It is the intent of the Indiana Department of Administration to contract with a Respondent(s) that can provide Vehicle Parts and Accessories for all State Agencies. Respondents are strongly encouraged to carefully review the comprehensive and detailed project requirements outlined in **Attachment L - Scope of Work**, as this attachment provides critical information and guidance that will enable Respondents to submit a thorough and responsive proposal that meets the State’s needs

### 1.4 Summary Scope of Work

The State of Indiana, through the Department of Administration, is requesting proposals for vehicle parts and accessories. The State is seeking to contract with a Respondent(s) to provide these products to all State Agencies and other governmental bodies. The Awarded Respondent(s) shall be expected to provide the State with a robust catalog of items and fast and reliable delivery services to sites across the State of Indiana. The State requires the ability to purchase products online using punch-out catalogs and strongly prefers that these catalogs be vendor-provided and vendor-hosted. Awarded Respondent(s) shall additionally be expected to provide excellent customer service and detailed reporting.

This RFP covers the purchase and delivery of, and provision of warranty services for, all vehicle parts and accessories required by State, K12, and local entities. This RFP is not inclusive of services to install or repair (outside of what is guaranteed by warranty) any vehicle parts or accessories, nor is it inclusive of any vehicle diagnostics or maintenance services.

The vehicle parts and accessories purchased by the State have been grouped according to the following ten product categories: **Batteries, Brakes, Chemicals and Cleaners, Electrical and Lighting, Engine and Driveline, HVAC, Interior and Exterior, Oils, Fluids and Filters, Shop Supplies and Tools**, and **Steering, Suspension and Wheels**. Not included within these product categories are tires and vehicle glass. These products are not covered by this RFP.

It is the State's intent for all items sold under the contract resulting from this RFP to be competitively discounted. Therefore, products sold under the resulting contract shall be sold at a price which is the product's List Price (at the time of sale) less the contracted discount.

Over the last four calendar years, the State spent an estimated \$13,993,413.95 on vehicle parts and accessories. These figures are only an estimate and are not to be construed as an amount to be offered under this solicitation. **However, when completing the Minority and Women's Business Enterprises Subcontractor Commitment Form (Attachment A), Indiana Veteran Owned Small Business Contractor Commitment Form (Attachment A1), and the Indiana Economic Impact form (Attachment C), please use the four-year spend total found in the current Purchasing Profile: \$13,993,413.95.** The current Purchasing Profile can be found in **Attachment L - Scope of Work.**

## 1.6 Pre-Proposal Conference

A pre-proposal conference will be held at the date, time and location specified in [Section 1.24](#). At this conference, potential Respondents may ask questions about the solicitation and the solicitation process. Respondents are reminded that no answers issued verbally at the conference are binding on the State and any information provided at the conference, unless it is later issued in writing, also is not binding on the State.

The pre-proposal conference provides an opportunity for potential Prime Contractors and potential Subcontractors to connect. The State strongly encourages potential Prime Contractors and potential Subcontractors to complete and submit **Attachment I** directly to [rfp@idoa.in.gov](mailto:rfp@idoa.in.gov) no later than the time and date outlined in [Section 1.24](#). Compiled company contact information will be posted to the solicitation website to allow networking to take place among the vendor community. Though **Attachment I** is not required, the State encourages its use.

## 1.7 Question/Inquiry Process

All questions/inquiries regarding this solicitation must be submitted by the date and time outlined in [Section 1.24](#). The first round of Questions/Inquiries focuses on item specifications and may be submitted in **Attachment G1**, Q&A Round 1 Template, via email to [rfp@idoa.IN.gov](mailto:rfp@idoa.IN.gov) and must be received by the time and date indicated in [Section 1.24](#). The second round of Questions/Inquiries covers all other questions and may be submitted in **Attachment G2**, Q&A Round 2 Template, via email to [rfp@idoa.IN.gov](mailto:rfp@idoa.IN.gov) and must be received by the time and date indicated in [Section 1.24](#).

The subject line of the email submissions must clearly state the following:

**“25-83140 Questions/Inquiries – [INSERT COMPANY NAME]”.**

Following the question/inquiry due dates, Procurement Division personnel will compile a list of the questions/inquiries submitted by all Respondents, redacting the name of the company who submitted the question. The responses will be posted to the IDOA website according to the timetable established in [Section 1.24](#). Only answers posted on the IDOA website will be considered binding and valid by the State. No Respondent shall rely upon, take any action, or make any decision based upon any verbal communication with any State employee.

