Respondents are reminded that no answers issued verbally at the conference are binding on the State and any information provided at the conference, unless it is later issued in writing, also is not binding on the State.

The pre-proposal conference provides an opportunity for potential prime contractors and potential sub-contractors to connect. Pricing on this solicitation must be firm and remain open for a period of not less than 180 days from the date of award issuance. Please refer to the Cost Proposal sub-section under [Section Two](#) for a detailed discussion of the proposal pricing format and requirements.

1.11 **Proposal Clarifications and Discussions, and Contract Discussions**

The State may request clarifications on proposals submitted. The State may also conduct proposal discussions, either oral or written, with Respondents. These discussions could include, but is not limited to, request for additional information, or request for cost or technical proposal revision. Discussions, along with negotiations with responsible Respondents may be conducted for any appropriate purpose.

The Procurement Division will schedule all discussions. Any information gathered through discussions must be confirmed in writing before it is binding.

² Please note if the State elects to cancel the solicitation, all submitted responses would remain confidential, until the replacement solicitation is concluded and an Award Recommendation made.

³ Making modifications to the Cost Proposal could result in the proposal being removed from consideration.

A sample contract is provided in **Attachment B**. Any requested changes to the sample contract must be submitted with your response (See [Section 2.3.6](#) for details). The State may reject any of these requested changes. It is the State's expectation that any material elements of the contract will be substantially finalized prior to contract award.

Attachment B1 details the State's key objectives for the Contractor. These objectives outline the State's goals for SPOE and LPCC performance and have been identified by BCDS as paramount to program success. Each objective includes metrics that will be used to measure performance against the objective, as well as a list of essential project activities to meet the objective. In certain instances, metrics are broken down and vary by year. 1.12 Best and Final Offer (BAFO)

The State may request best and final offers from those Respondents determined by the State to be reasonably viable for contract award. However, the State reserves the right to award a contract based on initial proposals received. Therefore, each proposal should contain the Respondent's best terms from a price and technical standpoint.

Following evaluation of the best and final offers, the State may select for final contract negotiations/execution the offer(s) that are most advantageous to the State.

1.13 Reference Site Visits

The State may request a site visit to a Respondent's working support center to aid in the evaluation of the Respondent's proposal. Site visits, if required will be discussed in the technical proposal.

1.14 Type and Term of Contract

The term of the contract shall be for a period of two (2) years from the date of contract execution. There may be two (2) two-year renewals for a total of six (6) years at the State's option.

Respondents claiming a statutory exception to the APRA **must indicate so per Attachment J** which specific provision applies to which specific part of the response.

The Respondent also certifies that neither it nor its principals are presently in arrears in payment of its taxes, permit fees or other statutory, regulatory, or judicially required payments to the State. The Respondent agrees that the State may confirm, at any time, that no such liabilities exist, and, if such liabilities are discovered, that State may bar the Respondent from contracting with the State, cancel existing contracts, withhold payments to setoff such obligations, and withhold further payments or purchases until the entity is current in its payments on its liability to the State and has submitted proof of such payment to the State.

1.20 Equal Opportunity Commitment

It has been determined that there is a reasonable expectation of minority, woman, and Indiana veteran business enterprises subcontracting opportunities on a contract awarded under this solicitation. Therefore, a contract goal of 8% for Minority Business Enterprises, 11% for Woman Business Enterprises, and 3% for Indiana Veteran Owned Small Businesses has been established.

Failure to address these requirements may impact the evaluation of your proposal.

1.21 Minority & Women Business Enterprises Subcontractor Commitment (MWBE)

Indiana Code 4-13-16.5 and 25 IAC 5 governs the Division of Supplier Diversity program as it relates to the certification, oversight, and responsibilities around the certified Indiana Minority and/or Women Business Enterprises (MWBE). As stated in 1.20, there is a commitment goal for this solicitation. The MWBE Subcontractor Commitment form is **Attachment A**. The MWBE Subcontractor Commitment Form is to be submitted as a part of the Respondent's proposal. In order for the subcontractor commitment to result in evaluation points for the Respondent, the entity must be on the State of Indiana Certified M/W/IVOSB list at <https://www.in.gov/idoa/mwbe>.

If participation is met through use of respondents who supply products and/or services directly to the Respondent, the Respondent must provide a description of products and/or services provided that are directly related to this proposal and the cost of direct supplies for this proposal. Respondents must complete the Subcontractor Commitment Form in its entirety. The amount entered in "**TOTAL BID AMOUNT**" should match the amount entered in the **Attachment D**, Cost Proposal Template (Summary tab). The MBE and/or WBE subcontractor

amount and subcontractor percentage is based on the initial term of the contract for scoring purposes only. However, the subcontractor commitment shall apply to the life of the contract including any time after the initial term.

