these funds in the approximate amount of \$1,547,000 and \$2,083,000, respectively, which is included in other receivables in the consolidated statements of financial position. Revenue recognized as mental health funds recovery received from InteCare totaled approximately \$2,988,000 and \$3,543,000 for the years ended June 30, 2021 and 2020, respectively. The Corporation records its investment in this entity under the cost method after its initial, immaterial contribution.

Red Oak Industries (Red Oak)

The Corporation is a 1/2 member in a not-for-profit organization that provides cleaning services. Certain members of management serve on the board of directors for Red Oak and as such it is a related party to the Corporation. It is not consolidated within the accompanying consolidated financial statements. As of June 30, 2021 and 2020, the Corporation recorded a promissory note receivable from Red Oak in the approximate amount of \$60,000, respectively, which is included in other receivables in the consolidated statements of financial position. For the years ended June 30, 2021 and 2020, the Corporation recognized cleaning services expense recorded within repairs and maintenance on the consolidated statements of activities and changes in net assets of approximately \$166,000 and \$134,000, respectively. The Corporation records its investment in this entity under the equity method.

ADULT & CHILD MENTAL HEALTH CENTER, INC.
D/B/A ADULT & CHILD HEALTH

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
JUNE 30, 2021 AND 2020

Limited Partnerships (L.P.s)

As discussed in Notes 1 and 6, the Corporation sold certain property and executed notes receivable with the L.P.s in which it acts as the general partner. There were no gains or losses recognized in these sales.

14. PARTIALLY SELF-INSURED HEALTH PLAN

The Corporation's health plan (the Plan) is self-insured by the Corporation. A third party claims administrator has been retained to process all benefit claims. Claims are processed and presented for payment to the Corporation. The Plan purchased individual excess risk insurance to cover the individual health claims in excess of \$125,000. The Plan also has an annual aggregate stop loss of approximately \$5,872,000. Health insurance expense (including the additional fees and commissions below) totaled approximately \$4,693,000 and \$3,291,000 for 2021 and 2020, respectively, and recorded in employee benefits within the consolidated statements of activities and changes in net assets. Health insurance expense includes administration fees, broker commissions, and stop loss fees totaling approximately \$955,000 and \$978,000, for 2021 and 2020, respectively.

15. RETIREMENT PLANS

The Corporation maintains a 401(k) profit sharing plan which covers substantially all employees. The Corporation provides a matching contribution equal to 100% of the elected salary reduction amount up to 3%, plus 50% of the salary reduction contributions that exceed 3% but not 5% of annual compensation. The Corporation recognized 401(k) match expense of approximately \$806,000 and \$775,000 for 2021 and 2020, respectively, and recorded in employee benefits within the consolidated statements of activities and changes in net assets.

The Corporation maintains a 403(b) tax-deferred annuity plan where employees defer contributions through a salary reduction agreement. The Corporation does not provide any matching or discretionary contributions to the plan.

ADULT & CHILD MENTAL HEALTH CENTER, INC.
D/B/A ADULT & CHILD HEALTH

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
JUNE 30, 2021 AND 2020

16. LIQUIDITY AND AVAILABILITY OF FINANCIAL RESOURCES

The Corporation has disclosed the following financial assets for the years ended June 30, 2021 and 2020 available within one year of the consolidated statements of financial position date to meet cash needs for general expenditure. Patient accounts receivable and other receivables are subject to implied time restrictions, but are expected to be collected within one year. As part of the Corporation's liquidity management, it has a policy to structure financial assets to be available as its general expenditures, liabilities, and other obligations come due. The Corporation is working towards having 90 days' worth of operating expenses within cash reserves, which approximates \$10,889,000.

Financial Assets	2021	2020
Cash and cash equivalents	\$ 5,562,000	\$ 4,403,000
Patient accounts receivable, net	2,404,000	2,875,000
340B Program receivables	409,000	562,000
Mental health funds recovery receivable	1,459,000	1,517,000
Other receivables	1,281,000	1,557,000
Investments	369,000	299,000
Total financial assets	<u>\$ 11,484,000</u>	<u>\$11,213,000</u>

17. SUBSEQUENT EVENT

The Corporation refinanced the Series 2016 Bonds with a note payable to First Financial Bank dated August 25, 2021. Monthly payments of approximately \$37,000 are required through 2036 including principal and a variable interest rate determined by the 5-year Treasury Rate Index of .77% plus a 2.14 margin. The note payable is secured by real property.

