#### 210 IAC 6; 210 IAC 8

SECTION 1. 210 IAC 8 IS ADDED TO READ AS FOLLOWS:

#### ARTICLE 8. JUVENILE DETENTION FACILITIES

##### Rule 1. Introduction

#### 210 IAC 8-1-1 Applicability

Authority: IC 11-8-2-5; IC 31-31-8-2

Affected: IC 11-8-2; IC 31-31-8

Sec. 1. This article applies to all newly constructed, remodeled, converted, and existing juvenile detention facilities. This article does not apply to secure facilities or other facilities licensed by the family and social services administration. (*Department of Correction; 210 IAC 8-1-1*)

#### 210 IAC 8-1-2 Construction of juvenile detention facilities

Authority: IC 11-8-2-5; IC 31-31-8-2

Affected: IC 11-8-2; IC 31-31-8

Sec. 2. (a) Prior to the construction or expansion of a juvenile detention facility, plans and specifications shall be submitted to the department for review and comment. Plans and specifications shall satisfy all physical plant standards contained this article.

(b) The department's written review shall be provided to fire and building services for plan release within ten (10) working days from the date of receipt. (*Department of Correction; 210 IAC 8-1-2*)

#### 210 IAC 8-1-3 Inspection of juvenile detention facilities

Authority: IC 11-8-2-5; IC 31-31-8-2

Affected: IC 11-8-2; IC 31-31-8

Sec. 3. The department shall conduct announced and unannounced visits and inspections of each juvenile

detention facility at least annually to determine whether the facility is in compliance with this article. *(Department of Correction; 210 IAC 8-1-3)*

**210 IAC 8-1-4 Compliance for new facilities**

Authority: IC 11-8-2-5; IC 31-31-8-2

Affected: IC 11-8-2; IC 31-31-8

Sec. 4. A new juvenile detention facility shall not begin operation until the department has determined through inspection that the facility is in compliance with all mandatory and physical plant standards. *(Department of Correction; 210 IAC 8-1-4)*

**210 IAC 8-1-5 Compliance and noncompliance**

Authority: IC 11-8-2-5; IC 31-31-8-2

Affected: IC 11-8-2; IC 31-31-8

Sec. 5. (a) In order to achieve and maintain provisional compliance with this article, a new juvenile detention facility shall have been determined through inspection to be in compliance with the following:

- (1) All mandatory standards.
- (2) A minimum of seventy-five percent (75%) of the recommended standards within one (1) year of commencing operation.
- (3) All physical plant standards.

(b) In order to achieve and maintain full compliance with this article, an existing juvenile detention facility shall have been determined through inspection to be in compliance with the following:

- (1) All mandatory standards.
- (2) A minimum of ninety percent (90%) of the recommended standards within two (2) years of commencing operation and each year thereafter.

(c) The department shall issue a written certification, either provisional or full, to all juvenile detention facilities that achieve compliance.

(d) Should a new or existing facility fail to achieve or maintain the required level of compliance with this article, a plan of action shall be submitted to the department within thirty (30) days to correct each deficiency. Approved plans of action shall remain valid for a period not to exceed one (1) year.

(e) The department shall provide ongoing monitoring of facilities under a corrective action plan.

(f) The department may petition the judge of the circuit court in the county in which the juvenile detention facility is located to restrict, alter the use of, or close the facility if:

- (1) a plan of action is not approved;
- (2) compliance with this article is not achieved within one (1) year; or
- (3) the deficiencies are so severe as to affect life, health, or safety.

*(Department of Correction; 210 IAC 8-1-5)*

**210 IAC 8-1-6 Level of compliance**

Authority: IC 11-8-2-5; IC 31-31-8-2

Affected: IC 11-8-2; IC 31-31-8

Sec. 6. (a) The standards set forth in this article are intended to provide a safe, positive, and learning environment for youth. Inspection of the juvenile detention facilities will ensure compliance with the standards, and will also allow the facilities to identify and monitor critical areas of performance and demonstrate effectiveness in using the state standards and other national standards and performance outcomes.

(b) Full compliance with this article will result in the awarding of a rating of level 1 through level 5 to identify the quality and conditions of confinement of each juvenile detention facility. The levels are as follows:

- (1) Level 1 is when a juvenile detention facility is in compliance with ninety percent (90%) of the recommended

standards.