Failure to meet these goals will affect the evaluation of your Proposal. The Department will verify all information included on the MWBE Subcontractor Commitment Form.

Please note that proposals will be evaluated and awarded on a regional basis. Respondents must submit pricing, MBE, and/or WBE subcontractor plans for each region they are responding to.

- Each firm may only serve as one classification – MBE, WBE, or IVOSB (see section 1.22).
- A Prime Contractor who is an MBE or WBE must meet subcontractor goals by using other listed certified firms. Certified Prime Contractors cannot count their own workforce or companies to meet this requirement. See 25 IAC 5-6-2(d))
- **Must serve a Valuable Scope Contribution (VSC). The firm must serve a value-added purpose on the engagement, as confirmed by the State.**
- Must provide goods or service only in the industry area for which it is certified.
- Must be used to provide the goods or services specific to the contract.
- National Diversity Plans are generally not acceptable.

MINORITY & WOMEN'S BUSINESS ENTERPRISES SUBCONTRACTOR LETTER OF COMMITMENT (MWBE)

A signed letter(s), on company letterhead, from the MBE(s) and/or WBE(s) must accompany the MWBE Subcontractor Commitment Form. Each letter shall state and will serve as acknowledgement from the MBE and/or WBE of its subcontract amount, a description of products and/or services to be provided on this project and approximate date the subcontractor will perform work on this contract. For scoring purposes, the MBE and/or WBE subcontractor amount and subcontractor percentage is based on the initial term of the contract. However, the subcontractor commitment shall apply to the life of the contract including any time after the initial term.

The State may deny evaluation points if the letter(s) is/are not attached, not on company letterhead, not signed and/or does not reference and match the subcontract amount,

subcontract amount as a percentage of the “**TOTAL BID AMOUNT**” and the anticipated period that the Subcontractor will perform work for this solicitation.

By submission of the Proposal, the Respondent acknowledges and agrees to be bound by the rules and requirements of the State’s Division of Supplier Diversity. Questions involving the regulations governing the MWBE Subcontractor Commitment Form should be directed to: Division of Supplier Diversity at (317) 232-3061 or the Supplier Diversity website at <https://www.in.gov/idoa/mwbe>.

MINORITY & WOMEN’S BUSINESS COMPLIANCE (MWBE)

The Pay Audit system can be accessed on the IDOA Pay Audit System webpage at www.in.gov/idoa/mwbe/payaudit.htm.

Further, a copy of each subcontractor agreement must be submitted to IDOA’s Division of Supplier Diversity within thirty (30) days of the effective date of this contract. The contracts may be uploaded into Pay Audit, emailed to MWBECompliance@idoa.IN.gov; or mailed to Division of Supplier Diversity Compliance 402 W. Washington Street, Indianapolis IN 46204. Failure to provide a copy of any subcontractor agreement or failure to meet these commitments could be considered a material breach of this contract and result in sanctions per 25 IAC 5.

Any changes to this information during the term of the contract must be approved by Division of Supplier Diversity Compliance at MWBECompliance@idoa.IN.gov.

1.22 Indiana Veteran Owned Small Business Subcontractor Commitment (IVOSB)

In accordance with IC 5-22-14 and 25 IAC 9, it has been determined that there is a reasonable expectation of Indiana Veteran Owned Small Business subcontracting opportunities on a contract awarded under this solicitation. The IVOSB Subcontractor Commitment form is **Attachment A1**. The IVOSB Subcontractor Commitment Form is to be submitted as a part of the Respondent’s proposal. In order for the subcontractor commitment to result in evaluation points for the Respondent, the entity must be on the State of Indiana Certified M/W/IVOSB list at <https://www.in.gov/idoa/mwbe>.

If participation is met through use of respondents who supply products and/or services directly to the Respondent, the Respondent must provide a description of products and/or services provided that are directly related to this proposal and the cost of direct supplies for this proposal. Respondents must complete the Subcontractor Commitment Form in its entirety. The amount entered in “**TOTAL BID AMOUNT**” should match the amount entered in the

Attachment D, Cost Proposal Template (Summary tab). The IVOSB subcontractor amount and subcontractor percentage is based on the initial term of the contract for scoring purposes only. However, the subcontractor commitment shall apply to the life of the contract including any time after the initial term.

