

The stocking would be done this fall (October to November). This purchase is for fish that are at least 6 inches. The following is the breakdown of the lakes county and number needed for each location. The hauler must let the biologist know a few days in advance of the stocking so a representative can meet the hauler at the ramp to inspect the delivery.

<u>Lake</u>	<u>County</u>	<u>Fish Request</u>
Lake Maxinkuckee	Marshall	18,540
Wall Lake	LaGrange	1,410
Pretty Lake	LaGrange	1,840
Crooked Lake	Steuben	8,280
