1.3 Purpose of the Solicitation

Ind. Code § 36-8-16.7-27(b) requires that the Board seek competitive bids from qualified vendors to provide integrated network services for the operation of the IN911 Network currently serving the PSAPs of Indiana. Indiana is currently served by an IP-based network known as IN911.

The purpose of this procurement is to ensure that at a minimum, the current services provided by the existing IN911 Network are continued and improved upon as technology, standards, and societal demands evolve.

The Board and the State invite qualified vendors with documented expertise and experience to submit proposals to provide NG911 Managed Network and Call Delivery Services for the IN911 Network.

1.4 Summary Scope of Work

The services sought by this RFP include:

The Board is seeking to procure services from qualified respondents that include the highest degree of resiliency, reliability, and redundancy to ensure NG911 service availability in keeping with industry standard and best practices.

Solutions proposed to this RFP will be contracted for the purposes of delivering mission critical voice, data and information related to 911 calls from the public in Indiana to the Public Safety Answering Points (PSAPs) in Indiana.

The services sought by this RFP will aid the state in achieving the following goals:

1. Expand the capabilities of IN911 beyond current services including:
 - 1.1 Full adoption of NENA-STA-010.3b-2021 a.k.a the NENA i3 NG911 standard
 - 1.2 Route all forms of emergency communication requests including voice, text and multimedia to the correct PSAP
 - 1.3 Direct termination of all Originating Service Providers, including landline service providers, to the IN911 system for all forms of emergency communications
 - 1.4 Full compliance with the technical requirements established in Attachment F – Technical Specifications
2. Minimize any potential impacts from a transition or change in current system service providers
3. Follows a process which is open, transparent, fair and defensible

This overview of the scope of services is meant to provide a high-level understanding of the Board's objectives.

This procurement will result in the selection of a service provider or a combination of service providers whose proposed solution(s) and services as sought by this RFP will at a minimum, provide the existing level of service as provided by the current IN911 system service providers to include all existing capabilities, functions, components and ancillary services to all Indiana PSAPs either directly or in collaboration with other systems, services and providers both in Indiana and in adjoining states (IL, KY, MI and OH).

This RFP does not include PSAP CPE, PSAP call taking equipment, furniture, computers or other operational systems required by PSAPs. It is focused only on the services required for the operation of the IN911 Network and the services it provides to Indiana PSAPs.

The solution(s) and services sought by this RFP may be proposed as an integrated, comprehensive solution, or as a stand-alone component representing a best-in-class service offering capable of being integrated with other components that will comprise the IN911 ecosystem.

The Board may, at its discretion, integrate proposed solutions or components of proposed solutions in order to achieve an enterprise-wide, state-wide, best in class system that benefits all Indiana PSAPs and best serves the Board in fulfilling its duties under the law.

The Board would prefer an integrated solution with a designated primary vendor contractually responsible for providing the services as specified in this RFP.

The Board may, at its discretion, designate a contractual prime vendor and require contractual relationships, cooperative agreements, interconnection to and interaction with other system service providers or third parties as required or necessary for the operation of IN911.

1.12 Best and Final Offer (BAFO)

The Board may request best and final offers from those Respondents determined by the Board to be reasonably viable for contract award. However, the Board reserves the right to award a contract based on initial proposals received. Therefore, each proposal should contain the Respondent's best terms from a price and technical standpoint.

Following evaluation of the best and final offers, the Board may select for final contract negotiations/execution the offer(s) that are most advantageous to the State.

1.13 Reference Site Visits

The Board may request a site visit to a Respondent's working support center to aid in the evaluation of the Respondent's proposal. Site visits, if required will be discussed in the technical proposal.

The term of the contract shall be for a period of five (5) years from the date of contract execution. There may be two (2) one-year renewals for a total of seven (7) years at the Board's option.

