### **V. CRITERIA FOR APPROVAL OF TEMPORARY LEAVE REQUEST:**

When a Superintendent receives a request from either an offender or another person for a temporary leave, the Superintendent shall consider the following factors when rendering a decision on the request:

- A. **Criminal History:** Staff shall determine whether the offender has committed any crimes against a person or other serious crimes which could create unusual concerns, attract undue public attention, or depreciate the seriousness of the offense if a temporary leave is granted. If it is determined that any of these conditions exist, a temporary leave shall not be granted.
- B. **Alcohol/Controlled Substance History:** Staff shall determine whether the offender has had any criminal convictions or findings of guilt in a disciplinary action while incarcerated involving the use of alcohol and/or controlled substances. If there have been any convictions or findings of guilt within the previous two (2) years, the offender shall not be granted a temporary leave.
- C. **History of Escapes:** Staff shall determine whether the offender has any escape or attempted escape convictions, or findings of guilt in a disciplinary action while incarcerated with the Department, or a county jail, within the last five (5) years. If such convictions or findings of guilt are present, the offender shall not be granted a temporary leave.
- D. **Basis for Request:** The Superintendent shall determine whether the reason for the temporary leave request is appropriate, based on section II above for a temporary leave and whether the offender meets all of the criteria.
- E. **Offender's Responsibility:** Staff shall determine whether it appears that the offender is responsible enough to meet the conditions of a temporary leave and can successfully complete it. Offender responsibility may be determined by reviewing the offender's behavior and work record, as well as any other information that will indicate the offender's adjustment while at the facility.
- F. **Facility Resources:** The date and time of the proposed temporary leave shall be reviewed and a determination made as to whether the facility has sufficient resources (e.g., available staff and vehicles) to grant the temporary leave and still maintain adequate security.

### **VI. TEMPORARY LEAVES FOR THE PURPOSE OF RELEASING AN OFFENDER PRIOR TO THE OFFENDER'S EARLIEST POSSIBLE RELEASE DATE:**

In accordance with the administrative procedures for Policy 01-04-105, "Adult Offender Releases," an offender may be released prior to the offender's Earliest Possible Release Date (EPRD) in accordance with a schedule of releases approved by the Department. In all cases where an offender is released prior to his/her EPRD, except when the release is due to a modification of the offender's sentence or the offender is released to a Community Transition Program (CTP), the offender shall be released on a Temporary Leave for those days up to the offender's actual EPRD, no matter whether the offender is picked-up by family or friends or transported by the Department to the approved placement. OIS shall denote this as a Temp-Out to "Early/Weekend Release."

In cases where the offender is being released prior to his/her EPRD, the offender will be released on a Temporary Leave. The offender will not be required to submit an application for a Temporary Leave for this purpose. Nor shall the offender be required to meet the criteria for a Temporary Leave, as indicated above. However, staff shall prepare a State Form 8522, TEMPORARY LEAVE AGREEMENT FOR CRIMINAL OFFENDERS. The offender's Unit Team staff shall be responsible for ensuring that it is explained to the offender that he/she shall be on Temporary Leave during the period until his/her EPRD. Additionally, staff shall ensure that the rules of the Temporary Leave are explained to the offender and the offender signs the State Form 8522. In cases where the offender refuses to sign State Form 8522, staff shall sign the form indicating that the offender refused to sign the form and another staff person shall witness the form. Staff shall explain to the offender that refusing to sign the form will make him/her ineligible for early release and that he/she will be released on his/her actual EPRD. Failure to abide by the Temporary Leave rules will result in the offender being returned to the facility and a Disciplinary Hearing.

A copy of the signed State Form 8522 shall be given to the offender which will authorize the offender being out of the facility and a copy shall be sent to the Parole or Probation Office that will be supervising the offender upon his/her release, if applicable. Also, a copy shall be filed in the offender's packet.

### **XI. COST OF TEMPORARY LEAVE:**

Adult offenders who are approved for any temporary leave, except those initiated by the Department, such as for medical appointments, for court ordered or other releases, shall be responsible for the cost to the Department of the temporary leaves if staff is required to transport the offender to the designated location.

In order to determine the cost to the offender, the facilities shall use the hourly rate, without benefits, for the Custody Staff assigned to the transportation and multiple that rate times the total time for the transportation. The facilities shall use the existing state rate for mileage and determine the total number of miles and add this amount to the total salary amount to determine the total cost of the transportation for the temporary leave.

When the offender submits the Application for Temporary Leave for Committed Offender, the offender's counselor and/or Unit Team staff shall advise the offender whether the temporary leave would be escorted or not. If the Temporary Leave is approved and is to be escorted, the offender will be advised that he/she will be responsible for the cost of the transporting him/her to the approved destination. Staff shall determine the mileage for the trip and the approximate number of hours involved, as well as the number of staff that will be required to accompany the offender. Using the numbers above to determine the cost, staff shall advise the offender as to the cost which will be charged for the Temporary Leave.

Staff shall explain to the offender that if the offender does not have sufficient funds in his/her Inmate Trust Fund account, if the Temporary Leave is approved, a hold will be placed on the offender's account until the facility is reimbursed for the cost of the Temporary Leave. The offender shall be advised that a Temporary Leave shall not be denied solely on the grounds that the offender does not have sufficient funds to pay for the Temporary Leave. The offender will be required to sign a "Request for Remittance" for the cost of the Temporary Leave. If the offender refuses to sign the "Request for Remittance" the Application for Temporary Leave shall be denied. If the offender has sufficient funds in the Inmate Trust Fund account to pay for the Temporary Leave, these funds shall be withdrawn from the offender's Inmate Trust Fund account when the offender's Application is approved. If the offender does not have sufficient funds in the

Inmate Trust Fund account, a hold shall be placed on the offender’s account effective with the approval of the application. If a hold is placed on the offender’s account, the offender shall not be allowed to spend any money in the Inmate Trust Fund account except to pay for approved personal hygiene items, including over-the-counter medications, medical co-payments and court ordered fees, fines or restitution, including restitution ordered by a Disciplinary Hearing Body.

Additionally, the offender shall be advised that if he/she is released prior to reimbursing the facility for the cost of the Temporary Leave, the offender shall still be responsible for the reimbursement and the Department may pursue a civil action to recover these costs.

This policy and administrative procedure is applicable to all facilities housing adult offenders and all offenders assigned to those facilities.
