Important notes:

Remember that you cannot update the primary contact's email address and use it to sign into the Supplier Portal on the same day.

No more than one proposal per Respondent may be submitted.

Responses may no longer be sent in on flash drives.

The State encourages Respondents to break down their proposals into small file sizes and use compressed zip files, where possible. Uploading large files may lengthen the time to

successfully submit your proposal. Checking file sizes of the proposal documents by viewing file properties is also recommended to reduce risks when uploading files.

A bidder ID and password are required to submit a response. For more information on that process, visit: <https://www.in.gov/idoa/wbt/SupplierPortal/index.html>. Bidder ID and password issues are handled by submitting a request for assistance to the State of Indiana Office of Technology and are handled in the order in which they are received. IDOA is not able to assist with these types of issues and they are not justification to miss the submission deadline.

The State strongly encourages Respondents to allow plenty of time when electronically submitting their proposals. Waiting until the last day is not recommended. The Supplier Portal allows documents to be edited until the proposal due date. Therefore, documents could be loaded over several days. The Supplier Portal will not accept proposals once the proposal due date and time has expired, even if a Respondent has already begun uploading bid documents.

The State accepts no obligations for costs incurred by Respondents in anticipation of being awarded a contract.

1.9 Modification or Withdrawal of Offers¹

Responses may be modified by Respondents until the time and date the response is due. The Respondent's authorized representative may withdraw the proposal prior to the due date by sending notice to the address listed above in Section 1.8.

1.10 Pricing

Pricing on this solicitation must be firm and remain open for a period of not less than one hundred eighty (180 days) from the date of award issuance. Any attempt to manipulate the format of the document, attach caveats to pricing, or submit pricing that deviates from the current format will put your proposal at risk of being removed from consideration.²

Please refer to the Cost Proposal sub-section under [Section Two](#) for a detailed discussion of the proposal pricing format and requirements.

1.11 Proposal Clarifications

The State may request clarifications, in writing, on proposals submitted. These clarifications could include, but are not limited to, request for additional information, or request for Cost or Technical proposal revision. Additionally, in conducting clarifications, the State may use

¹ Please note if the State elects to cancel the solicitation, all submitted responses would remain confidential, until the replacement solicitation is concluded, and an Award Recommendation made.

² Making modifications to the Cost Proposal could result in the proposal being removed from consideration.

information derived from proposals submitted by competing Respondents only if the identity of the Respondent providing the information is not disclosed to others. The State will provide equivalent information to all Respondents which have been chosen for clarifications.

A sample contract is provided in **Attachment B**. Any requested changes to the sample contract must be submitted with your response (See [Section 2.3.6](#) for details). The State may reject any of these requested changes. It is the State's expectation that any material elements of the contract will be substantially finalized prior to contract award.

1.12 Best and Final Offer (BAFO)

Each proposal should contain the Respondents' best terms from a price and technical perspective.

The State may request best and final offers from those Respondents determined by the State to be reasonably viable for contract award. However, the State reserves the right to award a contract based on initial proposals received.

Following evaluation of the best and final offers, the State may select for final contract negotiations/execution the offer(s) that are most advantageous to the State.

1.13 Reference Site Visits

The State may request a site visit to a Respondent's working support center to aid in the evaluation of the Respondent's proposal. Site visits, if required will be discussed in the technical proposal.

The term of the contract shall be for a period of four (4) years from the date of contract execution. There may be two (2) one-year renewals for a total of six (6) years at the State's option.

1.15 Confidential Information

Respondents are advised that materials contained in proposals are subject to the Access to Public Records Act (APRA), IC 5-14-3 *et seq.*, and, after the contract award, the entire solicitation file will be posted on the IDOA website and may be viewed and copied by any member of the public, including news agencies and competitors. The responses are deemed to be "public records" unless a specific provision of IC 5-14-3 protects it from disclosure.

Respondents claiming a statutory exception to the APRA **must indicate so per Attachment J** which specific provision applies to which specific part of the response.

Please note citing “Confidential” on an entire section is not sufficient or acceptable.