(2) Level 2 is when a juvenile detention facility is in compliance with ninety-five percent (95%) of the recommended standards.

(3) Level 3 is when a juvenile detention facility is in compliance with ninety-eight percent (98%) of the recommended standards.

(4) Level 4 is when a juvenile detention facility:

(A) is in compliance with one hundred percent (100%) of the recommended standards; or

(B) meets the following requirements:

(i) Is in compliance with ninety-eight percent (98%) of the recommended standards.

(ii) Actively participates in the conditions of confinement self-assessment process.

(iii) Successfully completes a PREA audit.

(5) Level 5 is when a juvenile detention facility:

(A) is in compliance with one hundred percent (100%) of the recommended standards;

(B) actively participates in the conditions of confinement self-assessment process; and

(C) successfully completes a PREA audit.

Authority: IC 11-8-2-5; IC 31-31-8-2

Affected: IC 31-31-8

Sec. 9. (a) Written policy, procedure, and practice provide that the facility has an accountability system for physically counting juveniles and maintains a daily population report on every juvenile in the facility. The daily population report includes the following information:

- (1) Number of juveniles in the facility on a given day.
- (2) Names of juveniles.
- (3) Identifying numbers.
- (4) Housing assignments.
- (5) Date and type of admission.
- (6) Number of releases.
- (7) Number of accumulated days of stay per juvenile.

(b) The facility's formal count is taken and recorded daily at midnight.

(c) There is at least one (1) census count or formal count taken per shift, each day. *(Department of Correction; 210 IAC 8-5-9)*

#### **210 IAC 8-5-10 Juvenile movement**

Authority: IC 11-8-2-5; IC 31-31-8-2

Affected: IC 31-31-8

Sec. 10. Written policy, procedure, and practice provide that staff:

(1) control and supervise all individual and group juvenile movements to and from:

- (A) living units;
- (B) programs;
- (C) work assignments; and
- (D) court; and

(2) maintain a daily report on juvenile movement.

*(Department of Correction; 210 IAC 8-5-10)*

#### **210 IAC 8-5-11 Transportation procedures**

Authority: IC 11-8-2-5; IC 31-31-8-2

Affected: IC 31-31-8

Sec. 11. (a) Written policy, procedure, and practice provide that there are guidelines to govern the transportation of juveniles:

- (1) outside the facility;
- (2) from one (1) jurisdiction to another; and
- (3) to court.

(b) Staff may use restraint equipment during transports to prevent injury or escape. Staff do not use belly belts, chains, or leg restraints on pregnant girls. Staff do not handcuff youth together during transportation or restrain youth

to the vehicle, other than with a seatbelt.

(c) The guidelines are available to all personnel involved in transporting juveniles.

(d) Staff involved in transporting juveniles are required to be aware of and review the guidelines at least annually. *(Department of Correction; 210 IAC 8-5-11)*

**210 IAC 8-5-12 Control and distribution of security equipment**

Authority: IC 11-8-2-5; IC 31-31-8-2

Affected: IC 31-31-8

Sec. 12. (a) Written policy, procedure, and practice provide a system to govern the control and distribution of all security equipment, including the following:

- (1) Mechanical restraint equipment.
- (2) Chemical restraint equipment and supplies.
- (3) Radios.

(b) Security equipment is stored in a secure but readily accessible location outside of the juvenile housing areas.

(c) The accountability system provides for the following:

- (1) Restraint equipment is stored and issued in a manner that its location can be easily determined.
- (2) A log is maintained to record each restraint device, including the following:
  - (A) Mechanical restraints.
  - (B) Chemical restraints.
  - (C) Radios.
- (3) A log is maintained to record the name of the employee possessing the equipment.
- (4) The restraint logs are reviewed at least quarterly by a designated individual.
- (5) Restraint equipment is maintained in operable condition or is removed from the inventory.
- (6) Corrective action is initiated, when necessary.

