General Comments

- NEDSS Based System (NBS) Statement of Work:

The selected vendor will collaborate with the Indiana NBS IT team to provide technical support and coordination for the Indiana NBS product. This includes—but is not limited to—electronic lab reporting (ELR), electronic case reporting (eCR), application development and system administration. The selected vendor will assist in identifying, addressing, and resolving issues and tasks in a timely and mutually agreed-upon manner.

Task prioritization and decision-making may be adjusted at any time based on the direction of NBS management, IDOH leadership, and CDC. The selected vendor will ensure that all updates and modifications to the Indiana NBS product remain fully aligned with CDC guidelines as they implement modifications that support Indiana.

Task breakdown & further details are outlined on the scope of work.