The Public Access Counselor (PAC) provides guidance on APRA. Respondents are encouraged to read guidance from the PAC on this topic as this is the guidance IDOA follows:

- [18-INF-06; Redaction of Public Procurement Documents Informal Inquiry](#)

If the Respondent does not identify the statutory exception, the Procurement Division will not consider the submission confidential. The State also may seek the opinion of the PAC for guidance.

The Respondent also certifies that neither it nor its principals are presently in arrears in payment of its taxes, permit fees or other statutory, regulatory, or judicially required payments to the State. The Respondent agrees that the State may confirm, at any time, that no such liabilities exist, and, if such liabilities are discovered, that State may bar the Respondent from contracting with the State, cancel existing contracts, withhold payments to setoff such obligations, and withhold further payments or purchases until the entity is current in its payments on its liability to the State and has submitted proof of such payment to the State.

1.20 Equal Opportunity Commitment

It has been determined that there is a reasonable expectation of minority, woman, and Indiana veteran business enterprises subcontracting opportunities on a contract awarded under this solicitation. Therefore, a contract goal of 8% for Minority Business Enterprises, 11% for Woman Business Enterprises, and 3% for Indiana Veteran Owned Small Businesses has been established.

Respondent's proposal must identify all subcontractors including those not submitted in **Attachment A and/or Attachment A1** and describe the contractual relationship between the Respondent and each subcontractor. Per instructions in **Attachment J**, either a copy of the **executed subcontract** or a **letter of agreement** over the official signature of the firms involved must accompany each proposal.

Any subcontracts entered into by the Respondent must be in compliance with all State statutes and will be subject to the provisions thereof. For each portion of the proposed products or services to be provided by a subcontractor, **the Attestation Form, Attachment J, must include the identification of the functions to be provided by the subcontractor and the subcontractor's related qualifications and experience.**

The combined qualifications and experience of the Respondent and any or all subcontractors will be considered in the State's evaluation. The Respondent must furnish information to the State as to the amount of the subcontract, the qualifications of the subcontractor for guaranteeing performance, and any other data that may be required by the State. IVOSBs that are only registered with the Federal Center for Veterans Business Enterprise will need to ensure that they also have a Bidder ID provided by IDOA (please see [Section 2.3.8](#) for details).

Section Three Proposal Evaluation

3.1 Proposal Evaluation Procedure

The State has selected a group of personnel to act as a proposal evaluation team. Subgroups of this team, consisting of one or more team members, will be responsible for evaluating proposals with regard to compliance with solicitation requirements. All evaluation personnel will use the evaluation criteria stated in [Section 3.2](#).

The procedure for evaluating the proposals against the evaluation criteria will be as follows:

- 3.1.1 Each proposal will be evaluated for adherence to mandatory requirements, per Section 3.2, Step 1, on a pass/fail basis. Proposals that are incomplete or otherwise do not conform to proposal submission requirements may be eliminated from consideration. Further any proposals not meeting the Mandatory Requirements listed in [Section 3.2](#), Step 1 and noted in **Attachment J** will be disqualified.
- 3.1.2 Each proposal will be evaluated based on the categories included in [Section 3.2](#). A point score has been established for each category.
- 3.1.3 Based on the results of this evaluation, the qualifying proposal determined to be the most advantageous to the State may be selected by IDOA for further action, such as contract negotiations. If, however, IDOA decides that no proposal is sufficiently advantageous to the State, the State may take whatever further action is deemed necessary to fulfill its needs. If, for any reason, a proposal is selected and it is not possible to consummate a contract with the Respondent, the State may begin contract preparation with another Respondent or determine that no such alternate proposal exists.

3.2 Evaluation Criteria

Proposals will be evaluated based upon the proven ability of the Respondent to satisfy the requirements of the solicitation in a cost-effective manner. Each of the evaluation criteria categories is described below with a brief explanation of the basis for evaluation in that category. The points associated with each category are indicated following the category name (total maximum points = 103). Negative points may be assigned in the cost score.