*(Department of Correction; 210 IAC 8-5-12)*

**210 IAC 8-5-13 Electronic restraints**

Authority: IC 11-8-2-5; IC 31-31-8-2

Affected: IC 31-31-8

Sec. 13. Policy, procedure, and practice prohibit the use of all types of electronic restraints, such as tasers or electric shocking devices, within the juvenile detention facility. *(Department of Correction; 210 IAC 8-5-13)*

**210 IAC 8-5-14 Mechanical restraints**

Authority: IC 11-8-2-5; IC 31-31-8-2

Affected: IC 31-31-8

Sec. 14. (a) Written policy, procedure, and practice prohibit the use of mechanical restraints for punishment, discipline, or treatment.

(b) Mechanical restraints may be used when the juvenile is a danger to himself, herself, or others, or during deescalation when other techniques were attempted and not successful.

(c) Mechanical restraints may be applied only with the approval of the facility administrator, or their designee, and continued use must be reviewed by such staff every fifteen (15) minutes.

(d) Staff must remove the mechanical restraints:

- (1) at the earliest possible time;
- (2) when the juvenile is no longer a danger to himself, herself, or others; and
- (3) not longer than two (2) hours after application of the restraints.

*(Department of Correction; 210 IAC 8-5-14)*

**210 IAC 8-5-15 Chemical agents and equipment**

**Authority: IC 11-8-2-5; IC 31-31-8-2**

**Affected: IC 31-31-8**

**Sec. 15. (a) Written policy, procedure, and practice provide that the use of chemical agents, including pepper spray, tear gas, and mace, is prohibited, except:**

- (1) in emergency situations; and**
- (2) by law enforcement or specifically trained staff.**

**Authorization from the facility administrator, or their designee, shall be obtained prior to the use of chemical agents by staff.**

**(b) The accountability system for chemical agents must include the following:**

**(1) There are procedures governing the following:**

- (A) Staff training.**
- (B) Chemical agent storage.**
- (C) Conditions required for chemical agent and equipment use.**
- (D) Chemical agent disposal.**

**(2) Personnel using chemical agents to control juveniles submit written reports to the facility administrator, or their designee, not later than the conclusion of the tour of duty.**

**(3) All persons contaminated in an incident involving the use of a chemical agent must receive an immediate decontamination, medical assessment, and treatment.**

**(4) Chemical agents and equipment related to its use are inventoried at least monthly to determine their condition and expiration dates.**

**(5) Chemical agents issued as duty equipment and carried during the shift must have canisters weighed when issued and when returned, as well as after each use, to account for the chemical agent.**

**(c) A critical incident report shall be completed following all incidents involving the use of chemical agents.**

**(d) This is a mandatory standard. (*Department of Correction; 210 IAC 8-5-15*)**

**210 IAC 8-5-16 Four-point or five-point restraints**

**Authority: IC 11-8-2-5; IC 31-31-8-2**

**Affected: IC 31-31-8**

**Sec. 16. (a) Written policy, procedure, and practice provide that before any type of four-point or five-point restraint is used with a juvenile, with arms, head, and legs secured to a fixed object, advance approval must be obtained from the facility administrator, or their designee.**

**(b) Four-point or five-point restraints must be used only as a behavioral health intervention of last resort, and only when:**

- (1) the intervention is necessary to ensure the physical safety of the juvenile;**
- (2) other less restrictive interventions have been tried and found to be ineffective; or**
- (3) a juvenile's resistance to less restrictive intervention is reasonably anticipated.**

**(c) A juvenile should never be restrained face-down, hog-tied, or in a spread-eagle manner, and no restraint should ever be placed around the juvenile's neck.**

**(d) Restraints may be applied only by staff trained in their use.**

**(e) The health care authority, or their designee, must be notified as soon as possible and within fifteen (15) minutes of restraint application to:**

- (1) assess the juvenile's medical and mental health condition; and**
- (2) advise whether the juvenile should be referred to a medical or mental health unit or facility for emergency treatment.**

**(f) When a juvenile is restrained in a four-point or five-point position, the following minimum procedures will be followed:**

- (1) Direct visual observations by staff must be continuous.
- (2) Medical or health trained staff must visually monitor the juvenile's condition, at least every fifteen (15) minutes.
- (3) Restraint procedures are in accordance with guidelines approved by the designated health care authority and the mental health authority.
- (4) four-point or five-point restraint of a juvenile must end at the earliest possible time. A medical therapeutic restraint order must be obtained from a qualified mental health professional for all restraints necessary beyond one (1) hour.

(g) A critical incident report shall be completed for all incidents involving a four-point or five-point restraint of a juvenile.