1.15 Confidential Information

Respondents are advised that materials contained in proposals are subject to the Access to Public Records Act (APRA), IC 5-14-3 *et seq.*, and, after the contract award, the entire solicitation file will be posted on the IDOA website and may be viewed and copied by any member of the public, including news agencies and competitors. The responses are deemed to be "public records" unless a specific provision of IC 5-14-3 protects it from disclosure. Respondents claiming a statutory exception to the APRA **must indicate so per Attachment J.**

Please note citing "Confidential" on an entire section is not sufficient or acceptable.

The Public Access Counselor (PAC) provides guidance on APRA. Respondents are encouraged to read guidance from the PAC on this topic as this is the guidance IDOA follows:

- [18-INF-06; Redaction of Public Procurement Documents Informal Inquiry](#)

If the Respondent does not identify the statutory exception, the Procurement Division will not consider the submission confidential. The State also may seek the opinion of the PAC for guidance.

Each letter shall state and will serve as acknowledgement from the IVOSB of its subcontract amount, a description of products and/or services to be provided on this project, and approximate date the Subcontractor will perform work on this contract. For scoring purposes only, the IVOSB Subcontractor amount and Subcontractor percentage is based on the initial term of the contract. However, the Subcontractor commitment shall apply to the life of the contract including any time after the initial term.

The State may deny evaluation points if the letter(s) is/are not attached, not on company letterhead, not signed and/or does not reference and match the subcontract amount, subcontract amount as a percentage of the **“TOTAL BID AMOUNT”** and the anticipated period that the Subcontractor will perform work for this solicitation.

By submission of the proposal, the Respondent acknowledges and agrees to be bound by the rules and requirements of the State’s IVOSB Program. Questions about those rules and requirements should be directed to: Division of Supplier Diversity at indianaveteranspreference@idoa.in.gov, (317) 232-3061 or the Supplier Diversity website at <https://www.in.gov/idoa/mwbe>.

INDIANA VETERAN OWNED SMALL BUSINESS COMPLIANCE (IVOSB)

The Pay Audit system can be accessed on the IDOA Pay Audit System webpage at www.in.gov/idoa/mwbe/payaudit.htm.

Further, a copy of each Subcontractor agreement must be submitted to IDOA's Division of Supplier Diversity within thirty (30) days of the effective date of this Contract. The contracts may be uploaded into Pay Audit, emailed to MWBECompliance@idoa.IN.gov; or mailed to Division of Supplier Diversity Compliance 402 W. Washington Street, Indianapolis IN 46204. Failure to provide a copy of any Subcontractor agreement or failure to meet these commitments could be considered a material breach of this Contract and result in sanctions.

Any changes to this information during the term of the contract must be approved by Division of Supplier Diversity Compliance at MWBECompliance@idoa.IN.gov.

Section Two Proposal Preparation Instructions

2.1 General

To facilitate the timely evaluation of proposals, a standard format for proposal submission has been developed and is described in this section. All Respondents are required to format their proposals in a manner consistent with the guidelines described below:

- Proposals will be disqualified if the Submission Form is received after the expiration of the first deadline per Section 1.24.
- Proposals will be disqualified if the Submission Form is received without the Executive Summary and/or the required completed Attachment J, Attestation Form attached.
- The Executive Summary must be in the form of a letter and attached to the Submission Form.
- **Attachment J**, the Attestation Form, must be attached to the Submission Form.
- Proposals will be disqualified if Flash Drives are received after the expiration of the second deadline per Section 1.24.
- Each item, Executive Summary, Business Proposal, Technical Proposal, Cost Proposal, and attachments, must be separate standalone electronic files. Please do not submit your proposal as one large file.
- A Bidder ID is a required field on the Submission Form to submit a response. A Bidder ID list is available at <https://www.in.gov/idoa/procurement/supplier-resource-center/requirements-to-do-business-with-the-state/bidder-profile-registration/>
- Requests to extend the due date to accommodate delivery challenges will be denied. Submission Form and Flash Drive responses not submitted by the deadlines will not be considered; sending responses via email or hand delivery will not be a viable alternative.
- The State strongly encourages Respondents to allow plenty of time to ship their proposals on Flash Drives.
- Please submit all attachments in their original format. Any attempt to manipulate the format of the documents that deviates from the current format will put your proposal at risk of disqualification.
- Confidential Information must also be clearly marked per **Attachment J**.
- Confirmation of receipt of Flash Drives is the responsibility of the Respondents and reliant upon the shipping method chosen.