If the Respondent to the solicitation is an IVOSB certified entity, the letter confirming same should be submitted with their response. The Respondent has the responsibility to alert IDOA of their certification. The IVOSB Respondent will receive the total points for the IVOSB evaluation criteria per [Section 3.2.7](#). Additional IVOSB subcontractors must be included if the IVOSB Respondent is seeking the additional bonus point.

The IVOSB Respondent must list their **company contact information only** on the IVOSB Subcontractor Commitment Form.

Failure to address these goals may impact the evaluation of your Proposal. The Department may verify all information included on the IVOSB Subcontractor Commitment Form.

Please note that proposals will be evaluated and awarded on a regional basis. Respondents must submit pricing and IVOSB subcontractor plans for each region they are responding to.

Prime Contractors must ensure that the proposed IVOSB subcontractors meet the following criteria:

- Must be listed on Federal Center for Veterans Business Enterprise VETBIZ at <https://www.vetbiz/va/gov/vip/> under INDIANA, or listed at State of Indiana Certified M/W/IVOSB list at <https://www.in.gov/idoa/mwbe>, **on or before** the proposal due date.

Section Two Proposal Preparation Instructions

2.1 General

To facilitate the timely evaluation of proposals, a standard format for proposal submission has been developed and is described in this section. All Respondents are required to format their proposals in a manner consistent with the guidelines described below:

- Proposals will be disqualified if the Submission Form is received without the Executive Summary and/or the required completed Attachment J, Attestation Form attached.
- The Executive Summary must be in the form of a letter and attached to the Submission Form.

- Requests to extend the due date to accommodate delivery challenges will be denied. Submission Form and Flash Drive responses not submitted by the deadlines will not be considered; sending responses via email or hand delivery will not be a viable alternative.
- The State strongly encourages Respondents to allow plenty of time to ship their proposals on Flash Drives.
- Please submit all attachments in their original format. Any attempt to manipulate the format of the documents that deviates from the current format will put your proposal at risk of disqualification.
- Confidential Information must also be clearly marked per **Attachment J**.
- Confirmation of receipt of Flash Drives is the responsibility of the Respondents and reliant upon the shipping method chosen.

There is no fee to be placed in Procurement Division's Bidder Database.

However, to the extent Respondents utilize different practices, structure, or procedures in different regions, Respondents must ensure that information is included in both Section 1 of the Technical Proposal and wherever else applicable. Every point made in each section must be addressed in the order given. The same outline numbers must be used in the response. Where appropriate, supporting documentation may be referenced by a page and paragraph number. However, when this is done, the body of the Technical Proposal must contain a meaningful summary of the referenced material. **The referenced document must be included as an appendix to the Technical Proposal with referenced sections clearly marked.** If there are multiple references or multiple documents, these must be listed and organized for ease of use by the State.

This is not a separate evaluation item scored as set forth in [Section 3.2](#) but still a required form. The collection and recognition of the information collected with the Indiana Economic Impact form places a strong emphasis on the economic impact a project will have on Indiana and its residents regardless of where a business is located. The collection of this information does not restrict any company or firm from doing business with the State. The amount entered in Line 16 “Total amount of this proposal, bid, or current contract” should match the amount entered in the **Attachment D**, Cost Proposal Template (Summary tab).

2.6.2 **Buy Indiana Initiative/Indiana Company**

The Respondent’s Buy Indiana status must be finalized when the solicitation response is submitted to the State.

Respondent must clearly indicate whether they intend to claim in **Attachment J** (Respondent will only be evaluated on the criteria selected/cited from IC 5-22-15-20.5).

⁶ The **Attachment J**, Attestation Form may be included on the Flash Drive if desired.

When applying to Buy IN status, be sure to allow sufficient time to complete this process, at least twenty (20) business days.

Buy Indiana

Refer to [Section 2.6.2](#) for additional information.

2.6.4 Subcontractors

The Respondent is responsible for the performance of any obligations that may result from this solicitation and shall not be relieved by the non-performance of any subcontractor. Respondent's proposal must identify all subcontractors including those not submitted in **Attachment A and/or Attachment A1** and describe the contractual relationship between the Respondent and each subcontractor. Per instructions in **Attachment J**, either a copy of the **executed subcontract** or a **letter of agreement** over the official signature of the firms involved must accompany each proposal.

Any subcontracts entered into by the Respondent must be in compliance with all State statutes and will be subject to the provisions thereof. For each portion of the proposed products or services to be provided by a subcontractor, **the technical proposal must include the identification of the functions to be provided by the subcontractor and the subcontractor's related qualifications and experience.**

The combined qualifications and experience of the Respondent and any or all subcontractors will be considered in the State's evaluation. The Respondent must furnish information to the State as to the amount of the subcontract, the qualifications of the subcontractor for guaranteeing performance, and any other data that may be required by the State. All subcontracts held by the Respondent must be made available upon request for inspection and examination by appropriate State officials, and such relationships must meet with the approval of the State.