(h) This is a mandatory standard. (*Department of Correction; 210 IAC 8-5-16*)

#### 210 IAC 8-5-17 Physical restraint

Authority: IC 11-8-2-5; IC 31-31-8-2

Affected: IC 31-31-8

Sec. 17. (a) Written policy, procedure, and practice provide that the use of physical force or physical restraint is not used as a means of punishment or reprisal toward a juvenile and includes the following:

- (1) Staff uses the minimal degree of force necessary to maintain the custody, control, safety, and security of the facility, juvenile, or situation.
- (2) The use of physical force is restricted to instances of:
  - (A) self-protection from imminent threat of harm;
  - (B) protection of others from imminent threat of harm;
  - (C) prevention of self-inflicted injury;
  - (D) protection of property; and
  - (E) prevention of escapes;

and then only the amount of force necessary to regain or maintain control is used and only as a last resort.

- (3) Facility staff shall receive regular training in the areas of:
  - (A) conflict resolution;
  - (B) deescalation; and
  - (C) crisis intervention;

to ensure staff has the necessary skills to reduce the need for the use of physical force.

(4) Facility staff receive regular training on the approved use of physical force techniques to ensure appropriate application.

(5) For all use of physical force incidents, on-duty staff shall ensure that health care staff are contacted as soon as possible so that the juvenile's physical and emotional condition can be assessed and any injuries treated. If health care staff are not on-duty at the time of the use of physical force, health trained, on-duty staff shall:

- (A) contact the on-call health care staff as soon as possible following the use of force; and
- (B) provide the health care staff with detailed information regarding any injuries or complaints by the juvenile.

(6) Health care staff shall assess the juvenile's injuries or complaints, or both, and determine whether the juvenile needs to be seen immediately or can be seen during the next scheduled sick call. In the event that a juvenile is injured and contact cannot be made with health care staff, on-duty staff will follow established procedures to obtain necessary medical evaluation and treatment.

(7) A written report is prepared following all uses of physical force by each staff involved in the incident, prior to the end of the shift, and submitted to the facility administrator for review.

(b) This is a mandatory standard. (*Department of Correction; 210 IAC 8-5-17*)

#### 210 IAC 8-5-18 Incident reports

Authority: IC 11-8-2-5; IC 31-31-8-2

Affected: IC 31-31-8

Sec. 18. (a) All significant incidents, including, but not limited to, the nonroutine use of restraint equipment and

the use of physical force, are reported in writing prior to the end of the shift and signed with a dated signature by the staff person reporting the incident.

(b) A copy of the report is placed in the juvenile's case record and is reviewed by the facility administrator, or their designee, and the parent agency on the next business day. (*Department of Correction; 210 IAC 8-5-18*)

**210 IAC 8-5-19 Search policy**

Authority: IC 11-8-2-5; IC 31-31-8-2

Affected: IC 31-31-8

Sec. 19. (a) Written policy, procedure, and practice provide for searches of:

- (1) juveniles;
- (2) the facility; and
- (3) visitors;

in accordance with applicable law to control contraband and provide for its disposition.

(b) The facility posts search policies at the:

- (1) entrance;
- (2) intake or admissions area; and
- (3) visiting areas.

(c) The procedures are made available to staff and juveniles. Staff are required to be knowledgeable of the procedures and review procedures at least annually. The procedures are reviewed annually and updated, when necessary. (*Department of Correction; 210 IAC 8-5-19*)

**210 IAC 8-5-20 Strip search and visual inspection**

Authority: IC 11-8-2-5; IC 31-31-8-2

Affected: IC 31-31-8

Sec. 20. (a) Written policy, procedure, and practice provide that strip searches and visual inspection of juvenile private body cavities be conducted on a reasonable belief that the juvenile is carrying contraband or other prohibited material.

(b) Strip searches must be conducted by trained personnel of the same gender as the person being searched.

(c) Staff shall conduct strip searches and visual body cavity searches with youth individually and in a private setting. (*Department of Correction; 210 IAC 8-5-20*)

**210 IAC 8-5-21 Body cavity search**

Authority: IC 11-8-2-5; IC 31-31-8-2

Affected: IC 31-31-8

Sec. 21. (a) Written policy, procedure, and practice provide that manual or instrument inspection of body cavities be conducted only when there is:

- (1) a risk to the security of the facility; and
- (2) a reasonable belief that the juvenile is carrying contraband or other prohibited material.