2.2 Executive Summary⁵

The Executive Summary must address the following topics except those specifically identified as “optional.” The Executive Summary is to be attached to the Submission Form by the response due date and Eastern time.

However, when this is done, the body of the Technical Proposal must contain a meaningful summary of the referenced material. **The referenced document must be included as an appendix to the technical proposal with referenced sections clearly marked.** If there are multiple references or multiple documents, these must be listed and organized for ease of use by the Board and State. **The Technical Proposal Template is Attachment F. The NENA i3v3 Standard Compliance Form is included as Attachment F1.**

Any attempt to manipulate the format of the document that deviates from the current format will put your proposal at risk of disqualification.

2.5 Cost Proposal

Cost Proposal Narrative

The Respondent should provide a brief narrative (not longer than two pages) in support of each Cost Proposal item. The narrative should be focused on clarifying how the proposed prices correspond directly to the Respondent's Technical Proposal. For example, evaluators will expect detailed explanation of *Maintenance and Support* to correspond to *Maintenance and Support items* if described in the Technical Proposal. **Please compose and return this document in a PDF format, labeled as “Cost Proposal Narrative”.**

All Respondents must complete an “Indiana Economic Impact” form (**Attachment C**). This is not a separate evaluation item scored as set forth in [Section 3.2](#) but still a required form. The collection and recognition of the information collected with the Indiana Economic Impact form places a strong emphasis on the economic impact a project will have on Indiana and its residents regardless of where a business is located. The collection of this information does not restrict any company or firm from doing business with the State. The amount entered in Line 16 “Total amount of this proposal, bid, or current contract” should match the amount entered in the **Attachment D**, Cost Proposal Template.

2.6.2 Buy Indiana Initiative/Indiana Company

It is the Respondent’s responsibility to confirm its Buy Indiana status for this portion of the process. If a Respondent has previously registered its business with IDOA and wishes to be certified as a Buy Indiana entity, go to the Buy Indiana website at <https://www.in.gov/idoa/2467.htm>

Respondents not previously registered with IDOA must go to the Buy Indiana website at <https://www.in.gov/idoa/2467.htm> and follow the steps outlined in the paragraph above to certify your business’ status. The Respondent’s Buy Indiana status must be finalized when the solicitation response is submitted to the State.

Respondent must clearly indicate whether they intend to claim in **Attachment J** (Respondent will only be evaluated on the criteria selected/cited from IC 5-22-15-20.5).

When applying to Buy IN status, be sure to allow sufficient time to complete this process, at least twenty (20) business days.

Buy IN must be affirmatively claimed and documentation submitted per **Attachment J**. **The State will not look up status of each Respondent in a search to determine eligibility of potential provide points.**

Defining an Indiana Business:

- (1) A business whose principal place of business is located in Indiana.
- (2) A business that pays a majority of its payroll (in dollar volume) to residents of Indiana.
- (3) A business that employs Indiana residents as a majority of its employees.

- (4) A business that makes significant capital investments in Indiana.
- (5) A business that has a substantial positive economic impact on Indiana.

2.6.3 **Indiana Preferences**

Pursuant to IC 5-22-15-7, Respondent may claim only one (1) preference. For the purposes of this solicitation, this limitation to claiming one (1) preference applies to Respondent's ability to claim eligibility for Buy Indiana points.

Respondent must clearly indicate which preference(s) they intend to claim. Additionally, the Respondent's Buy Indiana status must be finalized by the due date of the solicitation.

Buy Indiana

Refer to [Section 2.6.2](#) for additional information.

