The subject line of the email submissions must clearly state the following:
“NB 61-26-84571 Questions/Inquiries – [INSERT COMPANY NAME]”.

Following the question/inquiry due date, the State will compile a list of the questions/inquiries submitted by all Respondents. The responses will be posted to the IDOA website according to the timetable established in [Section 1.22](#). Only answers posted on the IDOA website will be considered binding and valid by the State. No Respondent shall rely upon, take any action, or make any decision based upon any verbal communication with any State employee.

If it becomes necessary to revise any part of this solicitation, or if additional information is necessary for a clearer interpretation of provisions of this solicitation prior to the due date for bid responses, an Addendum will be posted on the IDOA website. If such Addenda issuance is necessary, the State may extend the due date and time of bids to accommodate such additional information requirements, if required.

1.7 Due Date for Bid Responses

All proposals must be received through the Supplier Portal at the link below by the Procurement Division no later than the date and time outlined in [Section 1.22](#) Summary of Milestones. Important notes:

Remember that you cannot update the primary contact's email address and use it to sign into the Supplier Portal on the same day.

No more than one proposal per Respondent may be submitted.

Responses may no longer be sent in on flash drives.

The State encourages Respondents to break down their proposals into small file sizes and use compressed zip files, where possible. Uploading large files may lengthen the time to successfully submit your proposal. Checking file sizes of the proposal documents by viewing file properties is also recommended to reduce risks when uploading files.

A bidder ID and password are required to submit a response. For more information on that process, visit: <https://www.in.gov/idoa/wbt/SupplierPortal/index.html>. Bidder ID and password issues are handled by submitting a request for assistance to the State of Indiana Office of Technology and are handled in the order in which they are received. IDOA is not able to assist with these types of issues and they are not justification to miss the submission deadline.

The State strongly encourages Respondents to allow plenty of time when electronically submitting their proposals. Waiting until the last day is not recommended. The Supplier Portal allows documents to be edited until the proposal due date. Therefore, documents could be loaded over several days. The Supplier Portal will not accept proposals once the proposal due date and time has expired, even if a Respondent has already begun uploading bid documents.

The State accepts no obligations for costs incurred by Respondents in anticipation of being awarded a contract.

1.8 **Modification or Withdrawal of Offers**

Responses may be modified by Respondents until the time and date the response is due. The Respondent's authorized representative may withdraw the proposal prior to the due date by sending notice to the address listed above in Section 1.7.

1.9 **Pricing**

Pricing on this solicitation must be firm and remain open for a period of not less than one hundred eighty (180) days from the date of award issuance.

Any attempt to manipulate the format of the document, attach caveats to pricing, or submit pricing that deviates from the current format will put your bid response at risk of being removed from consideration.

Respondents should refer to the Bid Cost sub-section under [Section Two](#) for a detailed discussion of the bid response pricing format and requirements.

1.10 **Proposal Clarifications and Discussions**

The State may request clarifications, in writing, on bid responses submitted. These clarifications could include, but are not limited to, request for additional information, or request for Bid Cost. If clarifications are conducted, they will involve all responsive Respondents and will be conducted in writing. As a result of these clarifications, Respondents may be asked to submit revised bid responses. Respondents may respond to this request by submitting their initial bid response unchanged; however, prices cannot be increased, they must remain the same or lower. The State will provide equivalent information to all Respondents which have been chosen for clarifications.

A sample contract is provided in **Attachment B**. Any requested changes to the sample contract must be submitted with your response. The State may reject any of these requested changes. It is the State's expectation that all material elements of the contract will be substantially finalized prior to contract award.

1.11 **Best and Final Offer (BAFO)**

The State may request best and final offers from those Respondents determined by the State to be reasonably viable. The State reserves the right to award a contract based on initial bid responses received. Therefore, each bid response should contain the Respondent's best terms from a price and technical standpoint.

Following evaluation of the best and final offers, the State may select for final contract negotiations/execution the offer(s) that are most advantageous to the State.

1.12 Type and Term of Contract

The State intends to sign a contract with one or more Respondent(s) to fulfill the requirements in this solicitation.

The term of the contract shall be for a period of four (4) years from the date of contract execution. There may be two (2) one-year renewals for a total of six (6) years, at the State's option.

