Questions/Inquiries may be submitted in **Attachment E**, Q&A Template, via email to rfp@idoa.IN.gov and must be received by the time and date indicated in [Section 1.22](#).

The subject line of the email submissions must clearly state the following:
“BID 27-88102 Questions/Inquiries – [INSERT COMPANY NAME]”.

Following the question/inquiry due date, the State personnel will compile a list of the questions/inquiries submitted by all Respondents. The responses will be posted to the IDOA website according to the timetable established in [Section 1.22](#). Only answers posted on the IDOA website will be considered binding and valid by the State. No Respondent shall rely upon, take any action, or make any decision based upon any verbal communication with any State employee.

If it becomes necessary to revise any part of this solicitation, or if additional information is necessary for a clearer interpretation of provisions of this solicitation prior to the due date for bid responses, an Addendum will be posted on the IDOA website. If such Addenda issuance is necessary, the State may extend the due date and time of bids to accommodate such additional information requirements, if required.

1.7 Due Date for Bid Responses

All proposals must be received through the Supplier Portal at the link below by the Procurement Division no later than the date and time outlined in 1.22 Summary of Milestones. The proposal will be considered the official response in evaluating responses for scoring and protest resolution and may be posted on the IDOA website, <https://www.in.gov/idoa/procurement/award-recommendations/> if recommended for selection. The proposal must follow the format indicated in [Section Two](#) of this document. No other method of submission will be accepted. Unnecessarily elaborate brochures or other presentations, beyond those necessary to present a complete and effective proposal, are not desired.

<https://www.in.gov/idoa/procurement/supplier-resource-center/requirements-to-do-business-with-the-state/bidder-profile-registration/manage-my-bidder-profile/submitting-a-bid/>

Important notes:

Remember that you cannot update the primary contact's email address and use it to sign into the Supplier Portal on the same day.

No more than one proposal per Respondent may be submitted.

Responses may no longer be sent in on flash drives.

The State encourages Respondents to break down their proposals into small file sizes and use compressed zip files, where possible. Uploading large files may lengthen the time to successfully submit your proposal. Checking file sizes of the proposal documents by viewing file properties is also recommended to reduce risks when uploading files.

A bidder ID and password are required to submit a response. For more information on that process, visit: <https://www.in.gov/idoa/wbt/SupplierPortal/index.html>. Bidder ID and password issues are handled by submitting a request for assistance to the State of Indiana Office of Technology and are handled in the order in which they are received. IDOA is not able to assist with these types of issues and they are not justification to miss the submission deadline.

The State strongly encourages Respondents to allow plenty of time when electronically submitting their proposals. Waiting until the last day is not recommended. The Supplier Portal allows documents to be edited until the proposal due date. Therefore, documents could be loaded over several days. The Supplier Portal will not accept proposals once the proposal due date and time has expired, even if a Respondent has already begun uploading bid documents.

The State accepts no obligations for costs incurred by Respondents in anticipation of being awarded a contract.

1.8 Modification or Withdrawal of Offers

Responses may be modified by Respondents until the time and date the response is due. The Respondent's authorized representative may withdraw the proposal prior to the due date by sending notice to the address listed above in Section 1.7.

1.9 Pricing

Pricing on this solicitation must be firm and remain open for a period of not less than one hundred eighty (180) days from the date of award issuance.

Any attempt to manipulate the format of the document, attach caveats to pricing, or submit pricing that deviates from the current format will put your bid response at risk of being removed from consideration.

Respondents should refer to the Bid Cost sub-section under [Section Two](#) for a detailed discussion of the bid response pricing format and requirements.

1.10 Proposal Clarifications and Discussions

The State may request clarifications, in writing, on bid responses submitted. These clarifications could include, but are not limited to, request for additional information, or request for Bid Cost. If clarifications are conducted, they will involve all responsive Respondents and will be conducted in writing. As a result of these clarifications, Respondents may be asked to submit revised bid responses. Respondents may respond to this request by submitting their initial bid response unchanged; however, prices cannot be increased, they must remain the same or lower. The State will provide equivalent information to all Respondents which have been chosen for clarifications.