If it becomes necessary to revise any part of this solicitation, or if additional information is necessary for a clearer interpretation of provisions of this solicitation prior to the due date for proposals, an Addendum will be posted on the IDOA website. If such Addenda issuance is necessary, the Procurement Division may extend the due date and time of proposals to accommodate such additional information requirements, if required.

### **1.8 Due Date for Proposals**

All proposals must be received through the Supplier Portal at the link below by the Procurement Division no later than the date and time outlined in [Section 1.24](#) Summary of Milestones. The proposal will be considered the official response in evaluating responses for scoring and protest resolution and may be posted on the IDOA website, <https://www.in.gov/idoa/procurement/award-recommendations/> if recommended for selection. The proposal must follow the format indicated in [Section Two](#) of this document. No other method of submission will be accepted. Unnecessarily elaborate brochures or other presentations, beyond those necessary to present a complete and effective proposal, are not desired.

<https://www.in.gov/idoa/procurement/supplier-resource-center/requirements-to-do-business-with-the-state/bidder-profile-registration/manage-my-bidder-profile/submitting-a-bid/>

Important notes:

Remember that you cannot update the primary contact's email address and use it to sign into the Supplier Portal on the same day.

No more than one proposal per Respondent may be submitted.

Responses may no longer be sent in on flash drives.

The State encourages Respondents to break down their proposals into small file sizes and use compressed zip files, where possible. Uploading large files may lengthen the time to successfully submit your proposal. Checking file sizes of the proposal documents by viewing file properties is also recommended to reduce risks when uploading files.

A bidder ID and password are required to submit a response. For more information on that process, visit: <https://www.in.gov/idoa/wbt/SupplierPortal/index.html>. Bidder ID and password issues are handled by submitting a request for assistance to the State of Indiana Office of Technology and are handled in the order in which they are received. IDOA is not able to assist with these types of issues and they are not justification to miss the submission deadline.

The State strongly encourages Respondents to allow plenty of time when electronically submitting their proposals. Waiting until the last day is not recommended. The Supplier Portal allows documents to be edited until the proposal due date. Therefore, documents could be loaded over several days. The Supplier Portal will not accept proposals once the proposal due date and time has expired, even if a Respondent has already begun uploading bid documents.

The State accepts no obligations for costs incurred by Respondents in anticipation of being awarded a contract.

#### **1.9 Modification or Withdrawal of Offers<sup>1</sup>**

Responses may be modified by Respondents until the time and date the response is due. The Respondent's authorized representative may withdraw the proposal prior to the due date by sending notice to the address listed above in Section 1.8.

#### **1.10 Pricing**

Pricing on this solicitation must be firm and remain open for a period of not less than one hundred eighty (180 days) from the date of award issuance. Any attempt to manipulate the format of the document, attach caveats to pricing, or submit pricing that deviates from the current format will put your proposal at risk of being removed from consideration. <sup>2</sup>

Please refer to the Cost Proposal sub-section under [Section Two](#) for a detailed discussion of the proposal pricing format and requirements.

---

<sup>1</sup> Please note if the State elects to cancel the solicitation, all submitted responses would remain confidential, until the replacement solicitation is concluded, and an Award Recommendation made.

<sup>2</sup> Making modifications to the Cost Proposal could result in the proposal being removed from consideration.

### **1.11 Proposal Clarifications**

The State may request clarifications, in writing, on proposals submitted. These clarifications could include, but are not limited to, request for additional information, or request for Cost or Technical proposal revision. Additionally, in conducting clarifications, the State may use information derived from proposals submitted by competing Respondents only if the identity of the Respondent providing the information is not disclosed to others. The State will provide equivalent information to all Respondents which have been chosen for clarifications.

A sample contract is provided in **Attachment B**. Any requested changes to the sample contract must be submitted with your response (See [Section 2.3.5](#) for details). The State may reject any of these requested changes. It is the State's expectation that any material elements of the contract will be substantially finalized prior to contract award.

### **1.12 Best and Final Offer (BAFO)**

Each proposal should contain the Respondents' best terms from a price and technical perspective.