The Respondent must list any subcontractor's name, address, and the state in which formed that are proposed to be used in providing the required products or services. The subcontractor's responsibilities under the proposal, anticipated dollar amount for subcontract, the subcontractor's form of organization, and an indication from the subcontractor of a willingness to carry out these responsibilities are to be included for each subcontractor. This assurance in no way relieves the Respondent of any responsibilities in responding to this solicitation or in completing the commitments documented in the proposal. The Respondent must indicate which, if any, subcontractors qualify as a Minority Business Enterprise, Women's Business Enterprise, or Veteran Owned Small Business under IC 4-13-16.5-1 and IC 5-22-14-3.5. See [Section 1.21](#), [Section 1.22](#) and **Attachments A/A1** for Minority, Women, and Veteran Business information.

IVOSB entities (whether a prime or subcontractor) must have a Bidder ID. If registered with IDOA, this should have already been provided (as with MWBEs). IVOSBs that are only registered with the Federal Center for Veterans Business Enterprise will need to ensure that they also have a Bidder ID provided by IDOA (please see [Section 2.3.8](#) for details).

Section Three Proposal Evaluation

3.1 Proposal Evaluation Procedure

The State has selected a group of personnel to act as a proposal evaluation team. Subgroups of this team, consisting of one or more team members, will be responsible for evaluating proposals with regard to compliance with solicitation requirements. All evaluation personnel will use the evaluation criteria stated in [Section 3.2](#).

The procedure for evaluating the proposals against the evaluation criteria will be as follows:

- 3.1.1 Each proposal will be evaluated for adherence to requirements on a pass/fail basis. Proposals that are incomplete or otherwise do not conform to proposal submission requirements may be eliminated from consideration. Further any proposals not meeting the Mandatory Requirements listed in [Section 3.2](#), Step 1 and noted in **Attachment J** will be disqualified.
- 3.1.2 Each proposal will be evaluated based on the categories included in [Section 3.2](#). A point score has been established for each category.
- 3.1.3 Based on the results of this evaluation, the qualifying proposal determined to be the most advantageous to the State may be selected by IDOA and BCDS for further action, such as contract negotiations. If, however, IDOA and BCDS decide that no proposal is sufficiently advantageous to the State, the State may take whatever further action is deemed necessary to fulfill its needs. If, for any reason, a proposal is selected and it is not possible to consummate a contract with the Respondent, the State may begin contract preparation with another Respondent or determine that no such alternate proposal exists.

3.2 Evaluation Criteria

Proposals will be evaluated based upon the proven ability of the Respondent to satisfy the requirements of the solicitation in a cost-effective manner. Each of the evaluation criteria categories is described below with a brief explanation of the basis for evaluation in that category. The points associated with each category are indicated following the category name (total maximum points = 103).

If any one or more of the listed criteria on which the responses to this solicitation will be evaluated are found to be inconsistent or incompatible with applicable federal laws, regulations or policies, the specific criterion or criteria will be disregarded, and the responses will be evaluated and scored without considering such criterion or criteria.

Summary of Evaluation Criteria:

Criteria	Points
1. Adherence to Mandatory Requirements	Pass/Fail
2. Management Assessment/Quality (Business and Technical Proposal)	50 available points
3. Cost (Cost Proposal)	30 available points
4. Buy Indiana	5
5. Minority Business Enterprise Subcontractor Commitment	5 (1 bonus point is available, see Section 3.2.5)
6. Women Business Enterprise Subcontractor Commitment	5 (1 bonus point is available, see Section 3.2.6)
7. Indiana Veteran Owned Small Business Subcontractor Commitment	5 (1 bonus point is available, see Section 3.2.7)
Total	100 (103 if bonus awarded)

All proposals will be evaluated using the following approach.

Step 1

In this step proposals will be evaluated only against Criteria 1 to ensure that they adhere to Mandatory Requirements. The Mandatory Requirements are:

- Executive Summary and required content; submitted as Submission Form attachment
- **Attachment A** and **A1** with commitment letters, and forms, if applicable
- **Attachment C** Indiana Economic Impact Form, completed
- **Attachment D** Cost Proposal, **Attachment E** Business Proposal, **Attachment F** Technical Proposal, unaltered and complete with all requested supporting documents
- **Attachment J** Attestation Form, complete with all requested supporting documents; submitted as Submission Form attachment
- The vendor(s) must currently provide case management or service coordination services to birth to age three populations in the public sector
- The vendor(s) must have experience providing case management or service coordination services in the last five (5) years
- The vendor(s) must not be a service provider of First Steps services in the same region that the Respondent's proposal addresses

Any proposals not meeting the Mandatory Requirements will be disqualified.