A sample PO Terms and Conditions is provided in **Attachment B**.

1.11 Best and Final Offer (BAFO)

The State may request best and final offers from those Respondents determined by the State to be reasonably viable. The State reserves the right to award based on initial bid responses received. Therefore, each bid response should contain the Respondent's best terms from a price and technical standpoint.

Following evaluation of the best and final offers, the State may select for final award negotiations/execution the offer(s) that are most advantageous to the State.

1.12 Type and Term of Contract

The State intends to make a one-time purchase with one or more Respondent(s) to fulfill the requirements in this Negotiated Bid.

The responses are deemed to be "public records" unless a specific provision of IC 5-14-3 protects it from disclosure.

The Public Access Counselor (PAC) provides guidance on APRA. Respondents are encouraged to read guidance from the PAC on this topic as this is the guidance IDOA follows:

- [18-INF-06; Redaction of Public Procurement Documents Informal Inquiry](#)

If the Respondent does not identify the statutory exception, the State will not consider the submission confidential. The State also reserves the right to seek the opinion of the PAC for guidance.

2.3 Bid Cost

The Bid Cost Template is Attachment D.

The Bid Cost must be submitted in the original format. Any attempt to manipulate the format of the Bid Cost document, attach caveats to pricing, or submit pricing that deviates from the current format will put your bid response at risk.

Unit price must be entered and extended, and the total price of the bid must be shown. Unit prices are to be bid based on the unit specified. If there is an error between the unit price and total price, the unit price shall prevail. ***Awarded Prices: Prices listed for each item are firm and cannot be changed.***

2.4 Attestation Form

The Attestation Form is **Attachment F**. This is the formal declaration of responses to the following as well as to the additional areas cited within **Attachment F** as it relates to this solicitation. **Attachment F**, Attestation Form is to be attached to the Submission Form due on the Submission Form due date and Eastern time.

2.4.1 Indiana Economic Impact

All companies desiring to do business with State Agencies must complete an “Indiana Economic Impact” form (**Attachment C**). This is not a separate evaluation item as set forth in [Section 3.2](#) but still a required form. The collection and recognition of the information collected with the Indiana Economic Impact form places a strong emphasis on the economic impact a project will have on Indiana and its residents regardless of where a business is located. The collection of this information does not restrict any company or firm from doing business with the State. The amount entered in Line 16 “Total amount of this proposal, bid, or current award” should match the amount entered in **Attachment D**.

2.4.2 Buy Indiana Initiative (Indiana Business Preference) /Indiana Company

It is the Respondent’s responsibility to confirm its Buy Indiana status for this portion of the process. Go to the Buy Indiana website at <https://www.in.gov/idoa/2467.htm> to determine certification status.

Respondents not previously registered with IDOA must go to the Buy Indiana website at <https://www.in.gov/idoa/2467.htm> and follow the steps outlined in the paragraph above to certify your business’ status. The Respondent’s Buy Indiana status must be finalized when the solicitation response is submitted to the State.

Respondent must clearly indicate whether they intend to claim in **Attachment F**.

When applying to Buy IN status, be sure to allow sufficient time to complete this process, at least twenty (20) business days.

Buy Indiana must be affirmatively claimed in the Attestation Form, **Attachment F**.

2.4.3 Indiana Preferences

a). Pursuant to IC 5-22-15-7, Respondent may claim only one (1) preference. **Respondent must clearly indicate which preference(s) they intend to claim in Attachment G.**

b). However, IC 5-22-15-26, may be claimed in addition to other preferences in this IC chapter (IC 5-22-15).

2.4.4 Subcontractors

The Respondent is responsible for the performance of any obligations that may result from this solicitation and shall not be relieved by the non-performance of any subcontractor. Respondent's proposal must identify all subcontractors including those not submitted in **Attachment A1** and describe the contractual relationship between the Respondent and each subcontractor. Either a copy of the **executed subcontract** or a **letter of agreement** over the official signature of the firms involved must accompany each proposal.