2.6.4 **Subcontractors**

The Respondent is responsible for the performance of any obligations that may result from this solicitation and shall not be relieved by the non-performance of any subcontractor. Respondent's proposal must identify all subcontractors including those not submitted in **Attachment A and/or Attachment A1** and describe the contractual relationship between the Respondent and each subcontractor. Per instructions in **Attachment J**, either a copy of the **executed subcontract** or a **letter of agreement** over the official signature of the firms involved must accompany each proposal.

Any subcontracts entered into by the Respondent must be in compliance with all State statutes and will be subject to the provisions thereof. For each portion of the proposed products or services to be provided by a subcontractor, **the Attestation Form, Attachment J, must include the identification of the functions to be provided by the subcontractor and the subcontractor's related qualifications and experience.**

The combined qualifications and experience of the Respondent and any or all subcontractors will be considered in the State's evaluation. The Respondent must furnish information to the State as to the amount of the subcontract, the qualifications of the subcontractor for guaranteeing performance, and any other data that may be required by the State. All subcontracts held by the Respondent must be made available upon request for inspection and examination by appropriate State officials, and such relationships must meet with the approval of the State.

The Respondent must list any subcontractor's name, address, and the state in which formed that are proposed to be used in providing the required products or services. The subcontractor's responsibilities under the proposal, anticipated dollar amount for subcontract, the subcontractor's form of organization, and an indication from the subcontractor of a willingness to carry out these responsibilities are to be included for each subcontractor. This assurance in no way relieves the Respondent of any responsibilities in responding to this solicitation or in completing the commitments documented in the proposal. The Respondent must indicate which, if any, subcontractors qualify as a Minority Business Enterprise, Women's Business Enterprise, or Veteran Owned Small Business under IC 4-13-16.5-1 and IC 5-22-14-3.5. See [Section 1.21](#), [Section 1.22](#) and **Attachments A/A1** for Minority, Women, and Veteran Business information.

IVOSB entities (whether a prime or subcontractor) must have a Bidder ID. If registered with IDOA, this should have already been provided (as with MWBEs). IVOSBs that are only registered with the Federal Center for Veterans Business Enterprise will need to ensure that they also have a Bidder ID provided by IDOA (please see [Section 2.3.8](#) for details).

Section Three Proposal Evaluation

3.1 Proposal Evaluation Procedure

The Board has selected a group of personnel to act as a proposal evaluation team. Subgroups of this team, consisting of one or more team members, will be responsible for evaluating proposals with regard to compliance with solicitation requirements. All evaluation personnel will use the evaluation criteria stated in [Section 3.2](#).

The procedure for evaluating the proposals against the evaluation criteria will be as follows:

- 3.1.1 Each proposal will be evaluated for adherence to mandatory requirements, per Section 3.2, Step 1, on a pass/fail basis. Proposals that are incomplete or otherwise do not conform to proposal submission requirements may be eliminated from consideration. Further any proposals not meeting the Mandatory Requirements listed in [Section 3.2](#), Step 1 and noted in **Attachment J** will be disqualified.
- 3.1.2 Each proposal will be evaluated based on the categories included in [Section 3.2](#). A point score has been established for each category.
- 3.1.3 Based on the results of this evaluation, the qualifying proposal determined to be the most advantageous to the Board may be selected by IDOA and the Board for further action, such as contract negotiations. If, however, IDOA and the Board decide that no proposal is sufficiently advantageous to the Board, the Board may take whatever further action is deemed necessary to fulfill its needs. If, for any reason, a proposal is selected and it is not possible to consummate a contract with the Respondent, the Board may begin contract preparation with another Respondent or determine that no such alternate proposal exists.

3.2 Evaluation Criteria

Proposals will be evaluated based upon the proven ability of the Respondent to satisfy the requirements of the solicitation in a cost-effective manner. Each of the evaluation criteria categories is described below with a brief explanation of the basis for evaluation in that category. The points associated with each category are indicated following the category name (total maximum points = 103). Negative points may be assigned in the cost score.

Additionally, there is an opportunity for a bonus of three points if certain criteria are met. For further information, please reference [Section 3.2.3](#). If any one or more of the listed criteria on which the responses to this solicitation will be evaluated are found to be inconsistent or incompatible with applicable federal laws, regulations or policies, the specific criterion or

criteria will be disregarded, and the responses will be evaluated and scored without considering such criterion or criteria.