Additionally, there is an opportunity for a bonus of three points if certain criteria are met. For further information, please reference [Section 3.2.3](#). If any one or more of the listed criteria on which the responses to this solicitation will be evaluated are found to be inconsistent or incompatible with applicable federal laws, regulations or policies, the specific criterion or

criteria will be disregarded, and the responses will be evaluated and scored without considering such criterion or criteria.

Summary of Evaluation Criteria:

Criteria	Points
1. Adherence to Mandatory Requirements	Pass/Fail
2. Management Assessment/Quality (Business and Technical Proposal)	45 available points
3. Cost (Cost Proposal)	35 available points
4. Buy Indiana	5
5. Minority Business Enterprise Subcontractor Commitment	5 (1 bonus points are available, see Section 3.2.5)
6. Women Business Enterprise Subcontractor Commitment	5 (1 bonus points are available, see Section 3.2.5)
7. Indiana Veteran Owned Small Business Subcontractor Commitment	5 (1bonus points are available, see Section 3.2.6)
Total	100 (103 if bonus awarded)

All proposals will be evaluated using the following approach.

Step 1

In this step proposals will be evaluated only against Criteria 1 to ensure that they adhere to Mandatory Requirements. The Mandatory Requirements are:

- Executive Summary and required content
- **Attachment C** Indiana Economic Impact Form, completed;
- **Attachment D** Cost Proposal, **Attachment E** Business Proposal, **Attachment F** Technical Proposal, unaltered and complete with all requested supporting documents.
- **Attachment J** Attestation Form, complete with all requested supporting documents

Any proposals not meeting the Mandatory Requirements will be disqualified.

Step 2

The proposals that fulfill the Step 1 Mandatory Requirements will then be scored based on Criteria 2 and 3 ONLY. All proposals will be ranked based on their combined scores for Criteria

2 and 3 ONLY. This ranking will be used to create a “short list”. Any proposal not making the “short list” will not be further evaluated.

Step 2 may include one or more rounds of proposal discussions, oral presentations, clarifications, and/or demonstrations focused on cost and other proposal elements. Step 2 may include additional “short lists” at the State’s sole discretion.

Step 3

The short-listed proposals will then be evaluated based on the entire evaluation criteria outlined in the table above.

If the State conducts additional rounds of discussions and a BAFO round which lead to changes in either the technical or cost proposal for the short-listed Respondents, their scores will be recomputed.

The section below describes the different evaluation criteria.

- 3.2.1 **Adherence to Requirements** – Pass/Fail
Respondents passing this category move to Phase 2

The following 2 categories cannot exceed 80 points.

- 3.2.2 **Management Assessment/Quality**
45 available points

- 3.2.3 **Price**
35 available points

Cost scores will then be normalized to one another, based on the lowest cost proposal evaluated. The lowest cost proposal receives a total of 35 points. The normalization formula is as follows:

- *Respondent’s Cost Score = (Lowest Cost Proposal / Total Cost of Proposal) X 35*

- 3.2.4 **Buy Indiana Initiative** – 5 points

Respondents qualifying, and documenting per **Attachment J**, as an Indiana Company as defined in [Section 2.6.2](#) will receive 5 points in this category.

3.2.5 Minority Business Subcontractor Commitment – 5 points⁵

The following formula will be used to determine points to be awarded based on the MBE goals listed in [Section 1.20](#) of this solicitation. Scoring is conducted based on an assigned 5-point, plus possible 1 bonus-points, scale. Points are assigned for respective MBE participation based upon the BAFO meeting or exceeding the established goals.

If the respondent's commitment percentage is less than the established MBE goal, the maximum points achieved will be awarded according to the following schedule:

%	1%	2%	3%	4%	5%	6%	7%	8%
Pts.	.625	1.25	1.875	2.5	3.125	3.75	4.375	5.0

NOTE: Fractional percentages will be rounded up or down to the nearest whole percentage. (e.g. 7.49% will be rounded down to 7% = 4.375 pts., 7.50% will be rounded up to 8% = 5.00 pts. Rounding will be calculated based on the Sub-Contract Amount, divided by the Total Bid Amount.)

