- I. The following edits have been made to the Contract Negotiated Bid, Bid-Cost document.

1. Bid Cost, Instruction Tab

Instructions	
It is the intent of Indiana Department of Homeland Security (DHS) to contract with a respondent that provides quality structural firefighting gear and self-contained breathing apparatus for firefighters for Indiana Department of Homeland Security/Indiana Fire and Public Safety Academy.	
Structural Firefighting Gear:	
Coat Pant Helmet Hoods Boots Gloves Self-Contained Breathing Apparatus (SCBA)	
Please complete the cost proposal by populating the yellow shaded cells on the following sheets:	
Any unnecessary changes to the cost proposal or formulas may be grounds for disqualification. Proposing fees in any manner other than what is requested or attaching caveats to pricing may put your proposal at risk. The blue shaded cells will populate as you complete the cost proposal.	
Special Bid Requirements:	
All sizing must be completed by the Dealer or Manufacturer, utilizing manufacturer-approved sizing gear, and sizing must be completed for each individual firefighter to receive a set of gear.	
Vendor to provide SCBA Mask fit testing and sizing before delivery of the order. Mask sizes will be ordered per fit test requirements.