Summary of Evaluation Criteria:

Criteria	Points
1. Adherence to Mandatory Requirements	Pass/Fail
2. Management Assessment/Quality and Technical a) NENA i3v3 Standard Compliance Form b) Management Assessment/Quality (Business and Technical Proposal)	10 available points 40 available points
3. Cost (Cost Proposal)	30 available points
4. Buy Indiana	5
5. Minority Business Enterprise Subcontractor Commitment	5 (1 bonus points are available, see Section 3.2.5)
6. Women Business Enterprise Subcontractor Commitment	5 (1 bonus points are available, see Section 3.2.5)
7. Indiana Veteran Owned Small Business Subcontractor Commitment	5 (1 bonus points are available, see Section 3.2.6)
Total	100 (103) if bonus awarded)

All proposals will be evaluated using the following approach.

Step 1

In this step proposals will be evaluated only against Criteria 1 to ensure that they adhere to Mandatory Requirements. The Mandatory Requirements are:

- Executive Summary and required content; submitted as Submission Form attachment.
- **Attachment A** and **A1** with commitment letters, and forms, if applicable;
- **Attachment C** Indiana Economic Impact Form, completed.
- **Attachment D** Cost Proposal, **Attachment E** Business Proposal, **Attachment F** Technical Proposal, **Attachment F1** NENA i3v3 Standard Compliance Form, unaltered and complete with all requested supporting documents.
- **Attachment J** Attestation Form, complete with all requested supporting documents; submitted as Submission Form attachment.

Any proposals not meeting the Mandatory Requirements to the Board's satisfaction will be disqualified.

Step 2

The proposals that fulfill the Step 1 Mandatory Requirements will then be scored based on Criteria 2.a ONLY. All proposals will be ranked based on their combined scores for Criteria 2.a ONLY. This ranking will be used to create a "short list". Any proposal not making the "short list" will not be further evaluated.

The proposals that fulfill the Step 2.a will then be scored based on Criteria 2.b and 3 ONLY. All proposals will be ranked based on their combined scores for Criteria 2.b and 3 ONLY. This ranking will be used to create a "short list". Any proposal not making the "short list" will not be further evaluated.

Step 2 may include one or more rounds of proposal discussions, oral presentations, clarifications, and/or demonstrations focused on cost and other proposal elements. Step 2 may include additional "short lists" at the State's sole discretion.

Step 3

The short-listed proposals will then be evaluated based on the entire evaluation criteria outlined in the table above.

If the State conducts additional rounds of discussions and a BAFO round which lead to changes in either the technical or cost proposal for the short-listed Respondents, their scores will be recomputed.

The section below describes the different evaluation criteria.

- 3.2.1 **Adherence to Requirements** – Pass/Fail
Respondents passing this category move to Phase 2

The following 2 categories cannot exceed 80 points.

- 3.2.2 **Management Assessment/Quality**
50 available points
- 3.2.3 **Price**
30 available points

Cost scores will then be normalized to one another, based on the lowest cost proposal evaluated. The lowest cost proposal receives a total of 30 points. The normalization formula is as follows:

Respondent's Cost Score = (Lowest Cost Proposal / Total Cost of Proposal) X 30

3.2.4 Buy Indiana Initiative – 5 points

Respondents qualifying, and documenting per **Attachment J**, as an Indiana Company as defined in [Section 2.6.2](#) will receive 5 points in this category.

3.2.5 Minority Business Subcontractor Commitment – 5 points⁷

The following formula will be used to determine points to be awarded based on the MBE goals listed in [Section 1.20](#) of this solicitation. Scoring is conducted based on an assigned 5-point, plus possible 1 bonus-points, scale. Points are assigned for respective MBE participation based upon the BAFO meeting or exceeding the established goals.

If the respondent's commitment percentage is less than the established MBE goal, the maximum points achieved will be awarded according to the following schedule:
