

**Allen Brown, CEO
Adult & Child Health
8320 Madison Ave.
Indianapolis, IN 46227**

Dear Mr. Brown,

Valle Vista Health System's mission is to provide high quality behavioral health care to our community by providing a broad range of psychiatric and addiction disorders treatment services, including our opioid treatment program (OTP) and medication assisted treatment (MAT) at our New Vista Outpatient Recovery program.

We have worked closely with Adult and Child Health (A&C) to create positive change in Johnson County and to meet the needs of our community members. A&C has been the embedded clinical service provider in our adolescent residential unit for many years and has been essential in the success and quality of the care that we have been able to provide. A&C has been a referral partner for acute hospitalizations allowing us to continue to be an essential partner in providing the community with one intercept of the crisis continuum. A&C also is a partner in providing patients with access to care post-hospitalization and post-detox substance abuse needs along with referrals to our OTP and MAT program to provide essential addiction care for the community.

A&C is a vital safety net provider of service for persons struggling with serious mentally illness and/or substance abuse disorders. A&C is not just a mental health provider in our area, they are an integral part of our community and have created innovative solutions to address the needs of Johnson County citizens. Valle Vista values our partnership and the positive impact A&C makes through the broad spectrum of services they provide.

Valle Vista is aware that A&C is applying to be a part of Indiana's application for the state CCBHC Demonstration Program, and we are excited to support them through this endeavor. We have experienced the benefits of CCBHC through A&C being a SAMSHA grantee. We support this application and A&C continuing their CCBHC journey by becoming a part of the demonstration for Indiana. As always, we look forward to our continued collaboration. Please contact us for any additional information you may have regarding our partnership.

Thank you for your consideration,

**Sergio Cianci Chapman, MBA, MA, LPCC^(NM)
Group Chief Executive Officer**
