Testimonials

“EEL provided me with the opportunity to network and learn alongside other future leaders of this agency. Many of the people from my EEL cohort still stay in touch with a handful of them being some of my closest confidants within the agency. Being a part of EEL not only allows you to hone your leadership skills and challenge yourself but allows you to join an elite group of EEL Alums.”

-E.D. Alexis Dean
2014 EEL Grad

“Meeting the leaders throughout the DOC gave me a broader understanding of the overall mission and taught me the difference between being a boss and a leader. It also provided a network of friendly, knowledgeable contacts throughout the Department.”