(b) The facility administrator and designated health care authority should be notified prior to a body cavity search, when possible, or as soon as possible following the search.

(c) Only a health care practitioner may conduct physical body cavity searches (i.e., searches involving physical intrusion into a body cavity for the purpose of discovering a concealed object). Any body cavity inspection is completed in private.

(d) If the health care practitioner is not of the same gender as the juvenile, a facility staff member of the same gender must be present.

(e) Staff shall notify parents or guardians if a youth is subjected to a physical cavity search. (*Department of Correction; 210 IAC 8-5-21*)

**210 IAC 8-5-23 Accountability system for keys**

**Authority: IC 11-8-2-5; IC 31-31-8-2**

**Affected: IC 31-31-8**

**Sec. 23. (a) Written policy, procedure, and practice provide a system to govern the control and use of keys.**

**(b) There is an accountability system that provides for the following:**

- (1) Keys are issued from a central location.**
  - (2) Keys are stored so that their presence or absence can be easily determined.**
  - (3) Key control responsibilities may be assigned to different staff, but one (1) staff is responsible for maintaining keys and key logs.**
  - (4) A permanent key log is maintained to record the following:**
    - (A) The key identifier.**
    - (B) The lock associated with the key identifier.**
    - (C) The number of keys issued with the identifier.**
  - (5) A key log is maintained with the names of the staff possessing the key.**
  - (6) Emergency keys are checked at least quarterly to make sure that they function properly.**
  - (7) Fire and emergency keys shall be labeled for easy identification of what door or doors each key opens.**
- (c) This is a mandatory standard. (*Department of Correction; 210 IAC 8-5-23*)**

#### **210 IAC 8-5-26 Service personnel**

Authority: IC 11-8-2-5; IC 31-31-8-2

Affected: IC 31-31-8

Sec. 26. Written policy, procedure, and practice provide that service personnel, other than facility staff, perform work in the facility only under direct and continuous supervision of facility staff when working in areas permitting contact with juveniles. *(Department of Correction; 210 IAC 8-5-26)*

#### **210 IAC 8-5-27 Firearms**

Authority: IC 11-8-2-5; IC 31-31-8-2

Affected: IC 31-31-8

Sec. 27. Written policy, procedure, and practice provide that firearms are not permitted in the facility except:

- (1) in emergency situations; and
- (2) by law enforcement.

*(Department of Correction; 210 IAC 8-5-27)*

#### **210 IAC 8-5-28 Critical incident report procedures**

Authority: IC 11-8-2-5; IC 31-31-8-2

Affected: IC 31-31-8

Sec. 28. (a) Written policy, procedure, and practice provide that the facility administrator defines "critical incidents" in writing, and that a documented debriefing is conducted after such incidents. The debriefing process occurs as soon as possible after the incident. Staff notifies the parents of critical incidents not later than the next business day.

(b) The debriefing report documents the debriefing process and includes the following:

- (1) Obtaining feedback about the incident from the staff and the juvenile or juveniles involved in the incident and a review of staff and juveniles' actions during the incident.
- (2) A review of the incident's impact on staff and juveniles.
- (3) A review of corrective actions taken and still needed.
- (4) A review of available video or digital recordings, or both, of the incident.
- (5) Plans for improvement to avoid similar incidents.

(c) All related documents and recordings of critical incidents will be preserved for an established period of time.

(d) The department's division of youth services shall be:

- (1) notified regarding all critical incidents; and
- (2) provided a copy of the critical incident report and debriefing report.

#### **210 IAC 8-6-1 Male and female sleeping rooms**

Authority: IC 11-8-2-5; IC 31-31-8-2

Affected: IC 31-31-8-2

Sec. 1. (a) Individuals who identify as male and individuals who identify as female do not occupy the same sleeping room.

(b) This is a mandatory standard. (*Department of Correction; 210 IAC 8-6-1*)

#### 210 IAC 8-6-2 Timeout

Authority: IC 11-8-2-5; IC 31-31-8-2

Affected: IC 31-31-8-2

Sec. 2. (a) Written policy, procedure, and practice provide that juveniles are allowed to request a voluntary timeout. Timeout may be used as a sanction for a minor rule violation or as a "cooling off" period, and is of short duration as to not restrict or deny program participation.

