

Energy You Can Count On

Suburban Propane has been delivering safe, reliable energy solutions to homes, businesses, and communities for decades. With strong roots in Indiana, we serve approximately 1 million customers across 42 states. From heating and cooking to power generation and autogas, we're ready to meet your propane needs.

Why We're Different

Partnering with us means you're choosing a supplier with a proven track record.

- ✓ Dependable fuel supply, when you need it
- ✓ Hassle-free service with tank monitoring option
- ✓ Local teams who know your area
- ✓ 24/7/365 live customer support