The State may request best and final offers from those Respondents determined by the State to be reasonably viable for contract award. However, the State reserves the right to award a contract based on initial proposals received.

Following evaluation of the best and final offers, the State may select for final contract negotiations/execution the offer(s) that are most advantageous to the State.

### **1.13 Reference Site Visits**

The State may request a site visit to a Respondent's working support center to aid in the evaluation of the Respondent's proposal. Site visits, if required, will be discussed in the technical proposal.

### **1.14 Type and Term of Contract**

The State intends to sign a contract with one or more Respondent(s) to fulfill the requirements in this solicitation.

The term of the contract shall be for a period of four (4) years from the date of contract execution. There may be two (2) one-year renewals for a total of six (6) years at the State's option.

### **1.15 Confidential Information**

Respondents are advised that materials contained in proposals are subject to the Access to Public Records Act (APRA), IC 5-14-3 *et seq.*, and, after the contract award, the entire solicitation file will be posted on the IDOA website and may be viewed and copied by any member of the public, including news agencies and competitors. The responses are deemed to be “public records” unless a specific provision of IC 5-14-3 protects it from disclosure. Respondents claiming a statutory exception to the APRA **must indicate so per Attachment J** which specific provision applies to which specific part of the response.

Please note citing “Confidential” on an entire section is not sufficient or acceptable.

The Public Access Counselor (PAC) provides guidance on APRA. Respondents are encouraged to read guidance from the PAC on this topic as this is the guidance IDOA follows:

- [18-INF-06; Redaction of Public Procurement Documents Informal Inquiry](#)

If the Respondent does not identify the statutory exception, the Procurement Division will not consider the submission confidential. The State also may seek the opinion of the PAC for guidance.

The Respondent also certifies that neither it nor its principals are presently in arrears in payment of its taxes, permit fees or other statutory, regulatory, or judicially required payments to the State. The Respondent agrees that the State may confirm, at any time, that no such liabilities exist, and, if such liabilities are discovered, that State may bar the Respondent from contracting with the State, cancel existing contracts, withhold payments to setoff such obligations, and withhold further payments or purchases until the entity is current in its payments on its liability to the State and has submitted proof of such payment to the State.

#### **1.20 Equal Opportunity Commitment**

Therefore, a contract goal of 8% for Minority Business Enterprises, 11% for Woman Business Enterprises, and 3% for Indiana Veteran Owned Small Businesses has been established.

Failure to address these requirements may impact the evaluation of your proposal.

#### **1.21 Minority & Women Business Enterprises Subcontractor Commitment (MWBE)**

Indiana Code 4-13-16.5 and 25 IAC 5 governs the Division of Supplier Diversity program as it relates to the certification, oversight, and responsibilities around the certified Indiana Minority and/or Women Business Enterprises (MWBE). The contract goal for this solicitation is 8% Minority participation and 11% for Women participation.

If participation exists, the vendor must submit with its quote an MWBE Subcontractor Commitment Form. The entity must be on the State of Indiana Certified M/W/IVOSB list at <https://www.in.gov/idoa/mwbe>.

If participation is met through the use of vendors who supply products and/or services directly to the Respondent, the Respondent must provide a description of products and/or services provided that are directly related to this quote and the cost of direct supplies for this quote. Respondents must complete the Subcontractor Commitment Form in its entirety. The total amount proposed should match the amount entered on the Supplier Commitment form. The subcontractor commitment shall apply to the life of the contract including any time after the initial term.

A signed letter(s), on company letterhead, from the MBE(s) and/or WBE(s) must accompany the MWBE Subcontractor Commitment Form. Each letter shall state and will serve as acknowledgement from the MBE and/or WBE of its subcontract amount, a description of products and/or services to be provided on this project and approximate date the subcontractor will perform work on this contract.

Questions about those rules and requirements should be directed to: Division of Supplier Diversity at (317) 232-3061 or the Supplier Diversity website at <https://www.in.gov/idoa/mwbe>. Indiana Code 4-13-16.5 and 25 IAC 5 governs the Division of Supplier Diversity program as it relates to the certification, oversight, and responsibilities around the certified Indiana Minority and/or Women Business Enterprises (MWBE). As stated in [Section 1.20](#), there is a commitment goal for this solicitation. The MWBE Subcontractor Commitment form is **Attachment A**. The MWBE Subcontractor Commitment Form is to be submitted as a part of the Respondent's proposal. In order for the Subcontractor commitment to result in evaluation points for the Respondent, the entity must be on the State of Indiana Certified M/W/IVOSB list at <https://www.in.gov/idoa/mwbe>.

