	serve, individuals will have access to the resources they need to live independently and feel secure.	
<b>Muncie Indiana Transportation System</b> <a href="http://www.mitsbus.org/">http://www.mitsbus.org/</a> ii.	Transportation for students, if needed, for afterschool or special needs transportation.	MITS Operates Monday through Saturday within Muncie city limits MITSPPlus is door-to-door van transportation service for aged and persons with disabilities who are unable to use regular MITS service.
<b>Muncie Housing Authority</b> 409 East 1st Street Muncie, Indiana 47302 Telephone: (765) 288-9242 TTY: (765) 281-1582 ii.	The Muncie Housing Authority (MHA) serves citizens wishing to move to our great community who are in need of affordable housing.	As students transition out of high school, they may have a need for affordable housing. MHA administers Public Housing, the Housing Choice Voucher Program and HCVP Family Self Sufficiency.
<b>Area Employers</b>		
<b>Ball State University</b>	As a world renown educator, Ball State has an active program to both educate and hire persons with disabilities.	With 3,367 employees, Ball State acts as a job placement, job shadow and workplace readiness assessment for our team.
<b>IU Health Ball Memorial Hospital</b>	Indiana University Health combines innovation with excellence in care, education, research and service to save lives and improve the health of our communities.	Because of health risks, IU Health does not allow onsite visits or job shadows; however, they have an excellent job video library and are always willing to come talk to students about opportunities within the hospital setting.
<b>Navient</b>	Navient provides asset management and business processing solutions to education, healthcare, and government clients at the federal, state, and local levels.	The variety of job opportunities is exceptional as they allow us to include job shadowing and job exploration in an office/call center setting.
<b>MPT Muncie/Magna Powertrain</b>	Magna make everything from seats to powertrains and are the only auto supplier to build complete vehicles. They support employees in pushing the limits of their creativity and encourage innovation and exploration.	Magna allows us access to a major manufacturer facility in which to provide job shadow and work exploration.
<b>Concentrix</b>	Concentrix delivers next generation customer experience and helps companies better connect with their customers. Concentrix provides services to clients in ten industry verticals: automotive; banking and financial services; insurance; healthcare; technology; consumer electronics; media and communications; retail and e-commerce; travel and transportation; energy and public sector.	Concentrix allows for a customer service job shadow/exploration in their Daleville facility. We are able to have current employees come talk to classrooms about option available to them and what it's like to work for a global customer support company.
<b>Muncie Community Schools</b>	Muncie Community Schools provide a quality educational environment that allows students to evaluate a job within the local education	We work with Muncie Community Schools to support job learning, job shadowing and workplace settings. It starts outside their backdoor and

Organization	Description	Roles/Responsibilities
	system. Their focus on providing a positive and productive educational setting is well suited for our students	goes all the way to the elementary level.
<b>Meridian Health Services</b>	A progressive healthcare organization that believes in treating the “whole person” integrating physical, mental and social well-being to help people achieve their optimum health.	Like IU health, they have an at-risk population that precludes them from doing onsite job shadowing; however, we do use them for classroom presentations and job exploration through class visits.

<b>John Jay Center for Learning</b> 101 S. Meridian St., Portland, IN <a href="http://johnjaycenter.com/index.php">http://johnjaycenter.com/index.php</a>	The John Jay Center for Learning provides adults in the Jay County area with access to the education they need to succeed and build better lives for themselves and their families. College classes from Ivy Tech Community College of Indiana and from Indiana Wesleyan University are offered in Portland in cooperation with the John Jay Center with most of these classes being held in the newly remodeled Weiler Building in downtown Portland, which has recently become the new home of the John Jay Center. In addition, the center operates the adult education program for the Jay School Corporation with GED and English as a Second Language classes held in the Weiler Building as well. The John Jay Center for Learning also has a role in economic development in the Jay County community by coordinating workforce education classes for our area businesses and industries. This includes classes to enhance computer skills and a wide variety of other offerings to help create a larger skilled work force for attracting and retaining regional business and industry. John Jay partners with Ivy Tech and individual contractors to make these classes available.	PQC assists students as needed in connecting with the center and signing up for services such as traditional college courses, vocational training courses, career planning, and training and certifications.