ADULT & CHILD MENTAL HEALTH CENTER, INC.
D/B/A ADULT & CHILD HEALTH

SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS
YEAR ENDED JUNE 30, 2021

Note A – Basis of Presentation

The accompanying schedule of expenditures of federal awards (the Schedule) for the year ended June 30, 2021 includes the federal grant activity of Adult & Child Mental Health Center, Inc. d/b/a Adult & Child Health (the Corporation). The information in the Schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance).

Because the Schedule presents only a selected portion of the operations of the Corporation, it is not intended to and does not present the consolidated financial position, changes in net assets, or cash flows of the Corporation.

Note B – Summary of Significant Accounting Policies

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. The Corporation has elected not to use the 10% de minimis indirect cost rate as allowed under the Uniform Guidance.

Note C – Other

During the year ended June 30, 2021, the Corporation did not provide any federal awards to subrecipients. In addition, there were no federal awards expended in the form of non-cash assistance and there were no loans or loan guarantees extended during 2021.

Note D – Provider Relief Funds

Under terms and conditions of the Provider Relief Funds (PRF) under the Coronavirus Aids, Relief, and Economic Security (CARES) Act, the Corporation is required to report COVID-19 related expenses and lost revenue to the U.S. Department of Health and Human Services (HHS). Guidance from HHS has required the reporting of the COVID-19 related expenses and lost revenue in certain reporting periods based on when the funds were received.

The 2021 Schedule includes PRF of approximately \$58,000 which was received and recognized by the Corporation prior to June 30, 2020. HHS required these PRF amounts be reported on the 2021 Schedule rather than the 2020 Schedule.

During 2021, the Corporation received PRF of approximately \$677,000 and recognized this amount as revenue in its 2021 consolidated statement of activities and changes in net assets as the terms and conditions of the PRF grant were satisfied by the Corporation during 2021. HHS requires these PRF amounts be reported on the 2022 Schedule rather than the 2021 Schedule.

**REPORT OF INDEPENDENT AUDITORS ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF
FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH
GOVERNMENT AUDITING STANDARDS**

Board of Directors
Adult & Child Mental Health Center, Inc.
d/b/a Adult & Child Health
Indianapolis, Indiana

Report On the Consolidated Financial Statements

We have audited, in accordance with the auditing standards generally accepted in the United States of America, the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of Adult & Child Mental Health Center, Inc. d/b/a Adult & Child Health (the Corporation), which comprise the consolidated statement of financial position as of June 30, 2021, and the related consolidated statement of activities and changes in net assets, functional expenses, and cash flows for the year then ended, and the related notes to the consolidated financial statements, and have issued our report thereon dated November 29, 2021.

Internal Control over Financial Reporting

In planning and performing our audit of the consolidated financial statements, we considered the Corporation's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Corporation's internal control. Accordingly, we do not express an opinion on the effectiveness of the Corporation's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Corporation's consolidated financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Board of Directors
Adult & Child Mental Health Center, Inc.
d/b/a Adult & Child Health
Indianapolis, Indiana

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Corporation's consolidated financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the consolidated financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Corporation's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**REPORT OF INDEPENDENT AUDITORS ON COMPLIANCE FOR
EACH MAJOR FEDERAL PROGRAM AND ON INTERNAL CONTROL
OVER COMPLIANCE REQUIRED BY UNIFORM GUIDANCE**

Board of Directors
Adult & Child Mental Health Center, Inc.
d/b/a Adult & Child Health
Indianapolis, Indiana

Report on Compliance for Each Major Federal Program

We have audited Adult & Child Mental Health Center, Inc. d/b/a Adult & Child Health's (the Corporation) compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of the Corporation's major federal programs for the year ended June 30, 2021. The Corporation's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the Corporation's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* ("Uniform Guidance"). Those standards and Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Corporation's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the Corporation's compliance.

Board of Directors
Adult & Child Mental Health Center, Inc.
d/b/a Adult & Child Health
Indianapolis, Indiana

Opinion on Each Major Federal Program

In our opinion, the Corporation complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2021.

Report on Internal Control over Compliance

Management of the Corporation is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Corporation's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Corporation's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Board of Directors
Adult & Child Mental Health Center, Inc.
d/b/a Adult & Child Health
Indianapolis, Indiana

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