(b) When a juvenile is in timeout, the following must occur:

(1) If placed in timeout by staff, the juvenile has the reason for placement in timeout explained and is given the opportunity to explain his or her reasons for the behavior leading to the restriction.

(2) Staff contact is made and documented at least every fifteen (15) minutes to assess the juvenile's well-being and reassess the juvenile for their return to programming.

(3) The juvenile participates in determining the end of the timeout.

(c) A timeout cannot exceed sixty (60) minutes.

(d) Placement in timeout for juveniles previously identified as a suicide risk follows the observation guidelines contained in the facility suicide prevention plan. (*Department of Correction; 210 IAC 8-6-2*)

#### 210 IAC 8-6-3 Room confinement or isolation

Authority: IC 11-8-2-5; IC 31-31-8-2

Affected: IC 31-31-8-2

Sec. 3. (a) Written policy, procedure, and practice provide that juveniles are placed on room confinement or in isolation only:

(1) for the safety of the juvenile;

(2) for the safety of others; or

(3) to ensure the security of the facility.

(b) Room confinement is defined as the locked placement of a juvenile in his or her assigned cell or room for a period of time in excess of sixty (60) minutes. Isolation is defined as the locked placement of a juvenile in a room other than his or her assigned cell or room for a period of time in excess of sixty (60) minutes.

(c) Provisions for the use of room confinement and isolation shall include the following:

(1) The juvenile has the reason for the restriction explained to him or her and has the opportunity to explain the behavior leading to the restriction.

(2) The juvenile is advised of the disciplinary process and his or her due process rights.

(3) Juveniles are checked visually by staff at least every fifteen (15) minutes.

(4) If a juvenile is in room confinement or isolation longer than twenty-four (24) hours, at least every twenty-four (24) hours the facility administrator, or designee, who was not involved in the incident, must review and determine the need for continued placement restriction.

(5) If a juvenile is in room confinement or isolation longer than twenty-four (24) hours, the facility administrator, or their designee, in conjunction with a mental health, medical, or social services staff person, will develop a plan outlining the behaviors and expectations required for release from room confinement, including a plan for the juvenile's reintegration into the facility's programs and services.

(6) Juveniles are visited at least once each day by staff from administration and from mental health, medical, or social services to assess the juvenile's well-being and to reassess the juvenile for a less restrictive placement.

(7) A room confinement or isolation log is kept recording the following:

(A) The name and title of the individual who authorized the confinement and the reason.

(B) The name and title of persons visiting the juvenile.

(C) Time checks.

- (D) The name and title of the person authorizing release of the juvenile from confinement.
- (E) The time of release.
- (8) Juveniles placed in room confinement or isolation are afforded living conditions, programs, and services comparable to the general population, including the following services:
  - (A) Education.
  - (B) Recreation.
  - (C) Mental health.
  - (D) Medical services.
- (9) Room confinement for juveniles previously identified as a suicide risk follows the observation guidelines contained in the facility suicide prevention plan.
- (10) When the juvenile's assigned sleeping room is used as the location for the room confinement, the juvenile is only allowed access to items authorized by the facility administrator, or their designee.

(d) When a juvenile is placed in confinement in excess of seventy-two (72) consecutive hours, the placing agency is notified. *(Department of Correction; 210 IAC 8-6-3)*

- (3) Sanctions.

**(b) All rules and regulations pertaining to the juveniles are conspicuously posted in the facility or included in a handbook that is accessible to the following:**

- (1) Juveniles.
- (2) Parents or guardians.
- (3) Staff.

**(c) Facility rules and disciplinary regulations are reviewed at least annually and updated, when necessary.**

**(d) Appropriate due process procedural safeguards are in place for major rule violations, including the following:**

- (1) A system of progressive discipline that specifies prohibited acts and sanctions.
- (2) Report of incident and charge.
- (3) Notice of hearing.
- (4) Time to prepare for hearing.
- (5) Assistance, as needed.
- (6) Timely hearing.
- (7) Opportunity to present evidence.
- (8) Fair, unbiased decision.
- (9) Written notice of decision.
- (10) Opportunity to appeal.