If the respondent's commitment amount is greater than \$0 but the commitment percentage is rounded down to 0% for MBE participation the respondent will receive 0 points.

If the respondent's commitment amount is \$0 and thus the commitment percentage is 0% for MBE participation, a deduction of 1 point will be discounted on the respective MBE score.

The respondent with the greatest applicable VSC participation which exceeds the stated goal ("exceeds" defined herein as a commitment percentage that is equal to or greater than 9% before rounding) for the respective MBE category will be awarded 6 points (5 points plus 1 bonus point). In cases where there is a tie for the greatest applicable VSC participation and both firms exceed the goal for the respective MBE category both firms will receive 6 points.

3.2.6 Women Business Subcontractor Commitment - 5 points ⁶

The following formula will be used to determine points to be awarded based on the WBE goals listed in [Section 1.20](#) of this solicitation.

Scoring is conducted based on an assigned 5-point, plus possible 1 bonus-point, scale. Points are assigned for WBE participation based upon the BAFO meeting or

⁵ Required documentation must, of course, be provided to receive points as described.

⁶ Required documentation must, of course, be provided to receive points as described.

exceeding the established goals.

If the Respondent's commitment percentage is less than the established WBE goal, the maximum points achieved will be awarded according to the following schedule:

%	1%	2%	3%	4%	5%	6%	7%	8%	9%	10%	11%
Pts.	0.45	0.9	1.35	1.8	2.25	2.7	3.15	3.6	4.05	4.5	5.0

NOTE: Fractional percentages will be rounded up or down to the nearest whole percentage. (e.g. 7.49% will be rounded down to 7% = 3.15 pts., 7.50% will be rounded up to 8% = 3.6 pts. Rounding will be calculated based on the Sub-Contract Amount, divided by the Administrative Bid Amount.)

If the Respondent's commitment amount is greater than \$0 but the commitment percentage is rounded down to 0% for WBE participation the Respondent will receive 0 points.

If the Respondent's commitment amount is \$0 and thus the commitment percentage is 0% for WBE participation, a deduction of 1 point will be discounted on the WBE score.

The Respondent with the greatest applicable VSC participation which exceeds the stated goal ("exceeds" defined herein as a commitment percentage that is equal to or greater than 12% before rounding) for the WBE category will be awarded 6 points (5 points plus 1 bonus point). In cases where there is a tie for the greatest applicable VSC participation and both firms exceed the goal for the WBE category both firms will receive 6 points.

3.2.7 **Indiana Veteran Owned Small Business Subcontractor Commitment - 5 points**⁷

The following formula will be used to determine points to be awarded based on the IVOSB goal listed in [Section 1.20](#) of this solicitation. Scoring is conducted based on an assigned 5-point, plus possible 1 bonus-point, scale. Points are assigned for IVOSB participation based upon the BAFO meeting or exceeding the established goals.

If the respondent's commitment percentage is less than the established IVOSB goal, the maximum points achieved will be awarded according to the following schedule:

%	0%	0.6%	1.2%	1.8%	2.4%	3%
---	----	------	------	------	------	----

⁷ Required documentation must, of course, be provided to receive points as described.

Pts.	-1	1	2	3	4	5
------	----	---	---	---	---	---

NOTE: Fractional points will be awarded based upon a graduated scale between whole points. (e.g., a 0.3% commitment will receive .5 points and a 1.5% commitment will receive 2.5 points)

If the respondent's commitment percentage is 0% for IVOSB participation, a deduction of 1 point will be assessed.

The IVOSB prime respondent commitment will be 3% and will receive 5 points. Any additional IVOSB subcontractor commitments will be added to the 3%.

The respondent with the greatest applicable VSC participation which exceeds the stated goal for the IVOSB category will be awarded 6 points (5 points plus 1 bonus point). In cases where there is a tie for the greatest applicable VSC participation and both firms exceed the goal for the IVOSB category both firms will receive 6 points.