Any subcontracts entered into by the Respondent must be in compliance with all State statutes and will be subject to the provisions thereof. For each portion of the proposed products or services to be provided by a subcontractor, **the Attestation Form must include the identification of the functions to be provided by the subcontractor and the subcontractor's related qualifications and experience.**

The combined qualifications and experience of the Respondent and any or all subcontractors will be considered in the State's evaluation. The Respondent must furnish information to the State as to the amount of the subcontract, the qualifications of the subcontractor for guaranteeing performance, and any other data that may be required by the State. All subcontracts held by the Respondent must be made available upon request for inspection and examination by appropriate State officials, and such relationships must meet with the approval of the State.

The Respondent must list any subcontractor's name, address, and the state in which formed that are proposed to be used in providing the required products or services. The subcontractor's responsibilities under the proposal, anticipated dollar amount for subcontract, the subcontractor's form of organization, and an indication from the subcontractor of a willingness to carry out these responsibilities are to be included for each subcontractor. This assurance in no way relieves the Respondent of any responsibilities in responding to this solicitation or in completing the commitments documented in the proposal. The Respondent must indicate which, if any, subcontractors qualify as a Veteran Owned Small Business under IC 4-13-16.5-1 and IC 5-22-14-3.5. See [Section 1.20](#) and **Attachment A1** for Veteran Business information.

IVOSB entities (whether a prime or subcontractor) must have a Bidder ID. If registered with IDOA, this should have already been provided. IVOSBs that are only registered with the Federal Center for Veterans Business Enterprise will need to ensure that they also have a Bidder ID provided by IDOA.

SECTION THREE PROPOSAL EVALUATION

3.1 Bid Response Evaluation Procedure

The procedure for evaluating the bid responses against the evaluation criteria will be as follows:

- 3.1.1 Each bid response will be evaluated for adherence to mandatory requirements per Section 3.2, Step 1, on a pass/fail basis. Bids that are incomplete or otherwise do not conform to proposal submission requirements may be eliminated from consideration. Further, any proposals not meeting the Mandatory Requirements listed in [Section 3.2](#) and Step 1 and noted in **Attachment F** may be disqualified.
- 3.1.2 The bid responses that meet all specifications and mandatory requirements, as provided in the solicitation, will then be evaluated based on the “unit price” for each line item in **Attachment D**. However, the State reserves the right to award based on the “Total Annual Estimated Cost” calculated in **Attachment D**, if it is determined that a single vendor would offer the best means of serving the State.
- 3.1.3 Awardee is based upon the lowest evaluation amount.
- 3.1.4 Based on the results of this evaluation, the qualifying proposal determined to be the most advantageous to the State, may be selected. If, however, no proposal is sufficiently advantageous to the State, the State may take whatever further action is deemed necessary to fulfill its needs. If, for any reason, a proposal is selected and it is not possible to finalize an award with the Respondent, the State may begin preparations with the next qualified Respondent or determine that no such alternate proposal exists.

3.2 Evaluation Criteria

Proposals will be evaluated based upon the proven ability of the Respondent to satisfy the requirements of the solicitation in a cost-effective manner. Each of the evaluation criteria categories is described below with a brief explanation of the basis for evaluation in that category.

All proposals will be evaluated using the following approach.

Step 1

In this step proposals will be evaluated to ensure that they adhere to Mandatory Requirements. The Mandatory Requirements are:

- Executive Summary

- **Attachment C** Indiana Economic Impact Form, completed
- **Attachment D** Bid Cost
- **Attachment F** Attestation Form

Any bids not meeting the Mandatory Requirements will be disqualified.

Step 2

If the State conducts additional rounds of discussions BAFO, then the evaluation amount will be recomputed.

As per 1.11, The State reserves the right to award based on initial bid responses received. Therefore, each bid response should contain the Respondent's best terms from a price and technical standpoint.
