## Summary of Changes

1. The following edits has been made to Attachment L (Scope of Work). Edited text is in **red** font.

a. In Section 14.3, Performance Withholds:

DDI Performance Withholds: If the Contractor does not meet a specific DDI performance standard (standards 1, 2, and 3), 10% of the related DDI milestone fee will be withheld from the milestone invoice. The Contractor will have the opportunity to earn back withheld amounts for DDI Milestones 1, 2, and 3 by completing Statewide Implementation by ~~November 1, 2023~~ **July 1, 2024**.

b. In Section 1.4, Minimum Requirements:

"Respondents must propose a proven transfer or COTS solution that the Contractor implemented in at least one organization (**government organizations are preferred**) in the last five (5) years. **The solution that was implemented shall encompass the core functionality requested in VISIT to allow for a good fit out of the box with IDOH's VISIT requirements and is currently in use by that organization (government organizations are preferred).** Though not mandatory, it is preferred that the Respondent have public sector experience, particularly supporting other state governments with vaccination, scheduling, and claims processing solutions.