Step 2

The proposals that fulfill the Step 1 Mandatory Requirements will then be scored based on Criteria 2 and 3 ONLY. All proposals will be ranked based on their combined scores for Criteria 2 and 3 ONLY. This ranking will be used to create a “short list”. Any proposal not making the “short list” will not be further evaluated.

Step 2 may include one or more rounds of proposal discussions, oral presentations, clarifications, and/or demonstrations focused on cost and other proposal elements. Step 2 may include additional “short lists” at the State’s sole discretion.

Step 3

The short-listed proposals will then be evaluated based on the entire evaluation criteria outlined in the table above.

If the State conducts additional rounds of discussions and a BAFO round which lead to changes in either the technical or cost proposal for the short-listed Respondents, their scores will be recomputed.

The section below describes the different evaluation criteria.

- 3.2.1 Adherence to Requirements – Pass/Fail**
Respondents passing this category move to Phase 2

The following 2 categories cannot exceed 80 points.

- 3.2.2 Management Assessment/Quality**
50 available points

- 3.2.3 Price**
30 available points

Cost scores will then be normalized to one another, based on the cost proposal with the Lowest Effective Hourly Rate evaluated. The cost proposal with the Lowest Effective Hourly Rate receives a total of 30 points. The normalization formula is as follows:

- *Respondent’s Cost Score = (Lowest Effective Hourly Rate Cost Proposal / Effective Hourly Rate of Respondent’s Cost Proposal) X 30*

Please note that proposals will be evaluated and awarded on a regional basis as described in Section 1.4 Summary Scope of work. Respondents must submit pricing, M/WBE, and IVOSB subcontractor plans for each region they are responding to.

3.2.4 Buy Indiana Initiative – 5 points

Respondents qualifying, and documenting per **Attachment J**, as an Indiana Company as defined in Section 2.6.2 will receive 5 points in this category.

3.2.5 Minority Business Subcontractor Commitment – 5 points⁷

The following formula will be used to determine points to be awarded based on the MBE goal listed in [Section 1.20](#) of this solicitation. Scoring is conducted based on an assigned 5-point, plus possible 1 bonus-points, scale. Points are assigned for respective MBE participation based upon the BAFO meeting or exceeding the established goals.

If the respondent's commitment percentage is less than the established MBE goal, the maximum points achieved will be awarded according to the following schedule:

%	1%	2%	3%	4%	5%	6%	7%	8%
Pts.	.625	1.25	1.875	2.5	3.125	3.75	4.375	5.0

NOTE: Fractional percentages will be rounded up or down to the nearest whole percentage. (e.g. 7.49% will be rounded down to 7% = 4.375 pts., 7.50% will be rounded up to 8% = 5.00 pts. Rounding will be calculated based on the Sub-Contract Amount, divided by the Total Bid Amount.)

If the respondent's commitment amount is greater than \$0 but the commitment percentage is rounded down to 0% for MBE participation the respondent will receive 0 points.

If the respondent's commitment amount is \$0 and thus the commitment percentage is 0% for MBE participation, a deduction of 1 point will be discounted on the respective MBE score.

The respondent with the greatest applicable VSC participation which exceeds the stated goal ("exceeds" defined herein as a commitment percentage that is equal to or greater than 9% before rounding) for the respective MBE category will be awarded 6 points (5 points plus 1 bonus point). In cases where there is a tie for the greatest applicable VSC participation and both firms exceed the goal for the respective MBE category both firms will receive 6 points.

⁷ Required documentation must, of course, be provided to receive points as described.

3.2.6 Women Business Subcontractor Commitment - 5 points⁸

Pts.	0.45	0.9	1.35	1.8	2.25	2.7	3.15	3.6	4.05	4.5	5.0

NOTE: Fractional percentages will be rounded up or down to the nearest whole percentage. (e.g. 7.49% will be rounded down to 7% = 3.15 pts., 7.50% will be rounded up to 8% = 3.6 pts. Rounding will be calculated based on the Sub-Contract Amount, divided by the Total Bid Amount.)

If the Respondent's commitment amount is greater than \$0 but the commitment percentage is rounded down to 0% for WBE participation the Respondent will receive 0 points.

If the Respondent's commitment amount is \$0 and thus the commitment percentage is 0% for WBE participation, a deduction of 1 point will be discounted on the WBE score.
