

# COVID-19 Data Definitions

<u>Facility</u>	Correctional facility (abbreviation)
<u>Staff Test</u>	The number of self-reported COVID-19 test administered to staff. Includes testing conducted both within and outside of DOC.
<u>Staff Current Positive</u>	Current number of staff who have self-reported positive COVID-19 result and are currently off work and quarantined for at least 10 days since exposure period or symptom start date. Includes staff who have tested positive for COVID-19 more than once.
<u>Staff Total Positive</u>	Cumulative total of staff who have reported and provided documentation of positive result for COVID-19.
<u>Staff Recovered</u>	Presumed number of staff with confirmed COVID-19 infection who have quarantined/been off work for no less than 10 days and have returned to work after symptom resolution. Data does not include deceased staff. Data includes staff members who have resigned or been terminated.
<u>Staff Death</u>	The number of staff with confirmed COVID-19 infection who are confirmed or presumed to have died as a result of COVID-19. The institution is assigned based on the institution at which the staff was employed.
<u>Offenders Test</u>	The number of test administered to offenders. Data includes offenders who have been tested more than once.
<u>Offender Current Positive</u>	Current number of patients who have tested positive for COVID-19 and are currently under medical isolation for recent positive result. Can included patients who have tested positive for COVID-19 more than once.
<u>Offender Total Positive</u>	Cumulative total of patients who have received a positive result for COVID-19. Does not include duplicate COVID-19 cases (offenders who have tested positive more than once).
<u>Offender Recovered</u>	Presumed number of patients with confirmed COVID-19 infection who have been released from medical isolation after no less than 14 days and have resolved symptoms. Does not include deceased patients.
<u>Offender Presumed Death</u>	The number of patients with confirmed COVID-19 infection who are presumed to have died as a result of COVID-19. The institution is assigned based on the institution at which the patient resided or was endorsed on the day the death occurred.
<u>Offender Confirmed Death</u>	The number of patients with confirmed COVID-19 infection who died as a result of COVID-19. The institution is assigned based on the institution at which the patient resided or was endorsed on the day the death occurred.
