Ms. Teresa Deaton-Reese  
Indiana Department of Administration  
Procurement Division  
402 W. Washington St., Room W468  
Indianapolis, IN 46204

Dear Ms. Deaton-Reese,

On behalf of Goodwill Industries of Northeast Indiana, Pathfinder Services, Corvillia and the Logan Center, Opportunity Enterprises, in its capacity as State Respondent and fiduciary agent, submits its proposal for RFS #24-77904. GAP-LOC (a coalition of the previously identified organizations) is proposing to serve 1,855 unduplicated students and requesting \$6,395,595, with an average cost-per-student amount of \$3,447.76.

This Coalition represents strong-standing, reputable organizations that serve children and adults with disabilities. These service agencies range from providing education and enrichment to pre-vocational and pre-employment and transition services. Further, GAP-LOC has been serving students in Indiana with transition services since 2016. I am confident in the coalition's ability to perform the Pre-ETS required activities in alignment with the State's expectations as outlined in the RFS.

In accordance with sections 2.2.3 – 2.2.5, I confirm that Respondents will be notified via e-mail, that Opportunity Enterprises (EIN 35-1136833) is in good standing with the Indiana Secretary of State, and that we will meet the mandatory requirements set forth in Section 3.2 of the RFS.

The principal contact for this proposal is OE Senior Director of Employment Services and Transition Kathleen Parks. She can be reached by telephone at (219) 464-9621 x 213, email at [kathleen.parks@oppent.org](mailto:kathleen.parks@oppent.org), or mail at 2801 Evans Avenue, Valparaiso, IN 46383.

Finally, I confirm that I am authorized to commit Opportunity Enterprises to its representations and can certify that the information offered in this proposal meets all general conditions requested in Section 2.3.7.

Thank you,

Mark Fisher  
Chief Financial Officer
