## PROJECT DESCRIPTION

Campus improvements to the Indiana Law Enforcement Academy, which serves as the training facility for 65% of Indiana police officers. This project will include a new Emergency Vehicle Operations Course, a new dormitory for onsite housing, facility upgrades, scenario-based training elements, and more. The improvements will allow for additional instructors to provide in-depth training to future officers.

### Subcontractor Procurement Goals:

<b>MBE:</b>	<b>15%</b>
<b>WBE:</b>	<b>8%</b>
<b>VBE:</b>	<b>3%</b>
	<b>26%</b>