If participation is met through the use of Subcontractors, the Respondent must provide the scope of work of the products and/or services to be provided by the Subcontractor(s). This must include explanation of whether the products and/or services are to be utilized directly by the Respondent and/or directly by the State, a description of the process through which the products/services will be received and applied to the benefit of the award, the deliverable requirements as agreed upon between the Contractor and Subcontractor, the certified UNSPSC that applies to the award, and the cost of supplies being utilized by the Respondent for this proposal. Respondents must complete the Subcontractor Commitment Form in its entirety. The amount entered in "**TOTAL BID AMOUNT**" should match the amount specified in Section 1.4 of the RFP. The MBE and/or WBE Subcontractor amount and Subcontractor percentage is based on the initial term of the contract for scoring purposes only. The overall committed Subcontractor percentage shall be sustained throughout the life of the contract including any time after the initial term.

Failure to meet these goals will affect the evaluation of your Proposal. The Department will verify all information included on the MWBE Subcontractor Commitment Form.

**Prime Contractors must ensure that the proposed Subcontractors meet the following criteria:**

#### **MINORITY & WOMEN'S BUSINESS ENTERPRISES SUBCONTRACTOR LETTER OF COMMITMENT (MWBE)**

Each letter shall state and will serve as acknowledgement from the MBE and/or WBE of its Subcontract amount, a description of products and/or services to be provided on this project and approximate date the Subcontractor will perform work on this contract. For scoring purposes, the MBE and/or WBE Subcontractor amount and Subcontractor percentage is based on the initial term of the contract. However, the Subcontractor commitment shall apply to the life of the contract including any time after the initial term.

The State may deny evaluation points if the letter(s) is/are not attached, not on company letterhead, not signed and/or does not reference and match the subcontract amount, subcontract amount as a percentage of the **"TOTAL BID AMOUNT"** and the anticipated period that the Subcontractor will perform work for this solicitation.

By submission of the proposal, the Respondent acknowledges and agrees to be bound by the rules and requirements of the State's Division of Supplier Diversity. Questions about those rules and requirements should be directed to: Division of Supplier Diversity at (317) 232-3061 or the Supplier Diversity website at <https://www.in.gov/idoa/mwbe>.

### **3.1 Proposal Evaluation Procedure**

The State has selected a group of personnel to act as a proposal evaluation team. Subgroups of this team, consisting of one or more team members, will be responsible for evaluating proposals with regard to compliance with solicitation requirements. All evaluation personnel will use the evaluation criteria stated in [Section 3.2](#).

The procedure for evaluating the proposals against the evaluation criteria will be as follows:

- 3.1.1 Each proposal will be evaluated for adherence to mandatory requirements, per Section 3.2, Step 1, on a pass/fail basis. Proposals that are incomplete or otherwise do not conform to proposal submission requirements may be eliminated from consideration. Further any proposals not meeting the Mandatory Requirements listed in [Section 3.2](#), Step 1 and noted in **Attachment F1** may be disqualified.
- 3.1.2 Each proposal will be evaluated based on the categories included in [Section 3.2](#). A point score has been established for each category.
- 3.1.3 Based on the results of this evaluation, the qualifying proposal determined to be the most advantageous to the State may be selected by IDOA for further action, such as contract negotiations. If, however, IDOA decides that no proposal is sufficiently advantageous to the State, the State may take whatever further action is deemed necessary to fulfill its needs. If, for any reason, a proposal is selected and it is not possible to consummate a contract with the Respondent, the State may begin contract preparation with another Respondent or determine that no such alternate proposal exists.

### **3.2 Evaluation Criteria**

Proposals will be evaluated based upon the proven ability of the Respondent to satisfy the requirements of the solicitation in a cost-effective manner. Each of the evaluation criteria categories is described below with a brief explanation of the basis for evaluation in that category. The points associated with each category are indicated following the category name (total maximum points = 103). Negative points may be assigned in the cost score.

