Dear Ms. Deaton-Reese:

It is with great interest that I write this letter of support for Hamilton Center Inc.'s Request for Services submission (REF 24-77045) regarding the statewide expansion of the Certified Community Behavioral Health Clinic (CCBHC) model. Hamilton Center is uniquely positioned to be a part of the State's application for a demonstration program.

I am aware the CCBHC model will allow robust expansion of the behavioral health system in Indiana with an emphasis on crisis services, alignment with 988, integration with primary care and broadening access for all Hoosiers, particularly those most vulnerable.

Hamilton Center has been a remarkable community partner in central and west central Indiana since 1971. Their integration with all segments of the community has promoted strong collaboration and provided access to quality care for 13,000 consumers spanning a ten-county area. Most recently, the organization added 24/7 crisis services (including mobile crisis), a Federally Qualified Health Center Look-Alike, three certified opioid treatment programs and has been selected by SAMHSA to operate as a CCBHC since 2020.

Our organization's experience with Hamilton Center consists of working with case workers who refer and/or support eligible residents in our transitional housing program that are receiving their services.

It is with great enthusiasm I support their desire to be a part of the State's Demonstration program. Our organization is committed to becoming a referral source for Hamilton Center's CCBHC or even a Designated Collaborating Organization (DCO).

Should you need further information, please contact me.