1.13 Confidential Information

Respondents are advised that materials contained in bid responses are subject to the Access to Public Records Act (APRA), IC 5-14-3 *et seq.*, and, after the contract award, the entire solicitation file will be posted on the IDOA website and may be viewed and copied by any member of the public, including news agencies and competitors. The responses are deemed to be "public records" unless a specific provision of IC 5-14-3 protects it from disclosure. Respondents claiming a statutory exception to the APRA **must indicate so per Attachment F** which specific provision applies to which specific part of the response.

Please note citing "Confidential" on an entire section is not sufficient or acceptable.

The Public Access Counselor (PAC) provides guidance on APRA. Respondents are encouraged to read guidance from the PAC on this topic as this is the guidance IDOA follows:

- [18-INF-06; Redaction of Public Procurement Documents Informal Inquiry](#)

If the Respondent does not identify the statutory exception, the State will not consider the submission confidential. The State also reserves the right to seek the opinion of the PAC for guidance.

The Respondent also certifies that neither it nor its principals are presently in arrears in payment of its taxes, permit fees or other statutory, regulatory, or judicially required payments to the State. The Respondent agrees that the State may confirm, at any time, that no such liabilities exist, and, if such liabilities are discovered, that State may bar the Respondent from contracting with the State, cancel existing contracts, withhold payments to setoff such obligations, and withhold further payments or purchases until the entity is current in its payments on its liability to the State and has submitted proof of such payment to the State.

However, if neither of the foregoing alternatives is reasonably available, the State will return the equipment upon written request by the Contractor. The Contractor agrees to grant the State credit for returned equipment as depreciated. The depreciation shall be an equal amount per year over the life of the equipment established by mutual agreement of the State of Indiana and the Contractor.

- Please submit all attachments in their original format. Any attempt to manipulate the format of the documents that deviates from the current format will put your proposal at risk of disqualification.
- Confidential Information must also be clearly indicated in **Attachment F**, Attestation Form and a redacted file provided (See 1.13 Confidential Information).

2.2 Executive Summary

The Executive Summary must address the following topics except those specifically identified as "optional." The Executive Summary is to be attached to the Submission Form by the response due date and Eastern time.

If a non-mandatory clause is not acceptable as worded, suggest specific alternative wording to address issues raised by the specific clause in **Attachment F**. ³ The contracting agency will make the determination during contract negotiations whether proposed alternative language is acceptable. Proposed alternative language is not automatically accepted. The agency has the option to decline proposed language. Inability for the agency and the awardee(s) to agree to terms could jeopardize the contract and end the negotiations.

The Bidder registration offers email notification of upcoming solicitation opportunities, corresponding to the Bidder's area(s) of interest, selected during the registration process. Respondents need to be registered to submit a proposal. Completion of the Bidder registration will result in your name being added to the Bidder's Database, for email notification. The Bidder registration requires some general business information, an indication of the types of goods and services you can offer the State of Indiana, and locations(s) within the state that you can supply or service. There is no fee to be placed in Procurement Division's Bidder Database.

2.4.1 Indiana Economic Impact

All companies desiring to do business with State Agencies must complete an “Indiana Economic Impact” form (**Attachment C**). This is not a separate evaluation item scored as set forth in [Section 3.2](#) but still a required form. The collection and recognition of the information collected with the Indiana Economic Impact form places a strong emphasis on the economic impact a project will have on Indiana and its residents regardless of where a business is located. The collection of this information does not restrict any company or firm from doing business with the State. Respondent must clearly indicate whether they intend to claim in **Attachment F**.

When applying to Buy IN status, be sure to allow sufficient time to complete this process, at least twenty (20) business days.

Buy Indiana must be affirmatively claimed in the Attestation Form, Attachment F.

- b). However, IC 5-22-15-26, may be claimed in addition to other preferences in this IC chapter (IC 5-22-15).

2.4.4 Subcontractors

The Respondent is responsible for the performance of any obligations that may result from this solicitation and shall not be relieved by the non-performance of any subcontractor. Respondent's proposal must identify all subcontractors including those not submitted in **Attachment A and/or Attachment A1** and describe the contractual relationship between the Respondent and each subcontractor. Either a copy of the **executed subcontract** or a **letter of agreement** over the official signature of the firms involved must accompany each proposal.