Additionally, there is an opportunity for a bonus of three points if certain criteria are met. For further information, please reference Section 3.2.5, Section 3.2.6, and Section 3.2.7 If any one or more of the listed criteria on which the responses to this solicitation will be evaluated are found to be inconsistent or incompatible with applicable federal laws, regulations or policies,

the specific criterion or criteria will be disregarded, and the responses will be evaluated and scored without considering such criterion or criteria.

Any proposals not meeting the Mandatory Requirements will be disqualified.

## **Step 2**

The proposals that fulfill the Step 1 Mandatory Requirements will then be scored based on Criteria 2 and 3 ONLY. All proposals will be ranked based on their combined scores for Criteria 2 and 3 ONLY. This ranking will be used to create a “short list”. Any proposal not making the “short list” will not be further evaluated.

Step 2 may include one or more rounds of proposal discussions, oral presentations, clarifications, and/or demonstrations focused on cost and other proposal elements. Step 2 may include additional “short lists” at the State’s sole discretion.

## **Step 3**

The short-listed proposals will then be evaluated based on the entire evaluation criteria outlined in the table above.

If the State conducts additional rounds of discussions and a BAFO round which lead to changes in either the technical or cost proposal for the short-listed Respondents, their scores will be recomputed.

The section below describes the different evaluation criteria.

- 3.2.1 Adherence to Requirements – Pass/Fail**  
Respondents passing this category move to Phase 2

**The following 2 categories cannot exceed 80 points.**

- 3.2.2 Management Assessment/Quality**  
**50** available points

- 3.2.3 Price**  
**30** available points

The thirty available points will be distributed across the ten evaluated product categories based on historical spend. Points are awarded per product category using the relative scoring equation:

Respondent Product Category Cost Score = (Available Product Category Points \* (Lowest Evaluated Category Cost / Respondent Total Evaluated Category Cost))

Respondent Product category cost scores will be added together to determine the Respondent total cost score

### 3.2.4 Buy Indiana Initiative – 5 points

Respondents qualifying, and documenting per **Attachment J**, as an Indiana Company as defined in [Section 2.6.2](#) will receive 5 points in this category.

### 3.2.5 Minority Business Subcontractor Commitment – 5 points<sup>5</sup>

The following formula will be used to determine points to be awarded based on the MBE goals listed in [Section 1.20](#) of this solicitation. Scoring is conducted based on an assigned 5-point, plus possible 1 bonus-points, scale. Points are assigned for respective MBE participation based upon the BAFO meeting or exceeding the established goals.

If the respondent's commitment percentage is less than the established MBE goal, the maximum points achieved will be awarded according to the following schedule:

%	1%	2%	3%	4%	5%	6%	7%	8%
Pts.	.625	1.25	1.875	2.5	3.125	3.75	4.375	5.0

*NOTE: Fractional percentages will be rounded up or down to the nearest whole percentage. (e.g. 7.49% will be rounded down to 7% = 4.375 pts., 7.50% will be rounded up to 8% = 5.00 pts. Rounding will be calculated based on the Sub-Contract Amount, divided by the Total Bid Amount.)*

If the respondent's commitment amount is greater than \$0 but the commitment percentage is rounded down to 0% for MBE participation the respondent will receive 0 points.

If the respondent's commitment amount is \$0 and thus the commitment percentage is 0% for MBE participation, a deduction of 1 point will be discounted on the respective MBE score.

The respondent with the greatest applicable VSC participation which exceeds the stated goal ("exceeds" defined herein as a commitment percentage that is equal to or greater than 9% before rounding) for the respective MBE category will be awarded 6 points (5 points plus 1 bonus point). In cases where there is a tie for the greatest applicable VSC participation and both firms exceed the goal for the respective MBE category both firms will receive 6 points.

*NOTE: Fractional percentages will be rounded up or down to the nearest whole percentage. (e.g. 7.49% will be rounded down to 7% = 3.15 pts., 7.50% will be rounded up to 8% = 3.6 pts. Rounding will be calculated based on the Sub-Contract Amount, divided by the Administrative Bid Amount.)*

If the Respondent's commitment amount is greater than \$0 but the commitment percentage is rounded down to 0% for WBE participation the Respondent will receive 0 points.
