## **Sliding Fee Schedule Information**

On July 1, 2020, Hamilton Center, Inc. will have a new sliding fee scale for the services you receive. If you have Medicaid you will owe nothing. If you meet the guidelines and have another pay source, you will owe either the amount your insurance says you must pay or the amount listed on the chart – whichever is less.

What you will owe for services will be based on your income and family size. After you provide us with this information, we will show you on the chart what you might owe for services.