Any subcontracts entered into by the Respondent must be in compliance with all State statutes and will be subject to the provisions thereof. For each portion of the proposed products or services to be provided by a subcontractor, **the Attestation Form must include the identification of the functions to be provided by the subcontractor and the subcontractor's related qualifications and experience.**

The combined qualifications and experience of the Respondent and any or all subcontractors will be considered in the State's evaluation. The Respondent must furnish information to the State as to the amount of the subcontract, the qualifications of the subcontractor for guaranteeing performance, and any other data that may be required by the State. All subcontracts held by the Respondent must be made available upon request for inspection and examination by appropriate State officials, and such relationships must meet with the approval of the State.

The Respondent must list any subcontractor's name, address, and the state in which formed that are proposed to be used in providing the required products or services. The subcontractor's responsibilities under the proposal, anticipated dollar amount for subcontract, the subcontractor's form of organization, and an

indication from the subcontractor of a willingness to carry out these responsibilities are to be included for each subcontractor. This assurance in no way relieves the Respondent of any responsibilities in responding to this solicitation or in completing the commitments documented in the proposal. The Respondent must indicate which, if any, subcontractors qualify as a Minority Business Enterprise, Women's Business Enterprise, or Veteran Owned Small Business under IC 4-13-16.5-1 and IC 5-22-14-3.5. See [Section 1.19](#), [Section 1.20](#) and **Attachments A/A1** for Minority, Women, and Veteran Business information.

IVOSB entities (whether a prime or subcontractor) must have a Bidder ID. If registered with IDOA, this should have already been provided (as with MWBEs). IVOSBs that are only registered with the Federal Center for Veterans Business Enterprise will need to ensure that they also have a Bidder ID provided by IDOA.

SECTION THREE PROPOSAL EVALUATION

3.1 Bid Response Evaluation Procedure

The procedure for evaluating the bid responses against the evaluation criteria will be as follows:

- 3.1.1 Each bid response will be evaluated for adherence to mandatory requirements per Section 3.2, Step 1, on a pass/fail basis. Bids that are incomplete or otherwise do not conform to proposal submission requirements may be eliminated from consideration. Further, any proposals not meeting the Mandatory Requirements listed in [Section 3.2](#) and Step 1 and noted in **Attachment F** may be disqualified.
- 3.1.2 The bid responses that meet all specifications and mandatory requirements, as provided in the solicitation, will then be evaluated based on the "unit price" for each line item in **Attachment D**. However, the State reserves the right to award based on the "Total Annual Estimated Cost" calculated in **Attachment D**, if it is determined that a single vendor would offer the best means of serving the State.
- 3.1.3 Awardee is based upon the lowest evaluation amount.
- 3.1.4 Based on the results of this evaluation, the qualifying proposal determined to be the most advantageous to the State, may be selected. If, however, no proposal is sufficiently advantageous to the State, the State may take whatever further action is deemed necessary to fulfill its needs. If, for any reason, a proposal is selected and it is not possible to finalize a contract with the Respondent, the State may

begin contract preparation with the next qualified Respondent or determine that no such alternate proposal exists.

3.2 **Evaluation Criteria**

Proposals will be evaluated based upon the proven ability of the Respondent to satisfy the requirements of the solicitation in a cost-effective manner. Each of the evaluation criteria categories is described below with a brief explanation of the basis for evaluation in that category.

All proposals will be evaluated using the following approach.

Step 1

In this step proposals will be evaluated to ensure that they adhere to Mandatory Requirements. The Mandatory Requirements are:

- Executive Summary
- **Attachment C** Indiana Economic Impact Form, completed
- **Attachment D** Bid Cost
- **Attachment F** Attestation Form

Any bids not meeting the Mandatory Requirements will be disqualified.

Step 2

If the State conducts additional rounds of discussions and a BAFO, then scores will be recomputed.

As per 1.11, the State reserves the right to award based on initial bid responses received. Therefore, each bid response should contain the Respondent's best terms from a price and technical standpoint.
